2-way radio averts auto-train crash at Palatine

The two-way radio that was established last week between station WBNQ, Arlington Hgts. police station and the Palatine police car, averted an auto-train crash at Palatine early Wednesday morning.

Warren R. Bailey, 48, of Palatine, a printer, was on his way home from work when his car stalled on the Slade st. crossing of the Northwestern tracks in Palatine.

IT WAS 12:47 a. m. A train was due in 14 minutes.

Palatine police, over its call letters, WBKL, notified Arlington Heights Radio Operator John Firnbach who flashed the news to Lora Prickett, a towerman near Des Plaines.

Prickett set a red signal and stopped a north bound diesel powered through passenger train racing out of Des Plaines, and relayed the news by phone.

The train rolled cautiously ahead and passed the crossing a few minutes after police had cleared Bailey's auto from the track.

AHTHS band will march in July 4 parade in Racine

The 70-piece band from Arlington Heights township high school will participate in a Fourth of July celebration and parade in Racine, Wis., according to Principal LeRoy Knoeppel.

The invitation was extended by the Racine Chamber of Commerce and the Independence day parade will be held traditionally on Sunday, July 5.

"This day-long excursion will be a wonderful educational experience for the students," Knoeppel stated, "and we feel we should take advantage of the offer, especially since the band has no local playing dates on that Sunday."

The Racine parade annually is one of the biggest in the country, and approximately 50 area high school bands will each lead a club or organization float. In previous years, Maine and Leyden high school bands have played in the Racine event.

Parents warned on use of air rifles within village limits

Police Chief Carl H. Skoog issued a warning this week to parents whose sons own air rifles.

Their use within the corporate limits is illegal. Numerous complaints have been received that windows are broken, song birds killed and other damage done by the rifle owners. The destruction of street lights has reached a high figure.

"If your child wants to use an air gun, fix up a range in your basement or supervise his use of the gun," says Chief Skoog.

"Police officers have orders to pick up all guns being carried on the streets. Parents of juveniles are liable for damage their offspring may cause.

"The pellets used in the guns can cause a lot of damage, possibly endanger the eyesight or cause a permanent injury."

New food store opens in Arlington Crest

The Midway Food Market, located at Northwest highway and Wilke road, Arlington Crest, is now open for business. The market, which is under the management of Gene Theobald, will be open seven days a week, from 8:00 a.m. to 10:00 p.m.

Fresh fruits and vegetables, groceries, and lunch meats are available to patrons. Delivery service is also offered by the store and may be had by calling Arlington Heights 2025-R. In the near future they expect to handle freshly dressed chickens.

Deny zone change at Arlington Heights and Rand road

The County Board Thursday denied a zoning change from farming to a business, tavern and amusement district for the two and three-quarters acres on the northwest corner of Arlington Heights road and Rand road in Wheeling township.

The petitioner, Frank Mueller, 4623 North Western avenue, Chicago, told the board he acquired the property in December, 1946. The zoning board held he should have known of the zoning ordinance when he purchased the property.

On the property at present is a barn and residence. Mueller planned to remodel the barn and operate a restaurant and tavern. Twenty-five persons objected to the change.

How the women would do it

The wife of an Arlington Hts. alderman attended the Monday night session of the village board to get first hand information as to why board meetings last so long, why her husband's clothes reek of tobacco when he does get home, and to get the answer to a multitude of other questions.

She stayed on the job until adjournment at 11:30 p. m., with a lot of her questions unanswered, but convinced that a village board of women could do just as good a job.

SHE HEARD some harsh words thrown about the council chamber when two attorneys got their "dander up."

"A group of women could have staged just as good a battle," she told her husband when he got home."

She told the reporter of the Herald, "I wish some of the other wives of the aldermen could have been there and learned how nonchalantly their husbands paid monthly bills totaling $6,500. I never knew a dollar could mean so little to a man before."

It was a different story when the aldermen learned that the defunct Firemen's auxiliary had a check for $350 that the treasurer thought should rightfully go to the regular fire department. Those 350 dollars looked big to those board members.

IN ACCEPTING the check they refused to give any assurance that the money would reach the firemen. They thought the check would just about square up the cost of a piece of "junk" (the Mayor called it) the village had purchased from the government several years ago at the recommendation of the fire chief.

"Men are just as stubborn as women," was another comment of the investigating wife. The aldermen flatly refused to compromise on a zoning matter, even if 140 home owners are on the other side of the fence.

"I did learn that men are just as slow in buying new equipment for the municipality as they are in buying labor saving things for their homes, and that there is more than one way to skin a cat."

"WHEN THE official ok for the purchase of some office equipment was delayed, one village department considered that an emergency existed. The equipment was ordered, arrived, and the board necessarily paid the bill. If more wives followed the same plan they would be getting new household appliances a lot quicker and easier."

The aldermen were told that there has been $125 resting undisturbed for several years in one corner of the treasury. At the suggestion of the village treasurer, it will go into the general fund. A woman would have taken that money out of moth balls a long time ago.

"I guess it is human nature for a man to postpone a disagreeable job. That must be why the parking problem is still with us and also why Alderman Hoffie asked if the proposed widening of Dunton and other streets was to be a 1948 or 1949 project?

"I will compliment the men on their good taste in discussing family troubles within the bosum of the family. They are meeting Tuesday night in executive session to discuss the status of the big sewer judgment that may be added to our future tax bills."

"I REALLY enjoyed the evening. To the credit of the aldermen I want to pass on to the wives that they refused an invitation to 'coffee and sandwiches' given to them as they adjourned at 11:30 p. m.

"I pass on this suggestion to the wives of our village dads. Be patient with your husband; one village board meeting is more wearing on the male species than a Sunday morning in the vegetable garden."

Editor's note: The alderman's wife who sat in on the board meeting Monday night refused to be quoted, but the reporter thinks that the above story of her reactions is more right than wrong.

Palatine man dies as train reaches Arlington Heights

John H. Nelson, Palatine, died from a heart attack Monday afternoon, while on a Chicago and Northwestern train between Mt. Prospect and Arlington Heights. As the train pulled into Mt. Prospect he was stricken. The train stopped in front of Dr. Wolfarth's office, but the doctor was not at home. A message was phoned to Arlington to have a physician and ambulance meet the train.

DR. ELFELD and the Fairbanks ambulance were at the station. The doctor declared the man dead and the body was removed to the Fairbanks undertaking parlors. A coroner's physician made an inquiry and issued a burial permit.

Funeral services are being held Thursday afternoon at 4325 Armitage ave., Chicago, with interment in Mt. Olive cemetery. He leaves a wife, Mae; two sons, John H. Jr. and Robert G. and a daughter, Arlene Mae.

Mr. Nelson was a member of Boulevard Lodge No. 882 A. F. & A. M. and the glassiers union, local No. 27. and had been a resident of Palatine 16 years. He operated a tourist cabin on Rand road.

Military funeral for Melvin Preston by ex-service men

Arlington Veterans of Foreign Wars and American Legion post accorded a military funeral Wednesday morning honoring 1st Lt. Melvin R. Preston, whose remains had been brought home from Chitsoe, Japan, where he was killed last month.

Following services in St. James church, the funeral cortege, after stopping a moment in front of the family's home on Palatine road, journeyed to St. Adalbert's cemetery, Niles, where the military honors were given.

Request crossing gates at Wilke road

A request to the County board to improve the crossing on Wilke road and Euclid avenue at the crossings of the Chicago and Northwestern railroad tracks south of Northwest highway, Thursday was referred to the highway department.

The request came from the Northwest Community Improvement Group of Arlington Heights, signed by James Colvin, secretary. He requested the erection of crossing gates with warning signals. The communication stressed the need for such crossings because of heavy traffic, which is especially severe during the six week racing season at Arlington Park.

Warning to motorists: beware of US 14, a 'jinx' to speeders

There must be something about U.S. 14, or Northwest highway, that tricks auto drivers into getting speeding tickets, calling them to Judge Neumann's court, Arlington Heights at Wednesday morning sessions.

Evidence of this fact is that of seventeen speeding arrests made last week by Arlington Heights police, fourteen occurred on that highway. Of the total fines of $157.00 taken in during the week, $100.00 was added to village revenue by the speeders.

James K. Lee and Jerome Halburg, both of Arlington Heights, were fined $4 each plus $3 each court costs for exceeding the 30 mile per hour speed limit on the highway.

Other speed violators were from Des Plaines, Chicago, Cicero, Ohio and Minnesota.

"One way or another, Arlington Heights and its police force will become famous throughout the country," Judge Neumann commented.

Two juvenile lawbreakers, both from Mt. Prospect, pleaded guilty to installing Hollywood or Smitty mufflers in their cars. Both appeared in court Wednesday morning to answer charges of violating village ordinance 56, creating unnecessary noise.

"Maybe you're both happy that spring is here," the Judge stated, "but leave the spring sound effects to Robins and other birds who don't annoy folks in the middle of the night."

Scout Court of Honor Friday night

A Scout Court of Honor will be held at the Mount Prospect public school Friday evening, May 21, at 8:00 p .m. The Court will be conducted on a district wide basis with troops from Arlington Heights, Prospect Heights and Mount Prospect participating.

Ralph Clabaugh, chairman of the court, has announced that troop 23 of Mount Prospect will serve as the host troop. Parents and friends are invited to attend.

'One more week' is theme song of tax collectors

Tax bill possessors have just one more week to pay their taxes to township collectors.

Penalty date at the county building is June 1, but township collectors have set Friday, May 28, as their final day since they must get their books in order over the Decoration day weekend to be returned to the county treasurer's office.

It would be wise for anyone who hasn't yet seen his tax collector, to do so quickly during the next week.

Former bank directors ask return of $2,500

Five directors of the defunct Arlington Heights State Bank, thru Attorney Fred Schuener, are asking the village of Arlington Heights for return of $2500 paid by them over 15 years ago. They had guaranteed the amount of village funds on deposit in that bank and the $2500 represented a first payment on that guarantee. Ultimately the village was reimbursed by the insurance company which had issued the bond on the treasurer.

The claim is being investigated to learn if the payment received by the village from the insurance company covered only the money in the closed bank.

Auxiliary fire department, thru its treasurer Carl Hoeft, tendered a check for $349.25, representing the balance in the treasury of that war time organization. He asked that the money be turned over to the regular fire department.

Attorney Dahlgren representing the Northwest Community Betterment group asked that the village deny a building permit to Arlington Prefabs to maintain a sales lot at Northwest highway and Wilke road. He was informed that under advice of attorney, the permit will be granted after the filing of a bond requiring removal of all buildings within one year. Dahlgren questioned authority of the president to authorize a permit for an illegal structure. Residents of Arlington Park voiced their willingness to accept such a provision.

SANITATION committee was authorized to replace one of the bowl assemblies in a pump at the treatment plant and order a second one for an emergency. Existing type of pump has become obsolete and repairs will be difficult to obtain.

Village treasurer was authorized to transfer $125 from the inactive equipment fund to the general fund. Alderman Hoffie was named a member of the finance committee, taking the place of Alderman Franke, who has resigned.

The village will install street signs, but has not the funds available for their purchase. Areas desiring new signs can secure them on that basis.

Twenty-five arrests by the police netted $153 the past fifteen days.

EASTWOOD subdivision can install public sewer and water services on a progressive basis as property is sold provided a recognized engineer supervises the work. Bills and payroll approved for payment totaled $6,491.72.

Arlington board gets resignation of W. G. Franke

Arlington Heights village board regretfully accepted the resignation Monday night of Alderman W. G. Franke, whose business takes him to Magnolia, Arkansas. Mr. Franke has been head of the important finance committee and in the discussion of troublesome matters has frequently been the safety valve that has kept the village machinery running smoothly.

Village Clerk Davis was instructed by the board to acknowledge the receipt of the resignation and express the regret of fellow members that he has to leave Arlington.

More than 400 attend band carnival at Arlington Hi

More than 400 people who attended the band carnival at Arlington Heights township high school last Tuesday saw Nancy Nichols win the coveted Queen title.

Miss Nichols will preside over the spring conference track meet, where she will bestow the trophies. Her prize at the carnival was a portable radio. The other four contestants also received prizes.

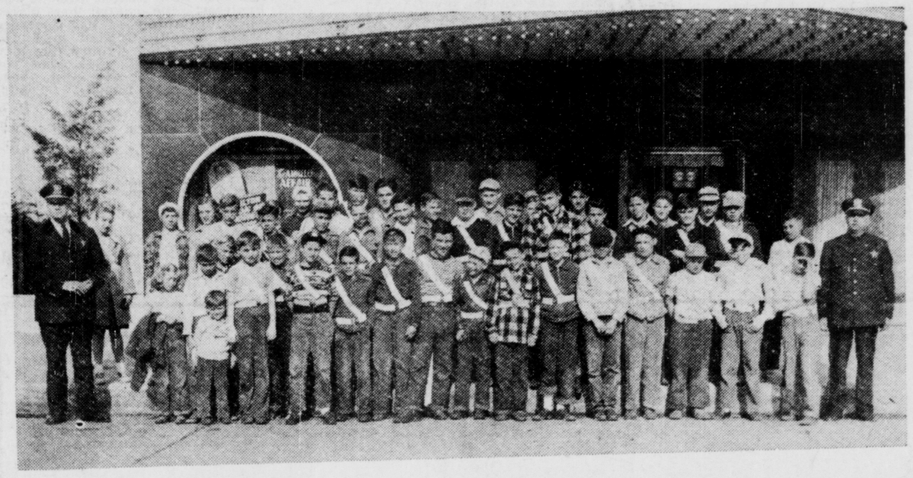

Proceeds from the carnival totaled $375 for the band, from its share of the concessions and the queen contest, and approximately $120 for the clubs sponsoring booths or side shows.

Band proceeds will be used to pay for new choral robes and to finish paying for band uniforms.

The band carnival was under the supervision of Frederick Schmoyer, head of the music department.

A feature article on the carnival, written by the high school students, can be found elsewhere in the paper.

Arlington theater host to Arlington patrol boys

Arlington Theater was host to the above patrol boys Saturday afternoon, as part of the program inaugurated by the police department and the vil lage board of Arlington Heights.

Mayor Goedke started the ball rolling proclai ming Saturday, May 15, 1948, as Safety Patrol Day in the village, honoring the boys who give so much of their time to safeguarding the life and limb of our school children. Don Knapp immediately offered a free show to the patrol boys, and the village officials provided the necessary funds to see that all the kids got an ice cream sundae or soda after the show.

Plans are under way to honor the patrol boys with a free ball game at Cubs park. However, no definite date has been set as yet.

Mass meeting called at St. Peters to discuss building plans

St. Peter Lutheran church, Arlington Heights, will hold a mass meeting of all communicant members in the church building Sunday afternoon, May 23, at 2:30. The meeting is called by the planning committee. Plans for an extensive building project in the church and chool will be presented, but in particular a practical plan of financing the building operations will be discussed.

Included in the building plans is a recreation or youth building. This structure will be the congregation's answer to the "Youth Call" which will be conducted in all districts of the Lutheran church, Missouri Synod, Sunday, by proclamation of the president, Dr. J. W. Behnken.

The invitation to this meeting, therefore, goes out to the fathers and mothers and to the youth of the church as well. The Rev. L. V. Stephan, pastor, will open the session with prayer and song.

Ask zone change for trailer camp near Arlington

A petition by John Hedrich, 6309 West Diversey avenue, Chicago, to rezone the 23 acres on the east side of Wilke road about 500 feet north of Central road in Wheeling township from a farming to a business district Wednesday was referred to the zoning board of appeals by the County board public service committee.

MERCHANTS DELIVERY PUTS NEW TRUCK IN SERVICE

The business accorded Herbert Kolle, operator of Merchants' De-Delivery Service, necessitated the purchase of a new Chevrolet truck which is now in service. Herb, in one year's time, has built up an excellent business, giving a service that is appreciated by merchants, businessmen and the general public.

His slogan is "If you want it delivered, call 1317." He specializes in delivery of store orders.

Fireman Winkelman urges check-up for fire hazards

Fire Chief Elroy J. Winkelman has issued a plea to all citizens of Arlington Heights to cooperate in Spring Clean-Up to safeguard the community against fire, accidents, disease, and to improve its appearance.

For the home check-up Chief Winkelman suggests that householders:

Get rid of all rubbish and papers in the attic, closets, basement, yard and garage. Tie them into bundles for salvage.

CHECK STOVES, furnaces and heaters. Have all repair work done now. See that floors under stoves are protected by metal, bricks, or cement. Insulate all burnable material subject to heat radiated from stoves, furnaces, and pipes. Empty hot ashes into metal containers. Clean chimney and check for cracks, loose bricks and mortar. Place metal screens in front of fireplace. Place portable heaters so they can't be knocked over.

Distribute enough ash trays in convenient places for smokers. See that matches are out of reach of young children and placed in safe containers.

Check gas connections on portable heaters. Shut-off valves should be located on pipe before rubber tubing.

NEVER USE gasoline, benzine or naptha for cleaning. Don't quicken a sluggish fire by pouring on kerosene, it may easily flame out of control.

Destroy paint rags and oily cleaning cloths or put them in a metal container with a cover. Hang up oily mops so that air can circulate through them.

Inspect all electric service cords and connections on lamps and appliances. Use only 15 ampere fuses for household circuits. Never permit "bridging" of burned-out fuses with wires or coins. Such practices remove all protection against "shorts" or overloading of circuits.

Self-inspection guides prepared by The National Board of Fire Underwriters are ready now at Fire Department headquarters in Arlington Heights.

Buddy Poppy sales to honor dead by helping the living

Poppy day will come to Chicago and Cook county area for the 26th time on May 22, 24 and 29.

More than 12,000 volunteer workers will sell, on street corners throughout the city and most of Cook county, cloth replicas of the little red flower which grows wild in France and Belgium and was immortalized by Co. John McCrea in his poem "In Flander's Fields."

Volunteers will offer the memorial flower of the nation's war dead for sale, accepting whatever contributions passers-by can afford.

Proceeds are earmarked for three veterans' organizations comprising the Veterans Poppy Day Association of Chicago, American Legion, Veterans of Foreign Wars and Spanish-American War Veterans. Funds also will go for rehabilitation of wounded, disabled and needy war veterans and children and widows of dependent veterans.

Arlington Heights VFW post 981 will conduct its Buddy Poppy campaign Saturday, May 22, in the City of Good Neighbors. Chairman of the local drive is James Hauff. Canvassing will be done by the VFW auxiliary, assisted by Arlington Heights Campfire Girls.

Some 12,000 veterans of the Spanish-American and both World Wars are confined in hospitals in Chicago and the rest of Illinois. Nine thousand of them have been fashioning poppies in their respective hospitals and institutions since last November. They have earned more than $15,000 in pocket money for their labor.

Last year, 1,725,000 poppies were sold in Chicago. Net receipts were $203,149, an all-time mark. Officials hope this year an excess of 2,000,000 poppies will be sold in the city and 3,000,000 in the state as a whole. Sale of the symbolic flower this year is more important than ever because of the increased work assumed in organization service departments, which handle all matters relating to compensation and pensions for living veterans, death claims, death compensation for widows, minor children and dependent parents; bonuses; and insurance, funeral claims and claims for other monetary benefits.

Every year at Memorial day time, millions of Americans wear little red poppies in memory of men who lost their lives in World Wars I and II.

The story of how the poppy became the nation's memorial flower is one of a double line of trenches in Europe from 1914 to 1918. Into this area of death and destruction trampled by the heavy shoes of millions of fighting men, churned by shells of thousands of cannon, and blown full of ugly craters by mine explosions, came thousands of American boys in 1917 and 1918 to stop the horrible war.

As American soldiers struggled through shattered villages and across shell-torn fields, the only touch of life was the little wild poppies which even grew along the very edges of trenches and shell-holes. Poppies even sprang up and clothed the hastily dug graves of the dead.

In World War II, thousands more of America's young men died for their country. The poppy again has become the symbol of the dead and Americans wear it at this time to pay tribute to the brave young men who died in two World Wars.

VFW and Legion Memorial Day parade set for May 31

Memorial day exercises in Arlington Heights will be held Monday, May 31, and will be sponsored jointly by Arlington Heights VFW post 981 and American Legion Merle Guild post 208.

Exercises for the day will be opened by a parade starting at 10 a. m. All groups, including churches, schools and military groups, are invited to participate in the parade, which will be formed at 9:30 a. m. at South school on Mitchell street.

On May 31, Memorial Day is celebrated in memory of the honored dead of all wars in which the United States participated. Flags will be half-masted until noon on that day.

Parade Marshal is S. Greschner, assisted by Joe Wisersky and Otto Masny.

The parade will then proceed to Memorial park where the Lions club will donate a bronze plaque honoring servicemen and women of World War II. Dedication of the plaque will be by Otto Wulbecker, Lions club president. The tablet will be placed in Memorial park adjacent to a monument honoring World War I veterans.

Rev. C. Victor Brown of First Presbyterian church will give the invocation and closing prayer.

Main speaker of the day will be Lt. Col. Lauris M. Eek, of Chicago, Fifth Army veteran of World Wars I and II. At present he is public information officer at Fifth Army headquarters, Chicago.

Post 981 firing squad will salute the dead, the roll of honor will be read by Commander John Otzen of Merle Guild post 208 and an address from General Logan will be delivered by Commander George Svetanoff.

After wreaths are placed by the Ladies auxiliary, all groups will proceed to Euclid cemetery. The graves of Comrade Oeflein, first commander of VFW post 981, and Comrade Merle Guild, of the American Legion, will be decorated with full military honors.

The U. S. army will furnish staff cars for disabled veterans and Gold Star mothers. Call Arlington Heights 173-R for further details.

Arlington wins NE track championship

Two thousand people witnessed Arlington track squad win the N. E. conference championship held at Arlington Wednesday night.

Table of points were:

Arlington	66
Niles	55
Libertyville	35
Leyden	35
Crystal Lake	17½
Lake Forest	16½

Three new records were set and two tied. Shot put, 440 Frosh-Soph relay, and 220 yard run records were broken. Records tied were 100 yard dash and mile medley relay.

'Need advisory committee to remain on job'

— Studtman

When Paddock Publications published last week's tax story, the editor did not know that said story would open the flood gates on Theodore Studtmann, Wheeling township assessor. He is still swimming as tax payers keep his phone busy and bring their bills to his office.

The Wheeling assessor is innocent.

With the exception of a very small part of the tax bills all of the money being collected goes to local taxing bodies, who decide how much money they need. If the Illinois Department of Revenue had allowed the assessor's figures to remain, no person would have been faced with an unjust valuation or would he be called upon to pay more than his share of the taxes needed by the village and the schools.

The dollars and cents increase was due to the action of local taxing bodies. The valuation increase was done by the boys in Springfield.

Mr. Studtman agrees with his advisory committee that the state has acted unjustly, but he is asking that they remain on the job and assist him in correcting any unjust figures that it is possible to change.

A $2.00 a foot frontage valuation is the lowest that is placed on any vacant property, yet complaints are sometimes received from owners who have been favored with the low figure.

Need carpenters and painters to complete John Martin home

The completion of the John Martin home on N. Warren avenue, Arlington Heights this coming week end will depend on the number of volunteer carpenters and painters who will help this blind veteran by donating their services.

With good weather in sight and enough workers on the job, the house can be completed.

Various agencies are holding benefits for the John Martin fund. A soft ball game Sunday under the sponsorship of Herman's Jolly Boys netted $105.11.

The traveling bank at Mar Johnson's yielded $45 during the two weeks period.

A benefit bakery sale will be held Saturday afternoon by the Hi-Pal club at the Public Service store.

Additional $25 contributions have been received by the committee.

Offers of furniture, dishes, blankets, clothing and other household items would be greatly appreciated. Interested persons can contact the Martins at 2078-RX.

Northwest Community Betterment group elects new officers

Robert Lockwood was elected president of the Northwest Community Betterment group Tuesday night at a meeting held in the field house. Other officers are John Butler, vice-pres.; D. R. Swift, secretary and Spalding Hobb, treasurer.

This group represents the area west of Arlington Heights high school north of Northwest highway, west to the village limits. Its purpose is the advancement of that section of the town safeguarding its residential sections from undesirable construction and uses. It is a young organization but has already made itself felt in many ways.

A resolution was passed Monday night protesting the maintenance of a prefab sales lot and the construction of a building to house a roller skating rink. The group has gone on record as supporting equal enforcement of village and zoning ordinances.

One of the projects now under consideration is the rezoning of the remaining business property on the Northwest Highway.

Sports writer guest of Arlington Lions

The highlight of the Tuesday evening meeting of the Arlington Heights Lions Club was a talk by Wilfrid Smith, sports editor for a metropolitan daily. The program was under the direction of the sports committee and was held following the business meeting.

A fine trophy was presented to the winning team of the Lions bowling league. Those bowlers that were not members of the Lions club were present as guests.

The showing of the 1947 World Series baseball movies completed the program.

2-way radio averts auto-train crash at Palatine

The two-way radio that was established last week between station WBNQ, Arlington Hgts. police station and the Palatine police car, averted an auto-train crash at Palatine early Wednesday morning.

Warren R. Bailey, 48, of Palatine, a printer, was on his way home from work when his car stalled on the Slade st. crossing of the Northwestern tracks in Palatine.

IT WAS 12:47 a. m. A train was due in 14 minutes.

Palatine police, over its call letters, WBKL, notified Arlington Heights Radio Operator John Firnbach who flashed the news to Lora Prickett, a towerman near Des Plaines.

Prickett set a red signal and stopped a north bound diesel powered through passenger train racing out of Des Plaines, and relayed the news by phone.

The train rolled cautiously ahead and passed the crossing a few minutes after police had cleared Bailey's auto from the track.

AHTHS band will march in July 4 parade in Racine

The 70-piece band from Arlington Heights township high school will participate in a Fourth of July celebration and parade in Racine, Wis., according to Principal LeRoy Knoeppel.

The invitation was extended by the Racine Chamber of Commerce and the Independence day parade will be held traditionally on Sunday, July 5.

"This day-long excursion will be a wonderful educational experience for the students," Knoeppel stated, "and we feel we should take advantage of the offer, especially since the band has no local playing dates on that Sunday."

The Racine parade annually is one of the biggest in the country, and approximately 50 area high school bands will each lead a club or organization float. In previous years, Maine and Leyden high school bands have played in the Racine event.

Parents warned on use of air rifles within village limits

Police Chief Carl H. Skoog issued a warning this week to parents whose sons own air rifles.

Their use within the corporate limits is illegal. Numerous complaints have been received that windows are broken, song birds killed and other damage done by the rifle owners. The destruction of street lights has reached a high figure.

"If your child wants to use an air gun, fix up a range in your basement or supervise his use of the gun," says Chief Skoog.

"Police officers have orders to pick up all guns being carried on the streets. Parents of juveniles are liable for damage their offspring may cause.

"The pellets used in the guns can cause a lot of damage, possibly endanger the eyesight or cause a permanent injury."

New food store opens in Arlington Crest

The Midway Food Market, located at Northwest highway and Wilke road, Arlington Crest, is now open for business. The market, which is under the management of Gene Theobald, will be open seven days a week, from 8:00 a.m. to 10:00 p.m.

Fresh fruits and vegetables, groceries, and lunch meats are available to patrons. Delivery service is also offered by the store and may be had by calling Arlington Heights 2025-R. In the near future they expect to handle freshly dressed chickens.

Deny zone change at Arlington Heights and Rand road

The County Board Thursday denied a zoning change from farming to a business, tavern and amusement district for the two and three-quarters acres on the northwest corner of Arlington Heights road and Rand road in Wheeling township.

The petitioner, Frank Mueller, 4623 North Western avenue, Chicago, told the board he acquired the property in December, 1946. The zoning board held he should have known of the zoning ordinance when he purchased the property.

On the property at present is a barn and residence. Mueller planned to remodel the barn and operate a restaurant and tavern. Twenty-five persons objected to the change.

How the women would do it

The wife of an Arlington Hts. alderman attended the Monday night session of the village board to get first hand information as to why board meetings last so long, why her husband's clothes reek of tobacco when he does get home, and to get the answer to a multitude of other questions.

She stayed on the job until adjournment at 11:30 p. m., with a lot of her questions unanswered, but convinced that a village board of women could do just as good a job.

SHE HEARD some harsh words thrown about the council chamber when two attorneys got their "dander up."

"A group of women could have staged just as good a battle," she told her husband when he got home."

She told the reporter of the Herald, "I wish some of the other wives of the aldermen could have been there and learned how nonchalantly their husbands paid monthly bills totaling $6,500. I never knew a dollar could mean so little to a man before."

It was a different story when the aldermen learned that the defunct Firemen's auxiliary had a check for $350 that the treasurer thought should rightfully go to the regular fire department. Those 350 dollars looked big to those board members.

IN ACCEPTING the check they refused to give any assurance that the money would reach the firemen. They thought the check would just about square up the cost of a piece of "junk" (the Mayor called it) the village had purchased from the government several years ago at the recommendation of the fire chief.

"Men are just as stubborn as women," was another comment of the investigating wife. The aldermen flatly refused to compromise on a zoning matter, even if 140 home owners are on the other side of the fence.

"I did learn that men are just as slow in buying new equipment for the municipality as they are in buying labor saving things for their homes, and that there is more than one way to skin a cat."

"WHEN THE official ok for the purchase of some office equipment was delayed, one village department considered that an emergency existed. The equipment was ordered, arrived, and the board necessarily paid the bill. If more wives followed the same plan they would be getting new household appliances a lot quicker and easier."

The aldermen were told that there has been $125 resting undisturbed for several years in one corner of the treasury. At the suggestion of the village treasurer, it will go into the general fund. A woman would have taken that money out of moth balls a long time ago.

"I guess it is human nature for a man to postpone a disagreeable job. That must be why the parking problem is still with us and also why Alderman Hoffie asked if the proposed widening of Dunton and other streets was to be a 1948 or 1949 project?

"I will compliment the men on their good taste in discussing family troubles within the bosum of the family. They are meeting Tuesday night in executive session to discuss the status of the big sewer judgment that may be added to our future tax bills. "

"I REALLY enjoyed the evening. To the credit of the aldermen I want to pass on to the wives that they refused an invitation to 'coffee and sandwiches' given to them as they adjourned at 11:30 p. m.

"I pass on this suggestion to the wives of our village dads. Be patient with your husband; one village board meeting is more wearing on the male species than a Sunday morning in the vegetable garden."

Editor's note: The alderman's wife who sat in on the board meeting Monday night refused to be quoted, but the reporter thinks that the above story of her reactions is more right than wrong.

Former bank directors ask return of $2,500

Five directors of the defunct Arlington Heights State Bank, thru Attorney Fred Schuener, are asking the village of Arlington Heights for return of $2500 paid by them over 15 years ago. They had guaranteed the amount of village funds on deposit in that bank and the $2500 represented a first payment on that guarantee. Ultimately the village was reimbursed by the insurance company which had issued the bond on the treasurer.

The claim is being investigated to learn if the payment received by the village from the insurance company covered only the money in the closed bank.

Auxiliary fire department, thru its treasurer Carl Hoeft, tendered a check for $349.25, representing the balance in the treasury of that war time organization. He asked that the money be turned over to the regular fire department.

Attorney Dahlgren representing the Northwest Community Betterment group asked that the village deny a building permit to Arlington Prefabs to maintain a sales lot at Northwest highway and Wilke road. He was informed that under advice of attorney, the permit will be granted after the filing of a bond requiring removal of all buildings within one year. Dahlgren questioned authority of the president to authorize a permit for an illegal structure. Residents of Arlington Park voiced their willingness to accept such a provision.

SANITATION committee was authorized to replace one of the bowl assemblies in a pump at the treatment plant and order a second one for an emergency. Existing type of pump has become obsolete and repairs will be difficult to obtain.

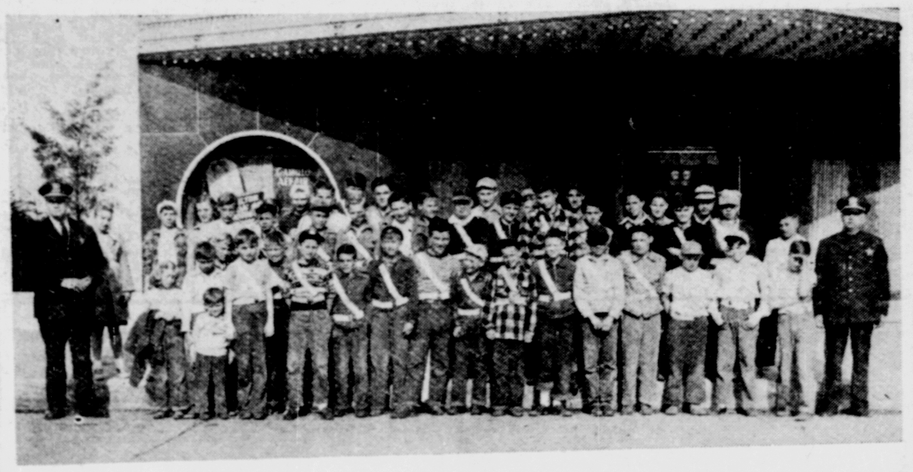

Village treasurer was authorized to transfer $125 from the inactive equipment fund to the general fund. Alderman Hoffie was named a member of the finance committee, taking the place of Alderman Franke, who has resigned.

The village will install street signs, but has not the funds available for their purchase. Areas desiring new signs can secure them on that basis.

Twenty-five arrests by the police netted $153 the past fifteen days.

EASTWOOD subdivision can install public sewer and water services on a progressive basis as property is sold provided a recognized engineer supervises the work. Bills and payroll approved for payment totaled $6,491.72.

Arlington theater host to Arlington patrol boys

Arlington Theater was host to the above patrol boys Saturday afternoon, as part of the program inaugurated by the police department and the vil lage board of Arlington Heights.

Mayor Goedke started the ball rolling proclai ming Saturday, May 15, 1948, as Safety Patrol Day in the village, honoring the boys who give so much of their time to safeguarding the life and limb of our school children. Don Knapp immediately offered a free show to the patrol boys, and the village officials provided the necessary funds to see that all the kids got an ice cream sundae or soda after the show.

Plans are under way to honor the patrol boys with a free ball game at Cubs park. However, no definite date has been set as yet.

Mass meeting called at St. Peters to discuss building plans

St. Peter Lutheran church, Arlington Heights, will hold a mass meeting of all communicant members in the church building Sunday afternoon, May 23, at 2:30. The meeting is called by the planning committee. Plans for an extensive building project in the church and school will be presented, but in particular a practical plan of financing the building operations will be discussed.

Included in the building plans is a recreation or youth building. This structure will be the congregation's answer to the "Youth Call" which will be conducted in all districts of the Lutheran church, Missouri Synod, Sunday, by proclamation of the president, Dr. J. W. Behnken.

The invitation to this meeting, therefore, goes out to the fathers and mothers and to the youth of the church as well. The Rev. L. V. Stephan, pastor, will open the session with prayer and song.

Ask zone change for trailer camp near Arlington

A petition by John Hedrich, 6309 West Diversey avenue, Chicago, to rezone the 23 acres on the east side of Wilke road about 500 feet north of Central road in Wheeling township from a farming to a business district Wednesday was referred to the zoning board of appeals by the County board public service committee.

MERCHANTS DELIVERY PUTS NEW TRUCK IN SERVICE

The business accorded Herbert Kolle, operator of Merchants' De-Delivery Service, necessitated the purchase of a new Chevrolet truck which is now in service. Herb, in one year's time, has built up an excellent business, giving a service that is appreciated by merchants, businessmen and the general public.

His slogan is "If you want it delivered, call 1317." He specializes in delivery of store orders.

Fireman Winkelman urges check-up for fire hazards

Fire Chief Elroy J. Winkelman has issued a plea to all citizens of Arlington Heights to cooperate in Spring Clean-Up to safeguard the community against fire, accidents, disease, and to improve its appearance.

For the home check-up Chief Winkelman suggests that householders:

Get rid of all rubbish and papers in the attic, closets, basement, yard and garage. Tie them into bundles for salvage.

CHECK STOVES, furnaces and heaters. Have all repair work done now. See that floors under stoves are protected by metal, bricks, or cement. Insulate all burnable material subject to heat radiated from stoves, furnaces, and pipes. Empty hot ashes into metal containers. Clean chimney and check for cracks, loose bricks and mortar. Place metal screens in front of fireplace. Place portable heaters so they can't be knocked over.

Distribute enough ash trays in convenient places for smokers. See that matches are out of reach of young children and placed in safe containers.

Check gas connections on portable heaters. Shut-off valves should be located on pipe before rubber tubing.

NEVER USE gasoline, benzine or naptha for cleaning. Don't quicken a sluggish fire by pouring on kerosene, it may easily flame out of control.

Destroy paint rags and oily cleaning cloths or put them in a metal container with a cover. Hang up oily mops so that air can circulate through them.

Inspect all electric service cords and connections on lamps and appliances. Use only 15 ampere fuses for household circuits. Never permit "bridging" of burned-out fuses with wires or coins. Such practices remove all protection against "shorts" or overloading of circuits.

Self-inspection guides prepared by The National Board of Fire Underwriters are ready now at Fire Department headquarters in Arlington Heights.

VFW and Legion Memorial Day parade set for May 31

Memorial day exercises in Arlington Heights will be held Monday, May 31, and will be sponsored jointly by Arlington Heights VFW post 981 and American Legion Merle Guild post 208.

Exercises for the day will be opened by a parade starting at 10 a. m. All groups, including churches, schools and military groups, are invited to participate in the parade, which will be formed at 9:30 a. m. at South school on Mitchell street.

On May 31, Memorial Day is celebrated in memory of the honored dead of all wars in which the United States participated. Flags will be half-masted until noon on that day.

Parade Marshal is S. Greschner, assisted by Joe Wisersky and Otto Masny.

The parade will then proceed to Memorial park where the Lions club will donate a bronze plaque honoring servicemen and women of World War II. Dedication of the plaque will be by Otto Wulbecker, Lions club president. The tablet will be placed in Memorial park adjacent to a monument honoring World War I veterans.

Rev. C. Victor Brown of First Presbyterian church will give the invocation and closing prayer.

Main speaker of the day will be Lt. Col. Lauris M. Eek, of Chicago, Fifth Army veteran of World Wars I and II. At present he is public information officer at Fifth Army headquarters, Chicago.

Post 981 firing squad will salute the dead, the roll of honor will be read by Commander John Otzen of Merle Guild post 208 and an address from General Logan will be delivered by Commander George Svetanoff.

After wreaths are placed by the Ladies auxiliary, all groups will proceed to Euclid cemetery. The graves of Comrade Oeflein, first commander of VFW post 981, and Comrade Merle Guild, of the American Legion, will be decorated with full military honors.

The U. S. army will furnish staff cars for disabled veterans and Gold Star mothers. Call Arlington Heights 173-R for further details.

'Need advisory committee to remain on job'

— Studtman

When Paddock Publications published last week's tax story, the editor did not know that said story would open the flood gates on Theodore Studtmann, Wheeling township assessor. He is still swimming as tax payers keep his phone busy and bring their bills to his office.

The Wheeling assessor is innocent.

With the exception of a very small part of the tax bills all of the money being collected goes to local taxing bodies, who decide how much money they need. If the Illinois Department of Revenue had allowed the assessor's figures to remain, no person would have been faced with an unjust valuation or would he be called upon to pay more than his share of the taxes needed by the village and the schools.

The dollars and cents increase was due to the action of local taxing bodies. The valuation increase was done by the boys in Springfield.

Mr. Studtman agrees with his advisory committee that the state has acted unjustly, but he is asking that they remain on the job and assist him in correcting any unjust figures that it is possible to change.

A $2.00 a foot frontage valuation is the lowest that is placed on any vacant property, yet complaints are sometimes received from owners who have been favored with the low figure.

Need carpenters and painters to complete John Martin home

The completion of the John Martin home on N. Warren avenue, Arlington Heights this coming week end will depend on the number of volunteer carpenters and painters who will help this blind veteran by donating their services.

With good weather in sight and enough workers on the job, the house can be completed.

Various agencies are holding benefits for the John Martin fund. A soft ball game Sunday under the sponsorship of Herman's Jolly Boys netted $105.11.

The traveling bank at Mar Johnson's yielded $45 during the two weeks period.

A benefit bakery sale will be held Saturday afternoon by the Hi-Pal club at the Public Service store.

Additional $25 contributions have been received by the committee.

Offers of furniture, dishes, blankets, clothing and other household items would be greatly appreciated. Interested persons can contact the Martins at 2078-RX.

Northwest Community Betterment group elects new officers

Robert Lockwood was elected president of the Northwest Community Betterment group Tuesday night at a meeting held in the field house. Other officers are John Butler, vice-pres.; D. R. Swift, secretary and Spalding Webb, treasurer.

This group represents the area west of Arlington Heights high school north of Northwest highway, west to the village limits. Its purpose is the advancement of that section of the town safeguarding its residential sections from undesirable construction and uses. It is a young organization but has already made itself felt in many ways.

A resolution was passed Monday night protesting the maintenance of a prefab sales lot and the construction of a building to house a roller skating rink. The group has gone on record as supporting equal enforcement of village and zoning ordinances.

One of the projects now under consideration is the rezoning of the remaining business property on the Northwest Highway.

Palatine man dies as train reaches Arlington Heights

John H. Nelson, Palatine, died from a heart attack Monday afternoon, while on a Chicago and Northwestern train between Mt. Prospect and Arlington Heights. As the train pulled into Mt. Prospect he was stricken. The train stopped in front of Dr. Wolfarth's office, but the doctor was not at home. A message was phoned to Arlington to have a physician and ambulance meet the train.

DR. ELFELD and the Fairbanks ambulance were at the station. The doctor declared the man dead and the body was removed to the Fairbanks undertaking parlors. A coroner's physician made an inquiry and issued a burial permit.

Funeral services are being held Thursday afternoon at 4325 Armitage ave., Chicago, with interment in Mt. Olive cemetery. He leaves a wife, Mae; two sons, John H. Jr. and Robert G. and a daughter, Arlene Mae.

Mr. Nelson was a member of Boulevard Lodge No. 882 A. F. & A. M. and the glassiers union, local No. 27. and had been a resident of Palatine 16 years. He operated a tourist cabin on Rand road.

Military funeral for Melvin Preston by ex-service men

Arlington Veterans of Foreign Wars and American Legion post accorded a military funeral Wednesday morning honoring 1st Lt. Melvin R. Preston, whose remains had been brought home from Chitsoe, Japan, where he was killed last month.

Following services in St. James church, the funeral cortege, after stopping a moment in front of the family's home on Palatine road, journeyed to St. Adalbert's cemetery, Niles, where the military honors were given.

Request crossing gates at Wilke road

A request to the County board to improve the crossing on Wilke road and Euclid avenue at the crossings of the Chicago and Northwestern railroad tracks south of Northwest highway, Thursday was referred to the highway department.

The request came from the Northwest Community Improvement Group of Arlington Heights, signed by James Colvin, secretary. He requested the erection of crossing gates with warning signals. The communication stressed the need for such crossings because of heavy traffic, which is especially severe during the six week racing season at Arlington Park.

Warning to motorists: beware of US 14, a 'jinx' to speeders

There must be something about U.S. 14, or Northwest highway, that tricks auto drivers into getting speeding tickets, calling them to Judge Neumann's court, Arlington Heights at Wednesday morning sessions.

Evidence of this fact is that of seventeen speeding arrests made last week by Arlington Heights police, fourteen occurred on that highway. Of the total fines of $157.00 taken in during the week, $100.00 was added to village revenue by the speeders.

James K. Lee and Jerome Halburg, both of Arlington Heights, were fined $4 each plus $3 each court costs for exceeding the 30 mile per hour speed limit on the highway.

Other speed violators were from Des Plaines, Chicago, Cicero, Ohio and Minnesota.

"One way or another, Arlington Heights and its police force will become famous throughout the country," Judge Neumann commented.

Two juvenile lawbreakers, both from Mt. Prospect, pleaded guilty to installing Hollywood or Smitty mufflers in their cars. Both appeared in court Wednesday morning to answer charges of violating village ordinance 56, creating unnecessary noise.

"Maybe you're both happy that spring is here," the Judge stated, "but leave the spring sound effects to Robins and other birds who don't annoy folks in the middle of the night."

Scout Court of Honor Friday night

A Scout Court of Honor will be held at the Mount Prospect public school Friday evening, May 21, at 8:00 p .m. The Court will be conducted on a district wide basis with troops from Arlington Heights, Prospect Heights and Mount Prospect participating.

Ralph Clabaugh, chairman of the court, has announced that troop 23 of Mount Prospect will serve as the host troop. Parents and friends are invited to attend.

'One more week' is theme song of tax collectors

Tax bill possessors have just one more week to pay their taxes to township collectors.

Penalty date at the county building is June 1, but township collectors have set Friday, May 28, as their final day since they must get their books in order over the Decoration day weekend to be returned to the county treasurer's office.

It would be wise for anyone who hasn't yet seen his tax collector, to do so quickly during the next week.

Arlington board gets resignation of W. G. Franke

Arlington Heights village board regretfully accepted the resignation Monday night of Alderman W. G. Franke, whose business takes him to Magnolia, Arkansas. Mr. Franke has been head of the important finance committee and in the discussion of troublesome matters has frequently been the safety valve that has kept the village machinery running smoothly.

Village Clerk Davis was instructed by the board to acknowledge the receipt of the resignation and express the regret of fellow members that he has to leave Arlington.

More than 400 attend band carnival at Arlington Hi

More than 400 people who attended the band carnival at Arlington Heights township high school last Tuesday saw Nancy Nichols win the coveted Queen title.

Miss Nichols will preside over the spring conference track meet, where she will bestow the trophies. Her prize at the carnival was a portable radio. The other four contestants also received prizes.

Proceeds from the carnival totaled $375 for the band, from its share of the concessions and the queen contest, and approximately $120 for the clubs sponsoring booths or side shows.

Band proceeds will be used to pay for new choral robes and to finish paying for band uniforms.

The band carnival was under the supervision of Frederick Schmoyer, head of the music department.

A feature article on the carnival, written by the high school students, can be found elsewhere in the paper.

Buddy Poppy sales to honor dead by helping the living

Poppy day will come to Chicago and Cook county area for the 26th time on May 22, 24 and 29.

More than 12,000 volunteer workers will sell, on street corners throughout the city and most of Cook county, cloth replicas of the little red flower which grows wild in France and Belgium and was immortalized by Co. John McCrea in his poem "In Flander's Fields."

Volunteers will offer the memorial flower of the nation's war dead for sale, accepting whatever contributions passers-by can afford.

Proceeds are earmarked for three veterans' organizations comprising the Veterans Poppy Day Association of Chicago, American Legion, Veterans of Foreign Wars and Spanish-American War Veterans. Funds also

Arlington Heights VFW post 981 will conduct its Buddy Poppy campaign Saturday, May 22, in the City of Good Neighbors. Chairman of the local drive is James Hauff. Canvassing will be done by the VFW auxiliary, assisted by Arlington Heights Campfire Girls.

will go for rehabilitation of wounded, disabled and needy war veterans and children and widows of dependent veterans.

Some 12,000 veterans of the Spanish-American and both World Wars are confined in hospitals in Chicago and the rest of Illinois. Nine thousand of them have been fashioning poppies in their respective hospitals and institutions since last November. They have earned more than $15,000 in pocket money for their labor.

Last year, 1,725,000 poppies were sold in Chicago. Net receipts were $203,149, an all-time mark. Officials hope this year an excess of 2,000,000 poppies will be sold in the city and 3,000,000 in the state as a whole. Sale of the symbolic flower this year is more important than ever because of the increased work assumed in organization service departments, which handle all matters relating to compensation and pensions for living veterans, death claims, death compensation for widows, minor children and dependent parents; bonuses; and insurance, funeral claims and claims for other monetary benefits.

Every year at Memorial day time, millions of Americans wear little red poppies in memory of men who lost their lives in World Wars I and II.

The story of how the poppy became the nation's memorial flower is one of a double line of trenches in Europe from 1914 to 1918. Into this area of death and destruction trampled by the heavy shoes of millions of fighting men, churned by shells of thousands of cannon, and blown full of ugly craters by mine explosions, came thousands of American boys in 1917 and 1918 to stop the horrible war.

As American soldiers struggled through shattered villages and across shell-torn fields, the only touch of life was the little wild poppies which even grew along the very edges of trenches and shell-holes. Poppies even sprang up and clothed the hastily dug graves of the dead.

In World War II, thousands more of America's young men died for their country. The poppy again has become the symbol of the dead and Americans wear it at this time to pay tribute to the brave young men who died in two World Wars.

Arlington wins NE track championship

Two thousand people witnessed Arlington track squad win the N. E. conference championship held at Arlington Wednesday night.

Table of points were:

Arlington	66
Niles	55
Libertyville	35
Leyden	35
Crystal Lake	17½
Lake Forest	16½

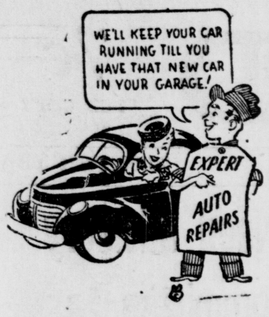

Three new records were set and two tied. Shot put, 440 Frosh-Soph relay, and 220 yard run records were broken. Records tied were 100 yard dash and mile medley relay.

Sports writer guest of Arlington Lions

The highlight of the Tuesday evening meeting of the Arlington Heights Lions Club was a talk by Wilfrid Smith, sports editor for a metropolitan daily. The program was under the direction of the sports committee and was held following the business meeting.

A fine trophy was presented to the winning team of the Lions bowling league. Those bowlers that were not members of the Lions club were present as guests.

The showing of the 1947 World Series baseball movies completed the program.

Obligation at 5:45, 7:00, 8:00, 9:00.

CHRISTIAN SCIENCE CHURCHES

The subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 16, was:

"MORTALS AND IMMORTALS"

The Golden Text was:

"As we have borne the image of the earthly, we shall also bear the image of the heavenly" (I Cor. 15: 49).

Among the citations which comprised the Lesson-Sermon were the following from the Bible:

"The Spirit itself beareth witness with our Spirit, that we are the children of God: And if children, then heirs; heirs of God, and joint-heirs with Christ . . . . For the earnest expectation of the creature waiteth for the manifestation of the sons of God . . . . Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God" (Rom. 8: 16,17,19,21).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"*Mortal man* is really a self-contradictory phrase, for man is not mortal, 'neither indeed can be;' man is immortal . . . . Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is coexistent and coeternal with that Mind . . . . Man is more than a material form with a mind inside, which must escape from its environments in order to be immortal. Man reflects infinity, and this reflection is the true idea of God. (pp. 478, 336, 258).

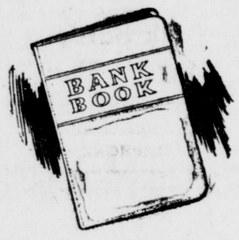

Arlington Cafe puts in new freezing unit

P. K. Ladas, proprietor of the Arlington Cafe, informed the Herald this week that he is having installed in his restaurant the latest in refrigeration units.

The new system is a blower type, which circulates the air over coils filled with freon, an odorless, colorless, non-explosive, freezing compound. This system will keep the humidity in the refrigerator at an even keel, allowing all the natural juices to remain in the meats stored. George Cerny of the Western Refrigeration Sales and Service of Des Plaines is doing the work.

Mr. Cerny said that the previous unit held 40 pounds of sulphur dioxide, which, if it should ever escape, would be deadly poisonous.

Mr. Ladas also intends to install a new floor, and put up a new sign, which will certainly give the Cafe the "new look."

Second Greatest Book on Earth

Next to the Bible, the pages of a bank book can furnish more inspiration, more satisfaction and greater comfort than any reading matter you have in the house. It's good medicine.

Make certain that little book gets tender care and the figures grow with regularity. Some day it will take good care of you.

ARLINGTON HEIGHTS

Final session Friday for Cubs

The final Pack meeting of the season for Cub Scouts of Arlington Heights will be held Friday night, May 21, at 7:30 o'clock at the South school gymnasium.

Features of the meeting will be the last presentation of achievement awards won by Cubs this school year, and the showing of the annual Major Baseball League motion pictures which stars the outstanding players of professional baseball today. Parents who share an interest in baseball with their Cub Scout sons are invited to attend the Friday meeting.

IN ADDITION to the presentation of achievement awards under the direction of Cubmaster Martin Freeman, there will also be an induction ceremony for boys who have become eligible to join Cub Scouting during the past few months. The ceremony will be conducted by Den No. 10, under the direction of Den Dads Charles Stadelman and J. D. Crittenden.

For this one evening, play in the Arlington Heights Cub baseball League will be suspended, but games will be resumed each Tuesday and Friday thereafter, as scheduled, on diamonds at Recreation Field and North School Field. Parents are invited to watch their boys participate in the baseball program also. Each game starts at 6:45 p. m., and spirited competition is displayed between the teams every game night. Winning teams in the league will be awarded trophies at the close of the season June 22.

Bake Sale to aid John Martin fund

A bake sale, sponsored by the Hi-Pal club of Arlington Heights and Palatine, will be held this Saturday, at 2:00 p. m., at the Public Service store, corner Campbell and Vail avenues, Arlington Heights. All the proceeds from the sale will go into the John Martin fund, which was established for the benefit of the war veteran who is now completely blind.

Anyone wishing to donate a cake, pie or cookies toward this benefit, should contact Mrs. Helen Brinkman, Arlington Heights 1785-J, or Mrs. Heloise Plumhoff, Palatine 422.

PASTOR'S WIVES DINE

The Lutheran Pastor's Wives Society held a spring luncheon in the Republic Building, State street, Chicago, last Friday, to honor the widows of Lutheran Pastors. A special musical program was enjoyed by all the guests.

Mrs. L. V. Stephan took as her guest Mrs. C. M. Noack, widow of the late Pastor Noack of the Arlington Heights St. Peter Lutheran church.

Obligation at 5:45, 7:00, 8:00, 9:00.

CHRISTIAN SCIENCE CHURCHES

The subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 16, was:

"MORTALS AND IMMORTALS"

The Golden Text was:

"As we have borne the image of the earthly, we shall also bear the image of the heavenly" (I Cor. 15: 49).

Among the citations which comprised the Lesson-Sermon were the following from the Bible:

"The Spirit itself beareth witness with our Spirit, that we are the children of God: And if children, then heirs; heirs of God, and joint-heirs with Christ . . . . For the earnest expectation of the creature waiteth for the manifestation of the sons of God . . . . Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God" (Rom. 8: 16,17,19,21).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"*Mortal man* is really a self-contradictory phrase, for man is not mortal, 'neither indeed can be;' man is immortal . . . . Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is coexistent and coeternal with that Mind . . . . Man is more than a material form with a mind inside, which must escape from its environments in order to be immortal. Man reflects infinity, and this reflection is the true idea of God. (pp. 478, 336, 258).

Arlington Cafe puts in new freezing unit

P. K. Ladas, proprietor of the Arlington Cafe, informed the Herald this week that he is having installed in his restaurant the latest in refrigeration units.

The new system is a blower type, which circulates the air over coils filled with freon, an odorless, colorless, non-explosive, freezing compound. This system will keep the humidity in the refrigerator at an even keel, allowing all the natural juices to remain in the meats stored. George Cerny of the Western Refrigeration Sales and Service of Des Plaines is doing the work.

Mr. Cerny said that the previous unit held 40 pounds of sulphur dioxide, which, if it should ever escape, would be deadly poisonous.

Mr. Ladas also intends to install a new floor, and put up a new sign, which will certainly give the Cafe the "new look."

Final session Friday for Cubs

The final Pack meeting of the season for Cub Scouts of Arlington Heights will be held Friday night, May 21, at 7:30 o'clock at the South school gymnasium.

Features of the meeting will be the last presentation of achievement awards won by Cubs this school year, and the showing of the annual Major Baseball League motion pictures which stars the outstanding players of professional baseball today. Parents who share an interest in baseball with their Cub Scout sons are invited to attend the Friday meeting.

IN ADDITION to the presentation of achievement awards under the direction of Cubmaster Martin Freeman, there will also be an induction ceremony for boys who have become eligible to join Cub Scouting during the past few months. The ceremony will be conducted by Den No. 10, under the direction of Den Dads Charles Stadelman and J. D. Crittenden.

For this one evening, play in the Arlington Heights Cub baseball League will be suspended, but games will be resumed each Tuesday and Friday thereafter, as scheduled, on diamonds at Recreation Field and North School Field. Parents are invited to watch their boys participate in the baseball program also. Each game starts at 6:45 p. m., and spirited competition is displayed between the teams every game night. Winning teams in the league will be awarded trophies at the close of the season June 22.

Bake Sale to aid John Martin fund

A bake sale, sponsored by the Hi-Pal club of Arlington Heights and Palatine, will be held this Saturday, at 2:00 p. m., at the Public Service store, corner Campbell and Vail avenues, Arlington Heights. All the proceeds from the sale will go into the John Martin fund, which was established for the benefit of the war veteran who is now completely blind.

Anyone wishing to donate a cake, pie or cookies toward this benefit, should contact Mrs. Helen Brinkman, Arlington Heights 1785-J, or Mrs. Heloise Plumhoff, Palatine 422.

PASTOR'S WIVES DINE

The Lutheran Pastor's Wives Society held a spring luncheon in the Republic Building, State street, Chicago, last Friday, to honor the widows of Lutheran Pastors. A special musical program was enjoyed by all the guests.

Mrs. L. V. Stephan took as her guest Mrs. C. M. Noack, widow of the late Pastor Noack of the Arlington Heights St. Peter Lutheran church.

Robert Briggs to marry

Mrs. F. E. Briggs, formerly of Arlington Heights, flew Friday from Sonoma, California in order to be here for her son, Robert S. Briggs' wedding, May 29.

Mr. Briggs will be married to Miss Helen Solar of Chicago at the Warren Park Presbyterian church. They plan to honeymoon in Colorado.

Also expecting to be at the wedding is Robert's older brother, Ralph, and his wife, who will come from Arlington, Va. for the occasion.

Crayfish

Crayfish eyes are dark at night and light in the daytime.

Bridal shower

Eileen Eberlein of Palatine was guest of honor at a miscellaneous bridal shower given by her aunt, Mrs. Harvey Rasmussen, Sr., Mrs. Harvey Rasmussen, Jr. and her cousin, Delores Rasmussen, Tuesday evening. Sixteen guests were present to view the opening of the many lovely gifts.

Miss Eberlein will be married June 5 to Fred Golchert of Des Plaines.

St. John's Evening Guild elects officers

The Evening Guild of the Mt. Prospect St. John's Episcopal church held an election of officers at its last meeting. The new officers are: president, Mrs. Curtis Parsons of Prospect Heights; vice-president, Mrs. Joseph Watt of Mount Prospect; treasurer, Miss Betty Miles and secretary, Mrs. Russel Thomas of Arlington Heights.

Evening Book club

The story of a minister who dared to live according to his philosophy of Christianity was ably reviewed by Mrs. E. J. Harhis, Wednesday evening, for the Evening Book Club of Arlington Heights.

"No Trumpet Before Him" by Nelia Gardner White, was presented before the group at the home of Mrs. Burton C. Bauer, 616 N. Dunton.

Wins music scholarship

Frank Pytlik Jr., son of Mr. and Mrs. Frank Pytlik, Algonquin road, Arlington Heights, has been awarded the music scholarship to Egyptian Music camp, DuQuoin, Ill., by Arlington Heights Woman's club.

Frank, 17, a junior at Arlington Heights township high school, won the music award after playing violin selections in competition with other Arlington music students from seventh to eleventh grades.

Egyptian Music camp is sponsored by Women's clubs of Illinois and is attended by outstanding musicians from the United States.

Frank is a violin student of Henri Karol Hayza, faculty member of Roosevelt college. He is a member of the first violin section of the Youth Orchestra of Greater Chicago, which presents two concerts annually at Orchestra hall.

The young violinist will attend the third, week-long session at the music camp, starting June 28. Nationally known conductors who teach at each week session of the camp include Gilbert Waller, orchestra, of University of Oklahoma; Paul Yoder, band, of Chicago; and Maynard Klein, Tulane university, and Noble Cain of Chicago, both teaching chorus.

As a junior in Arlington Hts. high school band and a performer before many local audiences, Frank has already achieved an excellent background for his ambition to become a professional violinist.

Shower bride-to-be

Thirty-five guests attended a bridal shower last Wednesday evening at the home of Mrs. Carl Jarmuth, Arlington Heights, which was given in honor of Miss Evelyn Dobner of Long Grove.

After the many lovely gifts were opened the guests enjoyed a social, which was completed with the serving of a delicious luncheon.

Miss Dobner will be married this Saturday to Robert Wagner of Elk Grove, brother of Mrs. Carl Jarmuth of Arlington Hts.

"PHOTOGENIC JANIE"

That's the pet name for 13-year old Mary Jane Hickey, of 3020 West Marquette Road. "Janie has always taken to Wanzer's Milk — she was a Wanzer baby," says her mother. "We believe that's the reason for her sound, perfect teeth." Mary Jane models for photo studios in her spare time and has a regular "pro" rating. Your own good health rating will be improved if you, too, follow the rule for health and beauty, "Three glasses a day, the Wanzer way." And by phoning Enterprise 6700 you're connected with GHQ — good health headquarters.

Muriel Schauer and Richard Smart marry

The Jefferson Park Evangelical Lutheran church was the scene last Saturday of the wedding of Miss Muriel Schauer, daughter of Mr. and Mrs. Charles Schauer of Chicago, and Richard Smart, son of Mr. and Mrs. Harry Smart, formerly of Arlington Heights. Rev. Eifrig tied the nuptial knot. Miss Naomi Vanley, sister of the groom, sang "Because" and "The Lord's Prayer," during the ceremony.

Miss Schauer, given in marriage by her father, wore an ice blue satin gown, having ruffled lace yoke and lace peplum, and ending in a long train. A tiara of orange blossoms held her lace edged, fingertip veil in place. Her bridal bousuet consisted of white roses with an orchid center.

Maid of honor for the bride was Dorothy Schwebke, and Shirley Waldbuesser and June Schauer, cousin of the bride, acted as bridesmaids. They were all dressed alike in off the shoulder light blue satin gowns, having ruffled necklines. They wore blue net mitts and carried deep pink roses and carnations, with a halo of the same kind of flowers in their hair.

Kenneth Hansen, friend of the groom, served as best man. The ushers were Harry Smart, Jr., and Joseph Smart, twin brothers of the groom.

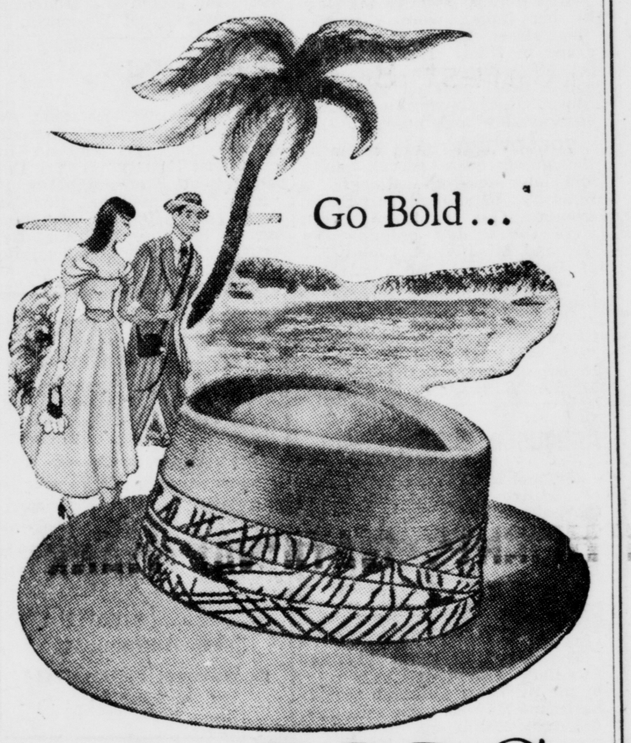

The bride's niece and nephew, Joanne Schauer and Larry Kirchner, served as flower girl and ring bearer. The flower girl was attired in a blue satin dress, styled similar to the bridesmaids, and carried a basket of rose petals, which she scattered as she came down the aisle.

Mrs. Schauer chose to wear a blue print dress for her daughter's wedding, and Mrs. Smart was attired in a green print dress. They both wore a purple orchid.

Immediately following the ceremony the bridal party and members of the immediate families had dinner at the Tally-Ho in Park Ridge. Later a reception was held at the Albany Park Masonic hall. The groom's sister, Mrs. Naomi Vanley, and his mother, Mrs. Harry Smart, Sr., both came from California for the wedding.

Robert Briggs to marry

Mrs. F. E. Briggs, formerly of Arlington Heights, flew Friday from Sonoma, California in order to be here for her son, Robert S. Briggs' wedding, May 29.

Mr. Briggs will be married to Miss Helen Solar of Chicago at the Warren Park Presbyterian church. They plan to honeymoon in Colorado.

Also expecting to be at the wedding is Robert's older brother, Ralph, and his wife, who will come from Arlington, Va. for the occasion.

Crayfish

Crayfish eyes are dark at night and light in the daytime.

Bridal shower

Eileen Eberlein of Palatine was guest of honor at a miscellaneous bridal shower given by her aunt, Mrs. Harvey Rasmussen, Sr., Mrs. Harvey Rasmussen, Jr. and her cousin, Delores Rasmussen, Tuesday evening. Sixteen guests were present to view the opening of the many lovely gifts.

Miss Eberlein will be married June 5 to Fred Golchert of Des Plaines.

St. John's Evening Guild elects officers

The Evening Guild of the Mt. Prospect St. John's Episcopal church held an election of officers at its last meeting. The new officers are: president, Mrs. Curtis Parsons of Prospect Heights; vice-president, Mrs. Joseph Watt of Mount Prospect; treasurer, Miss Betty Miles and secretary, Mrs. Russel Thomas of Arlington Heights.

Evening Book club

The story of a minister who dared to live according to his philosophy of Christianity was ably reviewed by Mrs. E. J. Harhis, Wednesday evening, for the Evening Book Club of Arlington Heights.

"No Trumpet Before Him" by Nelia Gardner White, was presented before the group at the home of Mrs. Burton C. Bauer, 616 N. Dunton.

Wins music scholarship

Frank Pytlik Jr., son of Mr. and Mrs. Frank Pytlik, Algonquin road, Arlington Heights, has been awarded the music scholarship to Egyptian Music camp, DuQuoin, Ill., by Arlington Heights Woman's club.

Frank, 17, a junior at Arlington Heights township high school, won the music award after playing violin selections in competition with other Arlington music students from seventh to eleventh grades.

Egyptian Music camp is sponsored by Women's clubs of Illinois and is attended by outstanding musicians from the United States.

Frank is a violin student of Henri Karol Hayza, faculty member of Roosevelt college. He is a member of the first violin section of the Youth Orchestra of Greater Chicago, which presents two concerts annually at Orchestra hall.

The young violinist will attend the third, week-long session at the music camp, starting June 28. Nationally known conductors who teach at each week session of the camp include Gilbert Waller, orchestra, of University of Oklahoma; Paul Yoder, band, of Chicago; and Maynard Klein, Tulane university, and Noble Cain of Chicago, both teaching chorus.

As a junior in Arlington Hts. high school band and a performer before many local audiences, Frank has already achieved an excellent background for his ambition to become a professional violinist.

Shower bride-to-be

Thirty-five guests attended a bridal shower last Wednesday evening at the home of Mrs. Carl Jarmuth, Arlington Heights, which was given in honor of Miss Evelyn Dobner of Long Grove.

After the many lovely gifts were opened the guests enjoyed a social, which was completed with the serving of a delicious luncheon.

Miss Dobner will be married this Saturday to Robert Wagner of Elk Grove, brother of Mrs. Carl Jarmuth of Arlington Hts.

"PHOTOGENIC JANIE"

That's the pet name for 13-year old Mary Jane Hickey, of 3020 West Marquette Road. "Janie has always taken to Wanzer's Milk — she was a Wanzer baby," says her mother. "We believe that's the reason for her sound, perfect teeth." Mary Jane models for photo studios in her spare time and has a regular "pro" rating. Your own good health rating will be improved if you, too, follow the rule for health and beauty, "Three glasses a day, the Wanzer way." And by phoning Enterprise 6700 you're connected with GHQ — good health headquarters.

Muriel Schauer and Richard Smart marry

The Jefferson Park Evangelical Lutheran church was the scene last Saturday of the wedding of Miss Muriel Schauer, daughter of Mr. and Mrs. Charles Schauer of Chicago, and Richard Smart, son of Mr. and Mrs. Harry Smart, formerly of Arlington Heights. Rev. Eifrig tied the nuptial knot. Miss Naomi Vanley, sister of the groom, sang "Because" and "The Lord's Prayer," during the ceremony.

Miss Schauer, given in marriage by her father, wore an ice blue satin gown, having ruffled lace yoke and lace peplum, and ending in a long train. A tiara of orange blossoms held her lace edged, fingertip veil in place. Her bridal bousuet consisted of white roses with an orchid center.

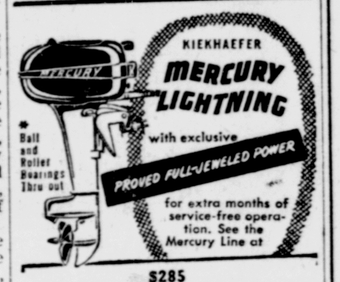

Maid of honor for the bride was Dorothy Schwebke, and Shirley Waldbuesser and June Schauer, cousin of the bride, acted as bridesmaids. They were all dressed alike in off the shoulder light blue satin gowns, having ruffled necklines. They wore blue net mitts and carried deep pink roses and carnations, with a halo of the same kind of flowers in their hair.

Kenneth Hansen, friend of the groom, served as best man. The ushers were Harry Smart, Jr., and Joseph Smart, twin brothers of the groom.

The bride's niece and nephew, Joanne Schauer and Larry Kirchner, served as flower girl and ring bearer. The flower girl was attired in a blue satin dress, styled similar to the bridesmaids, and carried a basket of rose petals, which she scattered as she came down the aisle.

Mrs. Schauer chose to wear a blue print dress for her daughter's wedding, and Mrs. Smart was attired in a green print dress. They both wore a purple orchid.

Immediately following the ceremony the bridal party and members of the immediate families had dinner at the Tally-Ho in Park Ridge. Later a reception was held at the Albany Park Masonic hall. The groom's sister, Mrs. Naomi Vanley, and his mother, Mrs. Harry Smart, Sr., both came from California for the wedding.

Bykota Circle meets

The Bykota Circle of the Arlington Heights Methodist church will meet May 25 at the church parlors, with Mrs. A. D. Hines, Miss Laura McElhose and Mrs. C. F. McElhose as hostesses. There will be a discussion on missionary work in Italy and a film on Rome.

Bells ring for Dolores Henke and Frank Yule

—Daniels photo

A quiet home wedding Friday afternoon united in holy matrimony Miss Dolores Henke, daughter of Mr and Mrs. Walter C. Henke of Arlington Heights, and Frank Yule, son of Mr. and Mrs. Charles I. Yule of Oshkosh, Wis. The couple said their vows after Rev. C. Victor Brown, before the narcissus decorated stairway of the bride's home. Lilacs and lilies-of-the-valley also adorned the room.

Miss Henke, given in marriage by her father, wore a powder blue street length dress, with drape in front. Her attire was set off with white accessories and a pearl necklace and earrings. Her flowers were lily-of-the-valley and nosegay.

FOLLOWING the ceremony the guests were served punch and later enjoyed dinner at Simson's, Rand road and Euclid avenue. Out of town guests were the bride's grandparents, Mr. and Mrs. W. R. Cloud, Sr., of DePere, Wis.; Mr. and Mrs. A. C. Winnan of Park Ridge; the groom's parents from Oshkosh; Mr. and Mrs. W. R. Cloud Jr. and Karen from DePere, Wis.; Mr. and Mrs. A. H. Henke of Prospect Heights, and Mrs. A. W. Bahusky of Chicago.

Mr. and Mrs. Yule spent a short honeymoon at Starved Rock Lodge, Starved Rock, Ill. They will stay with Mrs. Yule's parents until the first of June, at which time Mr. and Mrs. Henke and daughter, Elaine, will move to San Francisco. The young couple will spend the summer in Door County, Wisconsin and make their home in Madison, Wisconsin in the fall, where the groom is a student at the University of Wisconsin.

Now a Tri-Psi

Mrs. Walter F. Karstens, Arlington Heights, was formally initiated into Tri Psi, an International Society for Tri Delt mothers, on Thursday, May 13.

Mrs. Karstens spent this last week end with her daughter, Esther, for the Mother's Day festivities at Beloit college, Beloit, Wisconsin.

Announce engagement

Mr. and Mrs. Edwin Engelking of Arlington Heights announce the engagement of their daughter, Myrtle, to Elroy Meier, son of Mr. and Mrs. William L. Meier.

Bake Sale Tuesday

The Lutheran Child Welfare Auxiliary will hold a bake sale in the St. Peter Lutheran school basement May 25. The sale will begin at 2:00 p. m.

Missionary league meets

The Lutheran Women's Missionary league of the Arlington Heights St. Peter Lutheran church will meet Wednesday, May 26, at 8:00 p.m., in the school basement.

Rev. Andrew Schulze of Chicago, newly called missionary for the negroes of Chicago, will address the audience.

Mrs. Charles Klehm is chairman of the arrangements committee, and refreshments will be served.

Rummage Sale

The ladies of Faith Lutheran church, Arlington Heights, will hold a rummage sale May 26. The sale will be held at 15 E. Miner street, and will begin at 9:30 a. m.

Legion Auxiliary notes

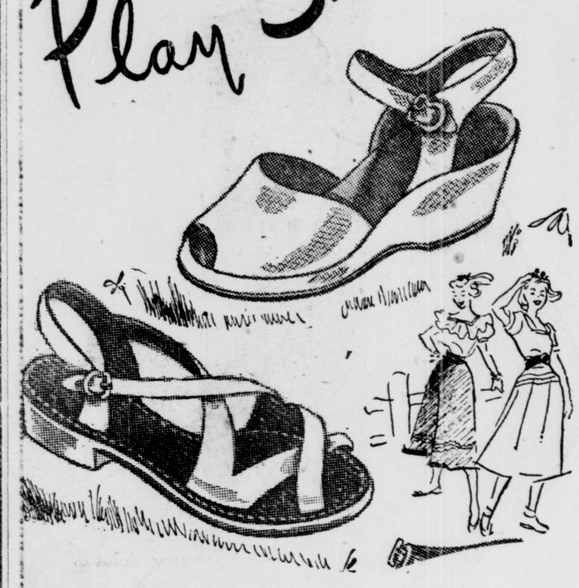

Tuesday members of Merle Guild Unit, the American Legion Auxiliary, met at the home of the Albert Russells for a social afternoon. The hostess served an attractive spring luncheon that held both taste and sight appeal. The centerpiece was a bowl of lilies-of-the-valley, which cast their fragrance over the room.

The president, Merle Holtz, brought a number of shirts to get the collars turned so that she could take them to Vaughn hospital.

Mesdames Holtz, Russell and Wisersky will attend the Ninth District meeting today, Thursday.

The patriotic associations of Arlington Heights are invited to attend the memorial services to be held in the Presbyterian church Sunday, May 30.

Tenth anniversary

A party, celebrating the tenth wedding anniversary of Mr. and Mrs. Myron Blum, Arlington Heights, was given Friday evening by Mr. and Mrs. Henry W. Moehling at the Legion home.

Dancing to the music of Bob Moehling's orchestra was enjoyed by the 125 guests attending. As part of the evening's entertainment the guests enjoyed several piano selections by Mrs. Frank Cizek, and Earl Blum of Chicago.

Mrs. Blum received an orchid and she and her husband both received many lovely gifts. Their wedding attendants, Mr. and Mrs. Herb Moehling, were also present. Mrs. Herb Moehling, Mrs. Henry W. Moehling, mother of Mrs. Blum, and Mrs. William Blum, also wore corsages.

Later in the evening a delicious luncheon was served.

Almost Magic...

Our dry cleaning recaptures the sparkling color your clothes had before soiling made them drab. From the time your family's clothes reach us — to the time they're returned to you immaculately clean, they get the best of care. Fabric, color and design play a part in determining the dry cleaning method and ingredients we use.

Bride-to-be showered

Miss Lucille Horcher, daughter of Mr. and Mrs. Anton Horcher of Arlington Heights, was honored at a shower last week Thursday given by several of her former classmates.

The bride-to-be was seated beneath a pink and white sprinkling can from which fell a shower of streamers, the ends of which were tied to many lovely gifts.

After the gifts were opened a social evening was enjoyed, followed by a buffet luncheon. Hostesses at the shower were Elaine Johnson, Betty Coy and Shirley Sanders.

Miss Horcher is being married today, Thursday, to Joseph Olinecki of Wood Dale.

George Mitsches married twenty-five years

Mr. and Mrs. George Mitsch of Arlington Heights celebrated their silver wedding anniversary last Saturday. Over 300 guests enjoyed dinner and dancing at the Oaza hall in Chicago.

The Mitsches have lived in Arlington Heights the past 15 years, moving here from Chicago. They have a daughter, Georgia Rose, and a son, Paul.

Silver wedding party

Mr. and Mrs. Joe Jirak of Arlington Heights were surprised last Saturday night when 35 of their friends and neighbors walked in to help them celebrate their silver wedding anniversary, and present them with a gift. Pinochle and group singing made the evening a merry one.

Later in the evening a buffet supper was served. It was a gay affair and one that the Jiraks and their friends will not forget.

Announce engagement

Mr. and Mrs. Donald W. Drake, 416 N. Douglas, Arlington Heights, announce the engagement of their daughter, Barbara Lee, to Neil Laurin, son of Mr. and Mrs. E. F. Laurin, 430 S. Evergreen, Arlington Hts. The wedding will take place in August.

Stork Feathers

Roger Allan Schmidt is happy over the arrival of a 10 pound baby sister, who was born May 17 at the Palatine Community hospital. He has named her Beverly Mae. The proud parents are Mr. and Mrs. Karl Schmidt of Mundelein, formerly of Palatine.

Leona Gaare, Raymond Graff exchange vows

Miss Leona Gaare and Raymond Graff were united in holy wedlock last Saturday at the Palatine Immanuel Ev. Lutheran church, by Rev. W. C. Koester. Miss Gaare is the daughter of Mr. and Mrs. William Gaare of Palatine, and Mr. Graff is the son of Mrs. Fred Graff of Crystal Lake.

Candles on the altar, which was also decorated with palms, white gladioli, and white lilacs, were lit by Jeanette Gaare, cousin of the bride, and Marilyn Hayford, second cousin of the bride. They wore aqua dresses and had yellow rose corsages.

During the ceremony Mrs. Rosina Wyatt sang "O Perfect Love" and "Because," accompanied at the organ by August Stelling. Mr. Gaare gave his daughter in marriage.

The bride was attired in a white satin gown, fashioned with fitted bodice, having a sweetheart neckline, trimmed with chantilly lace taken from her mother's wedding gown, and a full skirt and train. Her bridal veil of illusion was the one originally worn by her mother, and was fastened to a crown of satin and lace, which was also part of her mother's wedding attire. She carried a muff type bouquet of white roses and lilies-of-the-valley, having a white orchid center.

Mrs. Dan Trochim of Elgin, served as matron of honor and was dressed in apple green taffeta gown, styled with puffed sleeves and full skirt. Her muff type bouquet was of lilacs, and a headpiece of lilacs completed her costume.

The bridesmaids were Miss Irene Bergman and Miss Lorraine Schroeder, both of Palatine. They wore mauve taffeta dresses, styled identically to the matron of honor's, and also carried the same kind of bouquets.

Mr. Graff was attended by his brother, Harold Graff, as best man, and had Norman Gaare, brother of the bride, and Robert Frost as ushers.

The bride's mother wore a print dress and had a corsage of gardenias, while the groom's mother wore a print dress and had a corsage of white carnations. Mrs. Carl Larsen, grandmother of the bride, was attired in a print dress and wore a white carnation corsage.

Following the ceremony a reception for 200 guests was held at the Roselle Country club, where a buffet supper was served later in the evening. The Community Camera club was decorated with tulips and white lilacs, and a four tiered wedding cake formed the centerpiece for the supper table.

Mr. and Mrs. Graff are enjoying a motor trip through the East to Canada, Niagara Falls, New York City and Washington, D. C. They will be at home after June 1 at 239 N. Smith street, Palatine.

Given Stork shower

Mrs. Leonard Garasha, Arlington Heights, was honored with a stork shower given by the Ladies Missionary group of the Prospect Heights Bible church last Thursday afternoon at the home of Mrs. Ralph Burns in Arlington Heights.

After a few games and the gifts were opened ,the guests enjoyed refreshments.

Those present were Mrs. H. Fellows and Mrs. Harry Everson and two sons from Genoa City, Wis.; Mrs. Viola Garasha, Mrs. D. C. Foster and son, Mrs. F. C. Hieber, Mrs. K. O. Herrlin, all from Chicago; Mrs. F. Beaumont, Mrs. E. C. Green, Mrs. A. Joze, Mrs. R. Johlman, Mrs. H. Rodgers and Mrs. G. Smith and son, all of Prospect Heights.

Mrs. George E. Hieber, Mrs. Ralph Burns, Miss Alma Niman, Mrs. Ben Riley, Mrs. J. Swanson, and Timmy Garasha, all of Arlington Heights.

Announce engagement

Mr. and Mrs. Louis Bornkamp, 911 E. Euclid, Arlington Heights, announce the engagement of their daughter, Bernice, to James J. Hurley, son of Mr. and Mrs. James J. Hurley, of Oak Park.

Obituaries

Lt. Melvin R. Preston

The body of First Lt. Melvin R. Preston, son of Mr. and Mrs. John C. Preston, Arlington Hgts., was returned to the States from Japan for burial this week. Arrangements were made through Karstens - Fairbanks funeral home and services were held Wednesday at 9:30 a. m. from the St. James Catholic church.

Father John Lauer officiated and military rites were given by the Arlington Heights American Legion, Merle Guild Post No. 208, and the Veterans of Foreign Wars, Post No. 981. Interment was in St. Adalbert cemetery.

Lt. Preston was born September 10, 1923, in Chicago. He was educated in the Arlington Hgts. high school, from which he graduated in 1941.

In December 1943 he enlisted in the Army Air Corps and took pilot training at Sheppard Field, Texas, later flying B-24 bombers at Muroc Air Base, California, and Tonaph Air Base, Nevada. In May 1946 he left the United States for duty in Japan flying widespread air locations at Hawaii, Guam, Korea and Tokyo.

Lt. Preston was fatally injured April 14, when the plane he was piloting crashed during a landing in Japan.

He is survived by his parents, Mr. and Mrs. John C. Preston, and many other relatives and friends.

Irwin L. Weidner

Irwin L. Weidner, 36, of Dundee road, Arlington Heights, died May 11 at Sherman hospital, Elgin, after an illness of two weeks. He was born April 14, 1912, in Buffalo Grove. His wife Eleanor died one year ago in an automobile accident.

He is survived by his mother, Mrs. Mary Weidner; three sisters, Clara Nickol, Mildred Weidner and Leona Happ; and a brother, Harold.

The body rested in state at the home. Services were held Saturday, May 15, at 10 a.m. from St. Mary's church, Buffalo Grove, and burial was in St. Mary's cemetery, Buffalo Grove.

RAMBLE INN

By BILL NORTH

Well, this is the big week end. The week end that will require some little bit of recovering after it's over. Oh, but it is going to be a great Prom. Orv Schaeffer, president of the Junior class, has done a mighty job of preparing the decorations, band, refreshments, and everything else. Oh, and say, I just got a report from the weather man that May 22 will be a perfect night, and the almanac tells me a full moon will be in sight for those who need such things.

Don't forget all Seniors and Juniors and their dates are admitted free. All you have to do is just tell Mr. Grace that you are coming so they will be sure to have enough of that good punch.

So see you at the Junior Prom on May 22 from 9:00 to 12:30. Remember every girl will want to be there—every boy will have to go to be able to show his head in Heights Society again.

Y. C.

Boy, the coming week looks rough, tough and rugged. Finals! That awful word, that catastrophic nemisis to the school year. If you hear of an oil shortage in the next few days, you'll know it is caused by the high students burning it at midnight. So, all this columnist and Paddock Publications can say is Good Luck.

Y. C.

Congratulations to Doug Schimmel and Elizabeth Nichols who have been selected to attend the 1948 Boys State and Girls State. This is a great honor and they were well deserving of it. They were selected on the basis of scholastic record and activities and character. White Orchids, kids.

Y. C.

Oh, eye of night, aglow afar
Thy sight scans half this sphere.
Thou seest things from where you are
We cannot see so near.

Thou regent of the world beyond
The night is thy domain
You wax full bright, and then anon
Like kings, your glory wanes.

What melancholy moods are shown
In thy lucid, lunar light.
How eerie are the shadows thrown
Thou boding beacon of the night.

Thou emperor of the empyrean
Why dost thou pale at day?
Thou ruler of the midnight scene
Why must you ere give way?
Settle close oh mystic orb
Rest thine eyes on sights below
And see young hearts full of life
Gaily basking in your glow.

Youth Sunday

Youth Sunday will be observed by Faith Lutheran church in its services May 23. This date is the 55th anniversary of the Walther League, an organization for Lutheran youth.

The young people of the congregation will sit in a special section reserved in their honor, and the boys will serve as ushers during the church service.

Reverend Edgar Behrens, pastor of Faith church, extends an invitation to attend this service to everyone interested in the development of Christian Youth.

REDUCE LOSE 10-20 POUNDS

Safely, Sensibly! By Following the NEW Meltoway REDUCING PLAN

No drugs! No laxatives! No massage! If you're overweight due to overeating or because you can't resist fattening foods (not a glandular disorder), the Meltoway Plan helps you to start losing weight immediately. Meltoway Tablets are a dietary supplement to curb appetite and provide the body with necessary vitamins to retain vitality while reducing. Endorsement by physician recommended.

Flies to Switzerland

Miss Bernita Burns, daughter of Mr. and Mrs. Floyd Burns of Arlington Heights, left Saturday to fly, with her aunt and uncle, Mr. and Mrs. Fred G. Steffen of Mason City, Ia., to Switzerland.

After stops in Detroit, Mich.; Gander, Newfoundland; Shannon, Eire and Paris, France, they expected to arrive at their destination at Geneva, Switzerland, early on the morning of May 17. The actual flying time of the entire trip, which covers 5,289 miles, was estimated between 17 and 18 hours.

Miss Burns is a junior this year at Monmouth college. She expects to take a short course at a university in Switzerland, attend lectures and take a tour of Paris, France and Holland.

The Steffens and Miss Burns will not return to the States until September.

Brandt's bowling team tops Tri-City league

The Wednesday afternoon Tri-city ladies bowling league wound up the season with a luncheon at the Pantry in Park Ridge last week.

Brandt's pharmacy team came out on top, with Haberkamp's florist and Hook's nursery teams tied for second place.

Teams sponsored by Kruse's tavern placed third. Bud's Conoco service fourth and Wille Coal & Material service team fifth.

A special events gift donated by Busse-Biermann was won by Pat Hogate, with 119 pins over her average.

Winners at Anderson, Indiana, dog show

Mr. and Mrs. A. W. Herweg, Oakton st., Arlington Heights, of Elk Grove Kennels, had winners with their English Springer Spaniels at the Anderson Kennel club of Anderson, Ind.

Mac Mar's Dangerous Don took first in American bred males, winners dog, Best of winners, and moved on to take best of breed. Mac Mar's Lucky Ticket took first in puppy females. Champion Annabelle of Melilotus took best of opposite sex, and also received an A. K. C. Rosette ribbon in the parade of champions.

Bicycle Racing

Six-day bicycle races drew about four million people annually in the United States, up to 1938, dropped to 1,500,000 in 1939, and have not been conducted since.

A Priceless Gift For Your Family

by SIEBURG DRUG CO., Inc.

While working to give your family the comforts and some of the luxuries of life, it is easy to overlook the one thing that means most to them . . . your good health.

As long as Mother and Dad are in good health there is security and continued happiness in the family circle; pleasures of the moment and plans for the future can go on.

When you make it a habit to have your health checked once or twice a year by a physician, you are insuring that family security.

Medication when needed should be a prescription originating from the doctor's knowledge and experience, completed by a skilled pharmacist.

This is the 14th of a series of Editorial advertisements appearing in this paper each week.

130 students provide music for final PTA

Harold Brunt, music director of the Arlington Heights elementary schools, presented 130 of his pupils in a special music program last Tuesday evening for the final PTA meeting of the year.

The first part of the program featured the ninety-piece band in several well chosen selections. Special soloists were Bob Leihy, cello and Kermit Ford trombone. All selections were played in perfect tempo and interpreted with finesse. The second part of the program was turned over to the mixed chorus from the North school, which numbered 39 voices. They presented three selections in A cappela style with the poise of finished artists.

THE SPLENDID performance of these students refutes the oft repeated statement that our children are growing up to be listeners instead of musicians. Mr. Brunt is to be commended for the fine showing these students have made under his direction.

In a very impressive ceremony Mrs. C. B. Bydal, council president installed the following officers for the coming year: Mrs. E. J. Blair, president, Mrs. E. G. Emery, vice president, Mrs. Nat Burfiend, secretary, James Wood, treasurer, and Mrs. Mary Holtslaw, historian.

Refreshments were served at the close of the meeting by the kindergarten mothers who were hosts for the evening.

Club calendar

May—
20—Scarsdale Red Cross meets at home of Mrs. C. H. Maudsley, 705 E. Fairview, 1:30 p. m.
22—Rummage sale, sponsored by WSCS of Methodist church, at church, 9:00 a. m. to 12:00 noon.
22—Kupple Klub of Methodist church meets at 8:00 p. m., at the church.
22—Bake Sale, sponsored by Hi-Pal club, benefit John Martin fund, 2:00 p. m., at Public Service store, corner Campbell and Vail.
25—Bykota Circle meets at Methodist church.
25—Bake Sale sponsored by Lutheran Child Welfare Auxiliary in St. Peter school basement, 2:00 p. m.
26—Rummage Sale sponsored by Faith Lutheran church, at 9:30 a. m., 15 E. Miner street.
27—OES Stated meeting and Worthy matrons and patrons night, Presbyterian hall, 8 p. m.
28—Friday Book Review club
June—
5—Rummage Sale, sponsored by American Legion Auxiliary at Legion Hall.
12—OES public card party, Presbyterian Hall, 8:00 p. m.

Busy Beavers 4-H

Last Thursday the Busy Beavers of Arlington Heights, a beginners 4-H club, had their first sewing lesson. Also on the agenda was an election of officers. Those elected are as follows: Lois Sakelson, president; Nancy Neville, vice-president; Doris Rudolph, game chairman; Lulu Belle McDougall, program chairman; and Gloria Stephan, reporter.

The girls are sewing ballerina skirts, blouses, pajamas and aprons. The group meets on Thursday afternoons at the North school.

Gloria Stephan, Reporter.

Banquet a success

The Mother's and Children's banquet sponsored by the St. Peter's Mother's club last week, Tuesday, proved a real success.

Rev. L. V. Stephan gave an appropriate talk for Mother's Day as part of the program. A toast to mothers was given by Joyce Jannusch; Dennis Brockman entertained with an accordion solo; and Daniel Stephan did a piano solo. The group singing was accompanied by Ruth Gronert at the piano.

The featured attraction on the evening's program was Mr. Geirke, lightning calculator.

What will the future hold for this young war widow and her fatherless son? Will all the widows and orphans of our military dead receive the care and protection they have every right to expect from a grateful nation?

What would our war dead ask of us if they could speak? Would they have need to remind us of our promises? Would they ask us to recall our pledges of everlasting gratitude? Would they question the sincerity of our avowals to remember their sacrifices?

This appeal speaks for the members of the Veterans of Foreign Wars of the United States. We count it a privilege to help care for the widows and orphans, and for the country's disabled veterans—the comrades with whom we served on foreign soil or in hostile waters.

In offering the American people the opportunity to buy Buddy Poppies, we are giving our fellow citizens the honor of sharing a solemn obligation. The debt this country will always owe to its war disabled—and to the widows and orphans of its honored dead—belongs to all of us. It's a debt our people can never pay in full but one that will always have first claim upon our sense of honor.

Buddy Poppies are fashioned by disabled veterans in government hospitals. The sale of these symbolic flowers—by voluntary workers—enables us to do those things for the aid and comfort of widows and orphans, and disabled and needy veterans, that civic, state or federal agencies lack the power—or the human touch—to accomplish.

Remember this important fact. The proceeds of the annual sale of Buddy Poppies are devoted exclusively to the welfare needs of veterans and their dependents. Your dime — or your dollar—will help make possible the type of service for which there is no substitute—a service that is born of sincere, personal interest in the well-being of those whose lives have been so painfully disrupted by the circumstances of war.

The men who sleep in war dead graves ask nothing for themselves—least of all—our tears. But their souls will know no peace if we dare betray their faith in our loyalty to their loved ones—and their disabled comrades.

Buy a Buddy Poppy. Gain for yourself the satisfaction of knowing that you have not passed up the chance to "Honor the Dead by Helping the Living."

THE WHITE HOUSE
WASHINGTON

My dear Commander:

The VFW sale of Buddy Poppies is a worthy reminder that the welfare of veterans and their families is of continuing importance.

Supported by this annual poppy sale, the VFW National Home at Eaton Rapids, Michigan is performing a splendid work in behalf of the orphaned children of veterans.

The wearing of a Buddy Poppy this year is an excellent way to express approval and participation.

Very sincerely yours,

Harry Truman

VETERANS OF FOREIGN WARS OF THE UNITED STATES

What will the future hold for this young war widow and her fatherless son? Will all the widows and orphans of our military dead receive the care and protection they have every right to expect from a grateful nation?

What would our war dead ask of us if they could speak? Would they have need to remind us of our promises? Would they ask us to recall our pledges of everlasting gratitude? Would they question the sincerity of our avowals to remember their sacrifices?

This appeal speaks for the members of the Veterans of Foreign Wars of the United States. We count it a privilege to help care for the widows and orphans, and for the country's disabled veterans—the comrades with whom we served on foreign soil or in hostile waters.

In offering the American people the opportunity to buy Buddy Poppies, we are giving our fellow citizens the honor of sharing a solemn obligation. The debt this country will always owe to its war disabled—and to the widows and orphans of its honored dead—belongs to all of us. It's a debt our people can never pay in full but one that will always have first claim upon our sense of honor.

Buddy Poppies are fashioned by disabled veterans in government hospitals. The sale of these symbolic flowers—by voluntary workers—enables us to do those things for the aid and comfort of widows and orphans, and disabled and needy veterans, that civic, state or federal agencies lack the power—or the human touch—to accomplish.

Remember this important fact. The proceeds of the annual sale of Buddy Poppies are devoted exclusively to the welfare needs of veterans and their dependents. Your dime — or your dollar—will help make possible the type of service for which there is no substitute—a service that is born of sincere, personal interest in the well-being of those whose lives have been so painfully disrupted by the circumstances of war.

The men who sleep in war dead graves ask nothing for themselves—least of all—our tears. But their souls will know no peace if we dare betray their faith in our loyalty to their loved ones—and their disabled comrades.

Buy a Buddy Poppy. Gain for yourself the satisfaction of knowing that you have not passed up the chance to "Honor the Dead by Helping the Living."

VETERANS OF FOREIGN WARS OF THE UNITED STATES

TWO CONFERENCE FROSH-SOPH MEET AT ARLINGTON MAY 26

All events under lights next Wednesday

The eighth annual Northeast-Northwest frosh-soph track meet will be held next Wednesday night, May 26, at Arlington Heights high school with G. A. McElroy of Palatine and Athletic Director of Arlington serving as hosts.

The meet is the high point for strictly frosh-sophs in this area and again this year will provide plenty of standout competition under the lights on the Heights field.

SEVERAL meets in the two conferences this year have featured the starring of sophomore trackmen. This annual affair gives the yearlings of both conferences an opportunity to win more glory for their schools, plus a few ribbons for themselves.

Time of the meet is 7 p. m. for the field events, and 8 p. m. for the others.

Order of events

High hurdle preliminaries
100 yard dash preliminaries
High hurdle finals
100 yard dash finals
440 yard dash (heats against time)
Low hurdle preliminaries
220 yard dash (heats against time)
Low hurdle finals
880 yard run
Freshman relay
Sophomore relay

Last year

Arlington	54
Leyden	46½
Crystal Lake	41
Niles	36
Palatine	16
Barrington	15
Lake Forest	12
Bensenville	4½

NE - NW frosh-soph records

100 yard dash	Law, Woodstock	:10.6	1941
	Schaeffer, Arl. Heights	:10.6	1947
220 yard dash	Schaeffer, Arl. Heights	:24.2	1947
440 yard dash	Cowlin, Crystal Lake	:54.8	1947
880 yard run	Quaranta, Leyden	2:08.9	1945

Broad Jump	Wollar, Barrington	20' 5"	1941

MAC SAYS

BY GERALD McELROY

The state meet is where class really tells. Our hat is off to Byron Clark of Leyden who proved himself a great dashman last Saturday as he won second in the 220 and fourth in the 100 yard dash in the state track finals. No other boy from the local conferences placed at Champaign. Permer of Niles got into the 220 finals but was out of the points in the race that counted. The others did well to make the final six in their events.

Niles goes to sectional - whips undefeated New Trier

Baseball at Niles is really in high gear this year. The Trojans sewed up an undefeated Northeast schedule to date and then went on to win the sub district and district. Niles whipped undefeated New Trier, Suburban champ, 3-1 in the finals to go into sectional play this week. The sectional winner goes to the state tournament. The big gun in Niles successful season is Biehn, outstanding pitcher who held New Trier to three hits. Last Thursday Biehn held Bensenville to three hits. He had just one day of rest before setting New Trier down. The star Niles moundsman is the son of the principal of their school and appears to be headed for a brilliant college baseball career.

Week end of records

Last weekend was one of new records in the sports front. Mel Patton of Southern California broke the world's 100 yard dash record Saturday with a new mark of :9.3 as he nosed out Lloyd LaBeach, negro star of UCLA by inches. Harrison Dillard of Baldwin Wallace won his 67th individual track victory in a row to break the former mark of 66 held by Greg Rice. Dillard holds the world's record in the high hurdles. Calumet Farms set a new record for one day winnings by a racing stable with $167,170 as Citation won the $91,870 Preakness and Faultless took the Gallant Fox race in New York for $60,300 and Fervent finished second for $15,000 more.

Chicago suburbs monopolize spring sports championships

LaGrange won the state track meet on 15 points, the lowest total since 1929, but, strange to say, no state records were broken. A slow track Saturday held marks to mediocre time. Oak Park won both the singles and doubles championships in the state tennis tournament and Highland Park took the golf title. This gives Suburban Chicago a monopoly on spring sports championships with baseball still to be decided. Oak Park will be a strong contender in the baseball eliminations.

Strange thing about Highland Park's golfers. Arlington beat them by three to one and Waukegan, New Trier, and Evanston also took them in scheduled matches. They were the surprise of the Arlington district tournament and set just as deadly a pace in the state meet to come out on top.

Evans scholarship a real chance for smart caddies

Some facts concerning the Evans Scholarship were brought to our attention last week by Hunter Hicks of the Inverness Country Club. Information about this scholarship is worth passing on to our readers. Chick Evans, great amateur golfer, is responsible for starting a fund from which college scholarships are awarded to outstanding caddies. To qualify a boy must be a high ranking student in high school, be a regular caddy at some golf club, and need help to go to college.

Applications bearing recommendations from high school principal and the officials of the sponsoring golf club are filed. The best of the applicants secure all tuition for four years of college. Quite a number of scholarships are awarded each year in the Chicago area. It is a real incentive for a smart boy to be a good caddy. Personally we would like to have some good students of this area plan to qualify. It is an opportunity we believe few people know about.

Call attention to Frosh-Soph meet at Arlington

One of the finest frosh-soph meets in Illinois will be run off under the lights at Arlington High next Wednesday in the N. E.—N. W. Conference frosh-soph meet. This event is a joint project of the Arlington

(Continued on Page 10)

Card J-Vs lose to Niles but beat Evanston

by MARVIN PRELLBERG

The Arlington Jay Vee baseball team met a tough Niles foe on May 14 and dropped a 7-3 decision to the Trojans, but came back on Monday and downed the Evanston Junior Varsity by a 6-4 final tally on the home diamond.

In the Niles tilt, 4 runs in the bottom of the first by the Trojans and 2 more in the second gave them a 6-0 lead that the Cards never overcame and thus went down in defeat 7-3. Ray Huffman pitched the first 2 innings of the game giving up 6 runs on 4 hits and 3 walks, while fanning 4. Chuck Fischer took over from Huffman in the third and allowed just 1 run on 1 hit and 4 walks, while striking out five Niles' batsmen in three innings. Bruck started for Niles and pitched 6 innings, allowing 6 hits, 1 walk, and 2 runs, with 9 strikeouts. Hasfield finished the contest, giving up 1 tally, a walk, a hit, and striking out two Cardinals.

Huffman pitched the Cards to victory against Evanston with a 3-hit conquest, giving up just 1 run. Lefty Schroeder gave up the other 3 runs in the fifth and had to be relieved by Huffman, who had switched to the outfield. Huffman walked 3 and fanned 6 Evanston batters, and Schroeder gave 1 walk and fanned 2. Horswell chucked the whole contest for the visitors, giving up 5 walks and setting 9 men down on strikes.

Arlington	0	0	0	2	0	0	1-3	7	3
Niles	4	2	0	0	1	0	*-7	5	2
Evanston	1	0	0	0	3	0	0-4	5	2
Arlington	0	4	2	0	0	0	*-6	6	3

Bensenville runners lose to York reserves

Bensenville's trackmen were soundly trounced Saturday in a meet with York reserves, 100½ to 17½. Coach Trapp's boys garnered just one first in the dual, Pittman tossing the discus 126'6". Other points for Bensenville included Gaspar, 3rd in the high hurdles; Baker, 3rd in the 880; Kurz 2nd in the 440; Siek 3rd in the mile; Pittman 2nd in the shot, Currie 2nd in the pole vault; and Baker 3rd in the broad jump.

York reserves scored grand slams in the 100, low hurdles, 220, high jump, and copped the frosh and 880 relays.

Crystal Lake golfers fall to Arlington

by MARVIN PRELLBERG

Led by Vern Rascher's 77, the Arlington Varsity golf team completely smothered a Conference foe, Crystal Lake, in a dual meet held at the Laker's Lake Country Club last Monday by piling up 17 points and dropping only 1 for an overwhelming victory.

The locals now look forward to today's dual meet with the State champions, Highland Park, whom they beat in a match held at Mt. Prospect earlier in the season. A win over the Highland Parkers will greatly increase Arlington's prestige, and this match at Highland Park will most certainly be a hard fought match by both teams.

In the Arlington-Crystal Lake match, following Rascher's low of 77, Elwood Haake came thru with an 83 for second low, and three men tied for third low with 84s, namely Wade of Crystal Lake, and Tom Stockdale and Ralph Becker of Arlington.

Coming matches for Coach Larsen's golfers include Crystal Lake Friday, May 21, then a trip to Niles Monday.

Summary

Arlington			Crystal Lake		
Rascher	3	77	Wade	0	84
Becker	3	84	O'Connor	0	90
Stockdale	3	84	Kraus	0	97
Dressler	2	89	Rodorich	1	91
Prellberg	3	87	Baker	0	90
Haake	3	83	Babcock	0	92

NE golf meet next Thursday

Northeast conference golf meet is slated for next Thursday, May 27 at Mt. Prospect country club with Coach Curtis Larsen and his Arlington Heights gold squad serving as hosts.

Four schools will be competing in the race for the trophies, with the Crds favored to cop the meet. On past performances the Heights boys should win, having defeated most of their opponents to date.

But a "bad day" for one or two leading golfers could change the entire picture in conference golf competition.

Meet starts at 2 p. m. at Mt. Prospect. Schools that will compete include Arlington, Crystal Lake, Leyden and Niles.

Wheeling Cardinals gain 2-1 victory over Champ Turfs

The Wheeling Cardinals played their first league game in the Arlington Heights league Monday evening against Turf Billiards and came out on top in a close well played game 2-1. Highlight of the game was Chuck Hull's home run in the 3rd inning with nobody on. From the moment it left his bat everyone in the stands knew it was a homer. He crossed the plate without a play on him. It was all Hull in this first game as he pitched a beautiful game allowing but three hits while striking out 13.

It was a hard game for Becker, Turf's good pitcher who held our boys to three safeties.

The second and what turned out to be Wheeling's winning run came in the sixth inning. Lee fouled out to the catcher to open the sixth. Glueck beat out a hit to the infield. He went to second on a passed ball. Ed Welflin grounded out from second to first and Glueck went to third. Glueck scored when one of Becker's pitches went into the dirt and rolled to the backstop. Wickersham flied to left to end the inning.

The Wheeling Cardinals open in Libertyville league Wednesday night against Libertyville. The game starts at 8:30. Thursday Wheeling again plays at Arlington Heights, this time against El Rando.

Bisons lose to Niles in district

Coach Tom Meneguin's baseball squad at Bensenville high lost out in district play when their initial encounter was a losing venture to Niles, 6-1. It was even game until the last frame, when the Trojans pushed across four tallies.

Niles opened the game with two strikeouts. Comstock then hit safely, and stole season. Successive hits by Carlson and Biehn brought Comstock in to score.

BISONS tied it up in the fourth wnen Thollander ran out a two-bagger, and came home on an error. Then in the sixth Carlson hit for Niles, stole two bases, and came on home on an error.

Final frame found Blessing striking out, Garner getting a hit, stealing second, then third, and coming home on the overthrow. Three more runs were scored by Brown, Soergel and Linskey, all on errors.

Thollander and Biehn each struck out an even dozen.

Bensenville	ab	r	h	Niles	ab	r	h
Holstrum	2	0	1	Soergel	4	1	2

Barrington outruns Grant easily, 75-37

Barrington showed that they will be a strong contender in the Northwest conference meet by doubling the count on Grant Monday night 75-37. Baumann, Broncho ace, ran the 220 in :23.2 and broad jumped 20 feet 7¾ inches and took second in the 100 yard dash. Becker of Grant took the 100 and low hurdles. Best mark of the meet was in the high jump where Kirkpatrick of Grant cleared 5 feet 10 inches. Larsen of Barrington ran the fastest mile in the conference this year in 5:06.5 and a fine 880 in 2:12.2.

Schwarz no-hits Ela to 12-0 win over Wauconda

George Schwarz, sophomore Ela hurler, pitched the Lake Zurich team to a no-hit, no-run victory over Wauconda high, winning the Northwest Conference game, 12-0. Schwarz had fine support from his backstop, Jack Wendt, but needed little help from his other team mates as he struck out eighteen, walked none, and fielded two of the three batted balls. Prouty, at second, had the only other Ela fielding opportunity. Not a Wauconda player got on base during the seven inning affair.

Ela made eight hits of two Wauconda hurlers including a home-run by Prouty and a two-bagger by Jerry Wendt. Prouty's two hits in three trips led the batting.

Schwarz pitched a one-hit performance against Grayslake earlier this season. Fruday's victory gives Ela a season record, to date, of six wins and four losses.

Ela (12)	Ab	R	H	Wauconda (0)	Ab	R	H

Schwarz gains second no-hitter in row for Ela

Ela High of Lake Zurich coached by Melvin Eide won their fifth conference game of the season Tuesday as they shut out Grant 10-0. Schwartz pitched his second no hit game in a row and fanned 18 batters. Two men got on base as he hit one and walked another.

Ela scored five runs in the second inning and five more in the sixth as G. Wendt, J. Wendt, Prouty, Geary, and Regan each collected two safe hits. Prouty hit a homer with the bases loaded. Ela has won five and lost three in the Northwest Conference and has a season record of 7-4 for all games played with a team made up largely of sopohomores.

Card frosh nine mauls Niles, 14-5

by MARVIN PRELLBERG

A strong Arlington Freshman baseball team took the measure of Niles' Frosh team last Tuesday in a contest played on the Trojans' field by a 14-5 count.

The locals combined 7 hits off Niles' pitcher, Boehing, one homer by Bob Schulze in the fourth, 5 bases on balls, and 6 errors by the home team to chalk up a 14-5 victory in six innings. Twelve Arlington batsmen went down to pitcher Boehing in strikeouts. Arlington scored 8 runs in the second inning on just 3 hits.

Eugene Wille and Bob Fasick shared the twirling honors for the locals, allowing just 2 hits. Wille walked 1 batter, Fasick 5, and Wille fanned 2 and Fasick 3.

This was Coach Gene Bell's third win in three starts, holding two wins over Niles and one over Leyden. They will conclude their schedule this Thursday when they play a return game at Leyden.

SPORTSCOPE By JOE MAHONEY

Arlington nine downs Barrington squad, 13-3

by MARVIN PRELLBERG

Behind the 3 hit pitching of Chuck Johnson, Arlington's Varsity baseball team won its second straight victory in as many days in a non-conference tilt, as it downed the Barrington Bronchos by an overwhelming 13-3 margin Tuesday on the home diamond.

Johnson had a shut out and a 1 hitter going into the last inning, but was clubbed for 2 hits in the seventh, both for extra bases, and had his shut out spoiled with 3 opponent runs crossing the plate. Chuck fanned 10 Barrington batters and walked only 2.

NINE Arlington batters found the hit column in this game and poked out 11 safeties off McNichols, Shuett and Hick, which were good for a total of 13 runs. Ten Cards went down on strikes in the six innings and 4 received bases on balls.

After both teams were set down on strikes in the first, the locals finally rallied for 3 markers in the bottom of the second on singles by Bill Robinson and Fred Bista, a walk by Marv Berschet, and a fielder's choice by Johnson.

The Cards tallied two more in the third when Lefty Engelking, Berschet, and Ray Huffman each hit, to give the locals a 5-0 lead. Arlington got another run in the fourth on Johnson's fielder's choice and Ron Obermann's single, and 5 in the fifth on 4 singles, an error, and a hit batsman, to provide an 11-0 lead.

THE CARDS clinched it with 2 tallies in the sixth on Lloyd Meyer's fluke single, Bill Lancilotti's walk and 2 errors. Barrington notched its 3 runs in the seventh on Hick's opening double, a walk, fielder's choice, and another double, but this rally was a futile attempt, and the game ended with the locals winning their sixth victory in eleven starts by a 13-3 count.

West Chicago noses Palatine in track

West Chicago nosed out Palatine 60-58 in a dual meet last Thursday afternoon at the Du-Page County school. West Chicago won seven firsts and tied for another. Palatine won six and tied for another. Hank Spoo was Palatine's only double winner. Stephan won the broad jump but did not compete in other events due to the state meet the following day. Nelson in the dashes and Turnquist in the hurdles were double winners for West Chicago.

100 yd dash: 1 Nelson W; 2 Fox W; 3 Kendzie P; time :10.8.
220 yd dash: 1 Nelson W; 2 Fox W; 3 Anderson P; time :24.2.
High hurdles: 1 Turnquist W; 2 Steinbrinck P; 3 Orzolek P; time :16.5.
Low hurdles: 1 Turnquist W; 2 Steinbrinck P; 3 Orzolek P; time 24.6.
440 yd dash: 1 Newport P; 2 Dettman W; 3 Klein W; time :55.6.
880 yd. run: 1 Ruck W; 2 Ellis P; 3 Nerge P; time 2:18.3.
Mile run: 1 Neylon W; 2 Nerge P; 3 Ury P; time 5:10.4.
Frosh-soph relay: won by Palatine (Kendzie, Anderson, Loeber, Kagay) time :49.3.
Shot: 1 Spoo P; 2 Ross P; 3 Ruch W; Dist. 37' 11".
880 yd relay: won by West Chicago (Turnquist, Fox, Pazin, Nelson) time 1:39.8.
Discus: 1 Spoo P; 2 Pearson W; 3 Raymond W; Dist. 125' 5".
Broad jump: 1 Stephan P; 2 Pazin W; 3 Nelson W; Dist. 18' 10".
High jump: 1 Steinbrinck, Orzolek & Schwingel P; ht. 5'.
Pole vault: 1 Hestrup P; Kautz W & Dietz W tied 9' 6".

Barrington and Northbrook split

Hits did not mean wins as Barrington and Northbrook split a doubleheader last Friday afternoon. Barrington took the first game 8-6, though outhit 10 to 4. Then Northbrook, in the second game, got only two hits but won 4-2 though Barrington garnered six bingles.

Barrington beat Floyd, Northbrook's ace hurler, in the first game with Schuett, sophomore twirler, getting credit for the victory. Bob Koelper was the winner in the second game and McNichols of Barrington the loser.

Schildgen and Lesch each collected three hits during the double bill for Northbrook.

Arnold's par round sparks Voss team in Heights league

Due to Capt. Arnold's excellent playing the Voss Food shop went into a tie for 3rd place with Kitty Korner in the Arlington Heights Twilight Golf League. Lingren's Men's Wear team took 5 points from Eddie's Liquors to nose Dunteman's Dairy out of 5th place. With but 3 nights of play, all teams are still closely bunched, and all indications point to a very competitive race for first place. The team standings are as follows:

Arlington Bowling Lanes	19
Eddies Liquors	16
Voss Food Shop	15
Kitty Korner	15
Lingren's Men's Wear	12½
Dunteman's Dairy	12
Drewes Electric	12
Sieburg Drug	9½
Schiller Carpet	9
Hartman's Shoe Store	9
Mar Johnson	8
Arlington National Bank	7

Redwings open '48 season with 11-5 victory

The Arlington Redwings opened their 1948 season last Sunday with a 11-5 victory over the Neva Billiard team of the Midwest league. The game was a pitchers battle between Schaefer of the Redwings and Grecco of the visitors for five innings. Each allowed only one hit, but Arlington was ahead 1-0 as a result of Schieve's two base blast to right field which scored Gale Bach, the Redwings new shortstop.

In the sixth inning, Bill Stahlman, the Redwings rookie pitcher, who relieved Schaefer, doubled over the visiting left fielder's head with the bases full to start a 5 run rally which clinched the victory. The Redwings scored 5 more times in the seventh on 2 hits and 5 bases on balls.

ALTHOUGH Schieve and Wahl each collected two hits out of the total of seven for the club, the general rule was strike out formula with 12 Redwings being retired in that manner.

Next Sunday Crystal Lake will appear here as the opposition. They won their first game last Sunday and expect to offer plenty of competition.

The Redwings have four more games in which to prepare themselves for the opening game of the newly formed Northern Illinois league, which begins the league schedule on June 13. Judging from Sunday's performance the local club will have plenty of pitching and defensive strength. The hitting must be improved, however, but with four games to play the offensive should improve considerably.

Palatine golfers lose to Barrington and Bensenville

Palatine golfers lost two matches during the past week playing on the Inverness course. Northbrook beat the Pirates last week Wednesday 13½ to 4½. Monday Bensenville took the Pirates into camp 12½ to 5½.

Against Northbrook the scores were as follows: Pepper (P) 2½ Kennedy (N) ½; Shilkus (N) 3 Meyer (P) 2 Esp (N) 1; M. Rodney (N) 3 Greener (P) 0; Rodney (N) 3 Lorden (P) 0; Schulz (N) 3 Huenerberg (P) 0.

In the Bensenville matches the scores were Mueller (B) 2½ Pepper (P) ½; Silianoff (B) 2 Sievers (P) 1; Masotti (B) 3 Bob Meyer (P) 0; Lorden (P) 3 Harris (B) 0; Kellar (B) 2 Ralph Meyer (P) 1; Miller (B) 3 Greener (P) 0.

Next Monday May 24 the Northwest conference golf tournament will be held at Barrington Hills country club starting at 1:00. Northbrook is defending champion with but one boy lost from last year's team. Shilkus, small freshman, won the individual title last year, and is back better than ever as a sophomore

Cards outlast Elgin nine in 11-10 slugfest

by MARVIN PRELLBERG

Although collecting only 7 hits, Arlington's High School Varsity baseball team, thanks to the wildness of a quartet of Elgin pitchers, managed to pour across 11 runs in seven innings and outlast the Elgin nine in a slugfest 11-10, in a contest held at the Elgin field last Monday afternoon.

Arlington opened with a 2-run first inning, but Elgin nullified that with a 4-run rally in its half of the first. However, the Cards came through with 3 more markers in the second and from that point on were never headed. But in the last of the seventh inning, Elgin had Arlington on the ropes with 2 runs already in and the tying and winning runs on second and first respectively. However, Bill Robinson, who twirled the whole game for Arlington set the next batter down on strikes to end the game.

ELGIN outhit Arlington 14 to 7, but several of these should have been caught for outs by the local fielders who were having a bad day.

Robinson had much better control than the Elgin twirlers, walking just 1 and striking out 11. Arlington suffered its first casualty of the season when second string catcher, Lew Draper, who was slated to catch his first game in the absence of number one catcher, Bill Wiest, who was ill, broke his hand in the first inning on a play at the plate and will be out for the rest of the season.

TWO CONFERENCE FROSH-SOPH MEET AT ARLINGTON MAY 26

All events under lights next Wednesday

The eighth annual Northeast-Northwest frosh-soph track meet will be held next Wednesday night, May 26, at Arlington Heights high school with G. A. McElroy of Palatine and Athletic Director of Arlington serving as hosts.

The meet is the high point for strictly frosh-sophs in this area and again this year will provide plenty of standout competition under the lights on the Heights field.

SEVERAL meets in the two conferences this year have featured the starring of sophomore trackmen. This annual affair gives the yearlings of both conferences an opportunity to win more glory for their schools, plus a few ribbons for themselves.

Time of the meet is 7 p. m. for the field events, and 8 p. m. for the others.

Order of events

High hurdle preliminaries
100 yard dash preliminaries
High hurdle finals
100 yard dash finals
440 yard dash (heats against time)
Low hurdle preliminaries
220 yard dash (heats against time)
Low hurdle finals
880 yard run
Freshman relay
Sophomore relay

Last year

Arlington	54
Leyden	46½
Crystal Lake	41
Niles	36
Palatine	16
Barrington	15
Lake Forest	12
Bensenville	4½

NE - NW frosh-soph records

Broad Jump	Wollar, Barrington	20' 5"	1941

MACS SAYS

BY GERALD McELROY

The state meet is where class really tells. Our hat is off to Byron Clark of Leyden who proved himself a great dashman last Saturday as he won second in the 220 and fourth in the 100 yard dash in the state track finals. No other boy from the local conferences placed at Champaign. Permer of Niles got into the 220 finals but was out of the points in the race that counted. The others did well to make the final six in their events.

Niles goes to sectional - whips undefeated New Trier

Baseball at Niles is really in high gear this year. The Trojans sewed up an undefeated Northeast schedule to date and then went on to win the sub district and district. Niles whipped undefeated New Trier, Suburban champ, 3-1 in the finals to go into sectional play this week. The sectional winner goes to the state tournament. The big gun in Niles successful season is Biehn, outstanding pitcher who held New Trier to three hits. Last Thursday Biehn held Bensenville to three hits. He had just one day of rest before setting New Trier down. The star Niles moundsman is the son of the principal of their school and appears to be headed for a brilliant college baseball career.

Week end of records

Last weekend was one of new records in the sports front. Mel Patton of Southern California broke the world's 100 yard dash record Saturday with a new mark of :9.3 as he nosed out Lloyd LaBeach, negro star of UCLA by inches. Harrison Dillard of Baldwin Wallace won his 67th individual track victory in a row to break the former mark of 66 held by Greg Rice. Dillard holds the world's record in the high hurdles. Calumet Farms set a new record for one day winnings by a racing stable with $167,170 as Citation won the $91,870 Preakness and Faultless took the Gallant Fox race in New York for $60,300 and Fervent finished second for $15,000 more.

Chicago suburbs monopolize spring sports championships

LaGrange won the state track meet on 15 points, the lowest total since 1929, but, strange to say, no state records were broken. A slow track Saturday held marks to mediocre time. Oak Park won both the singles and doubles championships in the state tennis tournament and Highland Park took the golf title. This gives Suburban Chicago a monopoly on spring sports championships with baseball still to be decided. Oak Park will be a strong contender in the baseball eliminations.

Strange thing about Highland Park's golfers. Arlington beat them by three to one and Waukegan, New Trier, and Evanston also took them in scheduled matches. They were the surprise of the Arlington district tournament and set just as deadly a pace in the state meet to come out on top.

Evans scholarship a real chance for smart caddies

Some facts concerning the Evans Scholarship were brought to our attention last week by Hunter Hicks of the Inverness Country Club. Information about this scholarship is worth passing on to our readers. Chick Evans, great amateur golfer, is responsible for starting a fund from which college scholarships are awarded to outstanding caddies. To qualify a boy must be a high ranking student in high school, be a regular caddy at some golf club, and need help to go to college.

Applications bearing recommendations from high school principal and the officials of the sponsoring golf club are filed. The best of the applicants secure all tuition for four years of college. Quite a number of scholarships are awarded each year in the Chicago area. It is a real incentive for a smart boy to be a good caddy. Personally we would like to have some good students of this area plan to qualify. It is an opportunity we believe few people know about.

Call attention to Frosh-Soph meet at Arlington

One of the finest frosh-soph meets in Illinois will be run off under the lights at Arlington High next Wednesday in the N. E.—N. W. Conference frosh-soph meet. This event is a joint project of the Arlington

(Continued on Page 10)

Crystal Lake golfers fall to Arlington

by MARVIN PRELLBERG

Led by Vern Rascher's 77, the Arlington Varsity golf team completely smothered a Conference foe, Crystal Lake, in a dual meet held at the Laker's Lake Country Club last Monday by piling up 17 points and dropping only 1 for an overwhelming victory.

The locals now look forward to today's dual meet with the State champions, Highland Park, whom they beat in a match held at Mt. Prospect earlier in the season. A win over the Highland Parkers will greatly increase Arlington's prestige, and this match at Highland Park will most certainly be a hard fought match by both teams.

In the Arlington-Crystal Lake match, following Rascher's low of 77, Elwood Haake came thru with an 83 for second low, and three men tied for third low with 84s, namely Wade of Crystal Lake, and Tom Stockdale and Ralph Becker of Arlington.

Coming matches for Coach Larsen's golfers include Crystal Lake Friday, May 21, then a trip to Niles Monday.

Summary

Arlington			Crystal Lake		
Rascher	3	77	Wade	0	84
Becker	3	84	O'Connor	0	90
Stockdale	3	84	Kraus	0	97
Dress	2	89	Rodorich	1	91
Prellberg	3	87	Baker	0	90
Haake	3	83	Babcock	0	92

Card J-Vs lose to Niles but beat Evanston

by MARVIN PRELLBERG

The Arlington Jay Vee baseball team met a tough Niles foe on May 14 and dropped a 7-3 decision to the Trojans, but came back on Monday and downed the Evanston Junior Varsity by a 6-4 final tally on the home diamond.

In the Niles tilt, 4 runs in the bottom of the first by the Trojans and 2 more in the second gave them a 6-0 lead that the Cards never overcame and thus went down in defeat 7-3. Ray Huffman pitched the first 2 innings of the game giving up 6 runs on 4 hits and 3 walks, while fanning 4. Chuck Fischer took over from Huffman in the third and allowed just 1 run on 1 hit and 4 walks, while striking out five Niles' batsmen in three innings. Bruck started for Niles and pitched 6 innings, allowing 6 hits, 1 walk, and 2 runs, with 9 strikeouts. Hasfield finished the contest, giving up 1 tally, a walk, a hit, and striking out two Cardinals.

Huffman pitched the Cards to victory against Evanston with a 3-hit conquest, giving up just 1 run. Lefty Schroeder gave up the other 3 runs in the fifth and had to be relieved by Huffman, who had switched to the outfield. Huffman walked 3 and fanned 6 Evanston batters, and Schroeder gave 1 walk and fanned 2. Horswell chucked the whole contest for the visitors, giving up 5 walks and setting 9 men down on strikes.

Arlington	0	0	0	2	0	0	1	3	7	3
Niles	4	2	0	0	1	0	*	7	5	2
Evanston	1	0	0	0	3	0	0	4	5	2
Arlington	0	4	2	0	0	0	*	6	6	3

Bensenville runners lose to York reserves

Bensenville's trackmen were soundly trounced Saturday in a meet with York reserves, 100½ to 17½. Coach Trapp's boys garnered just one first in the dual, Pittman tossing the discus 126'6". Other points for Bensenville included Gaspar, 3rd in the high hurdles; Baker, 3rd in the 880; Kurz 2nd in the 440; Siek 3rd in the mile; Pittman 2nd in the shot, Currie 2nd in the pole vault; and Baker 3rd in the broad jump.

York reserves scored grand slams in the 100, low hurdles, 220, high jump, and copped the frosh and 880 relays.

NE golf meet next Thursday

Northeast conference golf meet is slated for next Thursday, May 27 at Mt. Prospect country club with Coach Curtis Larsen and his Arlington Heights gold squad serving as hosts.

Four schools will be competing in the race for the trophies, with the Crds favored to cop the meet. On past performances the Heights boys should win, having defeated most of their opponents to date.

But a "bad day" for one or two leading golfers could change the entire picture in conference golf competition.

Meet starts at 2 p. m. at Mt. Prospect. Schools that will compete include Arlington, Crystal Lake, Leyden and Niles.

Wheeling Cardinals gain 2-1 victory over Champ Turfs

The Wheeling Cardinals played their first league game in the Arlington Heights league Monday evening against Turf Billiards and came out on top in a close well played game 2-1. Highlight of the game was Chuck Hull's home run in the 3rd inning with nobody on. From the moment it left his bat everyone in the stands knew it was a homer. He crossed the plate without a play on him. It was all Hull in this first game as he pitched a beautiful game allowing but three hits while striking out 13.

It was a hard game for Becker, Turf's good pitcher who held our boys to three safeties.

The second and what turned out to be Wheeling's winning run came in the sixth inning. Lee fouled out to the catcher to open the sixth. Glueck beat out a hit to the infield. He went to second on a passed ball. Ed Welflin grounded out from second to first and Glueck went to third. Glueck scored when one of Becker's pitches went into the dirt and rolled to the backstop. Wickersham flied to left to end the inning.

The Wheeling Cardinals open in Libertyville league Wednesday night against Libertyville. The game starts at 8:30. Thursday Wheeling again plays at Arlington Heights, this time against El Rando.

Bisons lose to Niles in district

Coach Tom Meneguin's baseball squad at Bensenville high lost out in district play when their initial encounter was a losing venture to Niles, 6-1. It was even game until the last frame, when the Trojans pushed across four tallies.

Niles opened the game with two strikeouts. Comstock then hit safely, and stole season. Successive hits by Carlson and Biehn brought Comstock in to score.

BISONS tied it up in the fourth wnen Thollander ran out a two-bagger, and came home on an error. Then in the sixth Carlson hit for Niles, stole two bases, and came on home on an error.

Final frame found Blessing striking out, Garner getting a hit, stealing second, then third, and coming home on the overthrow. Three more runs were scored by Brown, Soergel and Linskey, all on errors.

Tholander and Biehn each struck out an even dozen.

Bensenville	ab	r	h	Niles	ab	r	h
Holstrum	2	0	1	Soergel	4	1	2
Mueller	3	0	0	Linskey	3	1	1

Barrington outruns Grant easily, 75-37

Barrington showed that they will be a strong contender in the Northwest conference meet by doubling the count on Grant Monday night 75-37. Baumann, Broncho ace, ran the 220 in :23.2 and broad jumped 20 feet 7¾ inches and took second in the 100 yard dash. Becker of Grant took the 100 and low hurdles. Best mark of the meet was in the high jump where Kirkpatrick of Grant cleared 5 feet 10 inches. Larsen of Barrington ran the fastest mile in the conference this year in 5:06.5 and a fine 880 in 2:12.2.

Schwarz no-hits Ela to 12-0 win over Wauconda

George Schwarz, sophomore Ela hurler, pitched the Lake Zurich team to a no-hit, no-run victory over Wauconda high, winning the Northwest Conference game, 12-0. Schwarz had fine support from his backstop, Jack Wendt, but needed little help from his other team mates as he struck out eighteen, walked none, and fielded two of the three batted balls. Prouty, at second, had the only other Ela fielding opportunity. Not a Wauconda player got on base during the seven inning affair.

Ela made eight hits of two Wauconda hurlers including a home-run by Prouty and a two-bagger by Jerry Wendt. Prouty's two hits in three trips led the batting.

Schwarz pitched a one-hit performance against Grayslake earlier this season. Fruday's victory gives Ela a season record, to date, of six wins and four losses.

Ela (12)	Ab	R	H	Wauconda (0)	Ab	R	H

Schwarz gains second no-hitter in row for Ela

Ela High of Lake Zurich coached by Melvin Eide won their fifth conference game of the season Tuesday as they shut out Grant 10-0. Schwartz pitched his second no hit game in a row and fanned 18 batters. Two men got on base as he hit one and walked another.

Ela scored five runs in the second inning and five more in the sixth as G. Wendt, J. Wendt, Prouty, Geary, and Regan each collected two safe hits. Prouty hit a homer with the bases loaded. Ela has won five and lost three in the Northwest Conference and has a season record of 7-4 for all games played with a team made up largely of sopohomores.

Card frosh nine mauls Niles, 14-5

by MARVIN PRELLBERG

A strong Arlington Freshman baseball team took the measure of Niles' Frosh team last Tuesday in a contest played on the Trojans' field by a 14-5 count.

The locals combined 7 hits off Niles' pitcher, Boehing, one homer by Bob Schulze in the fourth, 5 bases on balls, and 6 errors by the home team to chalk up a 14-5 victory in six innings. Twelve Arlington batsmen went down to pitcher Boehing in strikeouts. Arlington scored 8 runs in the second inning on just 3 hits.

Eugene Wille and Bob Fasick shared the twirling honors for the locals, allowing just 2 hits. Wille walked 1 batter, Fasick 5, and Wille fanned 2 and Fasick 3.

This was Coach Gene Bell's third win in three starts, holding two wins over Niles and one over Leyden. They will conclude their schedule this Thursday when they play a return game at Leyden.

SPORTSCOPE By JOE MAHONEY

Arlington nine downs Barrington squad, 13-3

by MARVIN PRELLBERG

Behind the 3 hit pitching of Chuck Johnson, Arlington's Varsity baseball team won its second straight victory in as many days in a non-conference tilt, as it downed the Barrington Bronchos by an overwhelming 13-3 margin Tuesday on the home diamond.

Johnson had a shut out and a 1 hitter going into the last inning, but was clubbed for 2 hits in the seventh, both for extra bases, and had his shut out spoiled with 3 opponent runs crossing the plate. Chuck fanned 10 Barrington batters and walked only 2.

NINE Arlington batters found the hit column in this game and poked out 11 safeties off McNichols, Shuett and Hick, which were good for a total of 13 runs. Ten Cards went down on strikes in the six innings and 4 received bases on balls.

After both teams were set down on strikes in the first, the locals finally rallied for 3 markers in the bottom of the second on singles by Bill Robinson and Fred Bista, a walk by Marv Berschet, and a fielder's choice by Johnson.

The Cards tallied two more in the third when Lefty Engelking, Berschet, and Ray Huffman each hit, to give the locals a 5-0 lead. Arlington got another run in the fourth on Johnson's fielder's choice and Ron Obermann's single, and 5 in the fifth on 4 singles, an error, and a hit batsman, to provide an 11-0 lead.

THE CARDS clinched it with 2 tallies in the sixth on Lloyd Meyer's fluke single, Bill Lancilotti's walk and 2 errors. Barrington notched its 3 runs in the seventh on Hick's opening double, a walk, fielder's choice, and another double, but this rally was a futile attempt, and the game ended with the locals winning their sixth victory in eleven starts by a 13-3 count.

West Chicago noses Palatine in track

West Chicago nosed out Palatine 60-58 in a dual meet last Thursday afternoon at the Du-Page County school. West Chicago won seven firsts and tied for another. Palatine won six and tied for another. Hank Spoo was Palatine's only double winner. Stephan won the broad jump but did not compete in other events due to the state meet the following day. Nelson in the dashes and Turnquist in the hurdles were double winners for West Chicago.

100 yd dash: 1 Nelson W; 2 Fox W; 3 Kendzie P; time :10.8.

220 yd dash: 1 Nelson W; 2 Fox W; 3 Anderson P; time :24.2.

High hurdles: 1 Turnquist W; 2 Steinbrinck P; 3 Orzolek P; time :16.5.

Low hurdles: 1 Turnquist W; 2 Steinbrinck P; 3 Orzolek P; time 24.6.

440 yd dash: 1 Newport P; 2 Dettman W; 3 Klein W; time :55.6.

880 yd. run: 1 Ruck W; 2 Ells P; 3 Nerge P; time 2:18.3.

Mile run: 1 Neylon W; 2 Nerge P; 3 Ury P; time 5:10.4.

Frosh-soph relay: won by Palatine (Kendzie, Anderson, Loeber, Kagay) time :49.3.

Shot: 1 Spoo P; 2 Ross P; 3 Ruch W; Dist. 37' 11".

880 yd relay: won by West Chicago (Turnquist, Fox, Pazin, Nelson) time 1:39.8.

Discus: 1 Spoo P; 2 Pearson W; 3 Raymond W; Dist. 125' 5".

Broad jump: 1 Stephan P; 2 Pazin W; 3 Nelson W; Dist. 18' 10".

High jump: 1 Steinbrinck, Orzolek & Schwingel P; ht. 5'.

Pole vault: 1 Hestrup P; Kautz W & Dietz W tied 9' 6".

Barrington and Northbrook split

Hits did not mean wins as Barrington and Northbrook split a doubleheader last Friday afternoon. Barrington took the first game 8-6, though outhit 10 to 4. Then Northbrook, in the second game, got only two hits but won 4-2 though Barrington garnered six bingles.

Barrington beat Floyd, Northbrook's ace hurler, in the first game with Schuett, sophomore twirler, getting credit for the victory. Bob Koelper was the winner in the second game and McNichols of Barrington the loser.

Schildgen and Lesch each collected three hits during the double bill for Northbrook.

BOX SCORES

Arnold's par round sparks Voss team in Heights league

Due to Capt. Arnold's excellent playing the Voss Food shop went into a tie for 3rd place with Kitty Korner in the Arlington Heights Twilight Golf League. Lingren's Men's Wear team took 5 points from Eddie's Liquors to nose Dunteman's Dairy out of 5th place. With but 3 nights of play, all teams are still closely bunched, and all indications point to a very competitive race for first place. The team standings are as follows:

Arlington Bowling Lanes	19
Eddies Liquors	16
Voss Food Shop	15
Kitty Korner	15
Lingren's Men's Wear	12½
Dunteman's Dairy	12
Drewes Electric	12
Sieburg Drug	9½
Schiller Carpet	9
Hartman's Shoe Store	9
Mar Johnson	8
Arlington National Bank	7

Redwings open '48 season with 11-5 victory

The Arlington Redwings opened their 1948 season last Sunday with a 11-5 victory over the Neva Billiard team of the Midwest league. The game was a pitchers battle between Schaefer of the Redwings and Grecco of the visitors for five innings. Each allowed only one hit, but Arlington was ahead 1-0 as a result of Schieve's two base blast to right field which scored Gale Bach, the Redwings new shortstop.

In the sixth inning, Bill Stahlman, the Redwings rookie pitcher, who relieved Schaefer, doubled over the visiting left fielder's head with the bases full to start a 5 run rally which clinched the victory. The Redwings scored 5 more times in the seventh on 2 hits and 5 bases on balls.

ALTHOUGH Schieve and Wahl each collected two hits out of the total of seven for the club, the general rule was strike out formula with 12 Redwings being retired in that manner.

Next Sunday Crystal Lake will appear here as the opposition. They won their first game last Sunday and expect to offer plenty of competition.

The Redwings have four more games in which to prepare themselves for the opening game of the newly formed Northern Illinois league, which begins the league schedule on June 13. Judging from Sunday's performance the local club will have plenty of pitching and defensive strength. The hitting must be improved, however, but with four games to play the offensive should improve considerably.

Palatine golfers lose to Barrington and Bensenville

Palatine golfers lost two matches during the past week playing on the Inverness course. Northbrook beat the Pirates last week Wednesday 13½ to 4½. Monday Bensenville took the Pirates into camp 12½ to 5½.

Against Northbrook the scores were as follows: Pepper (P) 2½ Kennedy (N) ½; Shilkus (N) 3 Meyer (P) 2 Esp (N) 1; M. Rodney (N) 3 Greener (P) 0; Rodney (N) 3 Lorden (P) 0; Schulz (N) 3 Huenerberg (P) 0.

In the Bensenville matches the scores were Mueller (B) 2½ Pepper (P) ½; Silianoff (B) 2 Sievers (P) 1; Masotti (B) 3 Bob Meyer (P) 0; Lorden (P) 3 Harris (B) 0; Kellar (B) 2 Ralph Meyer (P) 1; Miller (B) 3 Greener (P) 0.

Next Monday May 24 the Northwest conference golf tournament will be held at Barrington Hills country club starting at 1:00. Northbrook is defending champion with but one boy lost from last year's team. Shilkus, small freshman, won the individual title last year, and is back better than ever as a sophomore

Cards outlast Elgin nine in 11-10 slugfest

by MARVIN PRELLBERG

Although collecting only 7 hits, Arlington's High School Varsity baseball team, thanks to the wildness of a quartet of Elgin pitchers, managed to pour across 11 runs in seven innings and outlast the Elgin nine in a slugfest 11-10, in a contest held at the Elgin field last Monday afternoon.

Arlington opened with a 2-run first inning, but Elgin nullified that with a 4-run rally in its half of the first. However, the Cards came through with 3 more markers in the second and from that point on were never headed. But in the last of the seventh inning, Elgin had Arlington on the ropes with 2 runs already in and the tying and winning runs on second and first respectively. However, Bill Robinson, who twirled the whole game for Arlington set the next batter down on strikes to end the game.

ELGIN outhit Arlington 14 to 7, but several of these should have been caught for outs by the local fielders who were having a bad day.

Robinson had much better control than the Elgin twirlers, walking just 1 and striking out 11. Arlington suffered its first casualty of the season when second string catcher, Lew Draper, who was slated to catch his first game in the absence of number one catcher, Bill Wiest, who was ill, broke his hand in the first inning on a play at the plate and will be out for the rest of the season.

European champions arrive in Chicago for boxing tournament

The first overseas team arrived at Fort Sheridan, last week to compete in the World-Wide Army and Air Force Boxing Tournament. The team arrived in Chicago on the New York Wolverine from Westover Field, Mass., where they landed after an air trip from Europe.

The team, consisting of 16 fighters, coach and trainer, is composed of the champions and runners-up in each weight division from more than 7,000 boxers who participated in Germany, Trieste and Austria for places on the European Command team.

These champions will compete in the World-Wide Army and Air Force Boxing Tournament with over 200 other contestants from all parts of the world in the preliminaries at Northwest Armory, June 2, 3, and 4, for the right to fight in the finals June 11, at Chicago stadium.

Priest Lake

Priest lake, in north Idaho, was named for a priest, Father Johann Phillip Roothan, who, legend has it, drowned while crossing the lake to aid a stricken Indian.

Arlington bows out of district baseball, 11-1

by MARVIN PRELLBERG

New Trier's high-flying baseball team ran wild over the Arlington Varsity nine last Friday in the Winnetka District Tournament opener as it slammed out 11 hits and scored 11 times in five innings, the game being called after New Trier batted in the fifth inning and leading by 10 runs, which automatically ended the contest at this point, according to the Illinois State High School regulations, which state that any team leading by at least 10 runs in the last of the fifth has the right to end the game.

Coach Wally Grace, with the odds against him, didn't start his ace twirler, Bill Robinson, and sent Chuck Johnson to the mound as starting pitcher. Johnson, who chucked the first 4 innings for the Cards, had trouble galore with the New Trier batsmen. In those four innings they pounded him for 10 runs on 10 hits and 1 walk. Ron Obermann took over in the final frame and gave up only 1 hit and 1 run, but was a little wild as he put two men on base with walks. Not one trike out was administered to a New Trier batter during the whole contest.

MACKINON pitched the first three innings for New Trier and with plenty of fielding support, which Arlington lacked throughout the game, he allowed no runs, no walks, and just 1 hit, while he fanned 4 Cardinals. Teeple took over for the remaining two innings and was hit for 1 run, 3 hits, and a walk, while striking out 2.

The Cards got just 4 hits off the two New Trier pitchers, two of which were doubles by Lefty Engelking and Bill Wagner. The locals' lone run came in the top of the fifth when Bill Wiest singled through the box, and after Orv Schaeffer fanned, Wagner, batting for Johnson, smashed a double to left putting runners on second and third, with Wiest scoring on Bill Lancilotti's grounder to third.

The New Trier boys were really laying the wood to work as six of the ten hits were good for extra bases, including Moore's homer in the fourth frame.

To pick 28 boys for all-star game at Wrigley Field

by TOMMY KOUZMANOFF

Twenty-eight boys — all seniors and the pick of 100 high schools — will be selected for the third annual All-Star Baseball Classic to be staged as part of a doubleheader June 26 in Wrigley Field, Chicago.

First game that day, at 1:30 p.m. will be an Oldtimers' game, bringing back into action such immortals as Ray Schalk, Rogers Hornsby, Gabby Hartnett, Woody English, Guy Bush, Tony Piet and Red Faber.

Here's how the players will be apportioned:

CITY ALL-STARS — Twelve from the public school circuit and two from the Catholic League.

Suburban All-Stars — Four from suburban league and two each from the west suburban, south suburban, private school, northeast and northwest conferences.

Players will be selected from a comprehensive poll of the coaches.

Here's the set-up for the strategy boards of the two teams:

For the City All-Stars, manager will be the coach whose team wins the city league championship and serving in advisory capacities will be the runner-up coach and the Catholic league tutor who has the best record for the season.

MANAGER of the Suburban All-Stars will be named in a surprise announcement. Assisting him will be the championship and runner-up coaches of the private school league.

Tickets for these two great games are very reasonable — $1.50 for reserved box seats and only 50 cents for grandstand. They can be had by mail order now. Make check or money order payable to Ticket Manager and send to Chicago Herald-American, 326 W. Madison St., Chicago, 6.

Mac Says —

ADD MAC SAYS .....

(Continued from Page 9)

and Palatine high school athletic departments. It is an invitational meet and a real incentive for outstanding boys in the first two years of high school. Your columnist and Jack Grose of Arlington started the meet quite a few years ago and it has been one of the outstanding meets of its type. Ten schools are expected to take part this year.

Ela boy sets pitching record

Schwarz, sophomore Ela hurler, certainly set a league record the past week that will be hard to duplicate. Last Friday he pitched a perfect game against Wauconda with no batter reaching first and struck out 18. Tuesday he hurled no hit ball against Grant and again fanned 18 with one walk and one hit batter. Two no hitters in a row with a total of 36 strike outs out of 44 batters to face him is the record young Schwarz holds. It looks like Ela is coming back into their own in baseball with a team made up of almost entirely sophomores. About 10 years ago Ela was king pin in baseball with something like four or five straight championships. Coach Melvin Eide certainly has reason to be optimistic about the future.

LaGrange, without a Senior, wins State track meet

It has come to our attention that every LaGrange boy who placed in the State track meet, which they won, will be back for another season. A mere freshman won third in both 100 and 220 yard dashes and anchored a relay time which tied for third. LaGrange was building for the future this year but won the state. What more is there to win? We predict they won't repeat next year for 15 points seldom is enough to be a contender. This year was the exception.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—*life itself*—is constantly producing waste matter the kidneys must remove from the blood if good heath is to endure.

When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use *Doan's Pills*. They have had more than forty years of public approval. Are endorsed the country over. Insist on *Doan's*. Sold at all drug stores.

DOAN'S PILLS

Card frosh and sophs win two from Leyden

Arlington Freshmen and Sophomore track teams copped additional victories last week when the younger set outscored Leyden yearlings 53-47, while the second year men were winning, 60-43.

Kovacik, Schwartz and Roche each notched ten points for Coach Conrad's frosh. Kovacik's tallies came by virtue of :10.6 in the 100, and :24.5 in the 220.

Roche's :14 in the 110 yard low hurdles was also outstanding. Schwartz tossed the shot 46' 4½" for another good mark.

SOPHOMORES from Heights were headed by Busse and Krause, each with 15 scores. Busse won three firsts with a mark of :10.5 in the 100, :23.5 in the 220, and 20' 2" in the broad jump.

Krause copped the low hurdles in :13.5.

Auto racing opens at Aurora Downs

The plan to make the half mile Aurora Downs raceway the Midwest's big car auto racing center will be officially launched on Monday, May 31 when the first in the series of national championship dirt track speed programs will be held.

With the sponsorship of the Nationall Speedways and the approval of the IMCA, entries are expected from most of the contenders for the 1948 American dirt track title, including Deb Snyder, Kent, O., who is the present leader in points. Snyder has been piling up wins on the southern winter circuit, particularly at Tampa and Birmingham.

Other prominent dirt track stars listed as probable starters in the Memorial Day inaugural include Frankie Luptow, Detroit; Red Redmond, Atlanta; Al Fleming, Richmond, Va. George Binnie, Kansas City; Phillippe Mocca, St. Louis; Speed Wynn, Tampa; Carl Miller, Trenton, N. J.; and Fritz Tegtmeier, a hometown boy from Elgin.

All competing engines will be classified by piston displacement to assure evenly matched contests in all events, according to A. Sweeney, president of National Speedways. The season opener is booked as a seven event program, with a distance sweepstakes race set to climax a series of sprint contests.

Ecuador's Blue Gum

Visitors to Quito in Ecuador's unforested Sierra, or central mountainous region, are impressed with the prominence of a single tree species—the Tasmanian blue eucalyptus or blue gum. Introduced in 1865 from Tasmania, Australia, this tree has become thoroughly adapted in plantations on the densely populated Andean highlands or plateaus, where the native vegetation, including the original forests, was removed long ago.

Do You Suffer Distress From 'periodic' FEMALE WEAKNESS and also want to BUILD UP RED BLOOD?

If female functional periodic disturbances make you suffer pain and weak, nervous, restless jittery feelings—at such times—then DO try Lydia E. Pinkham's TABLETS to relieve such symptoms!

Taken regularly—Pinkham's Tablets help build up resistance against such distress.

Pinkham's Tablets are also one of the greatest blood iron tonics you can buy to help build up red blood to give more strength and energy for girls and women troubled with simple anemia. A pleasant stomachic tonic, too! Just see if *you* don't remarkably benefit! Any drugstore.

Arlington bows out of district baseball, 11-1

by MARVIN PRELLBERG

New Trier's high-flying baseball team ran wild over the Arlington Varsity nine last Friday in the Winnetka District Tournament opener as it slammed out 11 hits and scored 11 times in five innings, the game being called after New Trier batted in the fifth inning and leading by 10 runs, which automatically ended the contest at this point, according to the Illinois State High School regulations, which state that any team leading by at least 10 runs in the last of the fifth has the right to end the game.

Coach Wally Grace, with the odds against him, didn't start his ace twirler, Bill Robinson, and sent Chuck Johnson to the mound as starting pitcher. Johnson, who chucked the first 4 innings for the Cards, had trouble galore with the New Trier batsmen. In those four innings they pounded him for 10 runs on 10 hits and 1 walk. Ron Obermann took over in the final frame and gave up only 1 hit and 1 run, but was a little wild as he put two men on base with walks. Not one trike out was administered to a New Trier batter during the whole contest.

MACKINON pitched the first three innings for New Trier and with plenty of fielding support, which Arlington lacked throughout the game, he allowed no runs, no walks, and just 1 hit, while he fanned 4 Cardinals. Teeple took over for the remaining two innings and was hit for 1 run, 3 hits, and a walk, while striking out 2.

The Cards got just 4 hits off the two New Trier pitchers, two of which were doubles by Lefty Engelking and Bill Wagner. The locals' lone run came in the top of the fifth when Bill Wiest singled through the box, and after Orv Schaeffer fanned, Wagner, batting for Johnson, smashed a double to left putting runners on second and third, with Wiest scoring on Bill Lancilotti's grounder to third.

The New Trier boys were really laying the wood to work as six of the ten hits were good for extra bases, including Moore's homer in the fourth frame.

To pick 28 boys for all-star game at Wrigley Field

by TOMMY KOUZMANOFF

Twenty-eight boys — all seniors and the pick of 100 high schools — will be selected for the third annual All-Star Baseball Classic to be staged as part of a doubleheader June 26 in Wrigley Field, Chicago.

First game that day, at 1:30 p.m. will be an Oldtimers' game, bringing back into action such immortals as Ray Schalk, Rogers Hornsby, Gabby Hartnett, Woody English, Guy Bush, Tony Piet and Red Faber.

Here's how the players will be apportioned:

CITY ALL-STARS — Twelve from the public school circuit and two from the Catholic League.

Suburban All-Stars — Four from suburban league and two each from the west suburban, south suburban, private school, northeast and northwest conferences.

Players will be selected from a comprehensive poll of the coaches.

Here's the set-up for the strategy boards of the two teams:

For the City All-Stars, manager will be the coach whose team wins the city league championship and serving in advisory capacities will be the runner-up coach and the Catholic league tutor who has the best record for the season.

MANAGER of the Suburban All-Stars will be named in a surprise announcement. Assisting him will be the championship and runner-up coaches of the private school league.

Tickets for these two great games are very reasonable — $1.50 for reserved box seats and only 50 cents for grandstand. They can be had by mail order now. Make check or money order payable to Ticket Manager and send to Chicago Herald-American, 326 W. Madison St., Chicago, 6.

Mac Says —

ADD MAC SAYS (Continued from Page 9)

and Palatine high school athletic departments. It is an invitational meet and a real incentive for outstanding boys in the first two years of high school. Your columnist and Jack Grose of Arlington started the meet quite a few years ago and it has been one of the outstanding meets of its type. Ten schools are expected to take part this year.

Ela boy sets pitching record

Schwarz, sophomore Ela hurler, certainly set a league record the past week that will be hard to duplicate. Last Friday he pitched a perfect game against Wauconda with no batter reaching first and struck out 18. Tuesday he hurled no hit ball against Grant and again fanned 18 with one walk and one hit batter. Two no hitters in a row with a total of 36 strike outs out of 44 batters to face him is the record young Schwarz holds. It looks like Ela is coming back into their own in baseball with a team made up of almost entirely sophomores. About 10 years ago Ela was king pin in baseball with something like four or five straight championships. Coach Melvin Eide certainly has reason to be optimistic about the future.

LaGrange, without a Senior, wins State track meet

It has come to our attention that every LaGrange boy who placed in the State track meet, which they won, will be back for another season. A mere freshman won third in both 100 and 220 yard dashes and anchored a relay time which tied for third. LaGrange was building for the future this year but won the state. What more is there to win? We predict they won't repeat next year for 15 points seldom is enough to be a contender. This year was the exception.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—*life itself*—is constantly producing waste matter the kidneys must remove from the blood if good heath is to endure.

When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use *Doan's Pills*. They have had more than forty years of public approval. Are endorsed the country over. Insist on *Doan's*. Sold at all drug stores.

DOAN'S PILLS

Card frosh and sophs win two from Leyden

Arlington Freshmen and Sophomore track teams copped additional victories last week when the younger set outscored Leyden yearlings 53-47, while the second year men were winning, 60-43.

Kovacik, Schwartz and Roche each notched ten points for Coach Conrad's frosh. Kovacik's tallies came by virtue of :10.6 in the 100, and :24.5 in the 220. Roche's :14 in the 110 yard low hurdles was also outstanding. Schwartz tossed the shot 46' 4½" for another good mark.

SOPHOMORES from Heights were headed by Busse and Krause, each with 15 scores. Busse won three firsts with a mark of :10.5 in the 100, :23.5 in the 220, and 20' 2" in the broad jump.

Krause copped the low hurdles in :13.5.

Auto racing opens at Aurora Downs

The plan to make the half mile Aurora Downs raceway the Midwest's big car auto racing center will be officially launched on Monday, May 31 when the first in the series of national championship dirt track speed programs will be held.

With the sponsorship of the Nationall Speedways and the approval of the IMCA, entries are expected from most of the contenders for the 1948 American dirt track title, including Deb Snyder, Kent, O., who is the present leader in points. Snyder has been piling up wins on the southern winter circuit, particularly at Tampa and Birmingham.

Other prominent dirt track stars listed as probable starters in the Memorial Day inaugural include Frankie Luptow, Detroit; Red Redmond, Atlanta; Al Fleming, Richmond, Va. George Binnie, Kansas City; Phillippe Mocca, St. Louis; Speed Wynn, Tampa; Carl Miller, Trenton, N. J.; and Fritz Tegtmeier, a hometown boy from Elgin.

All competing engines will be classified by piston displacement to assure evenly matched contests in all events, according to A. Sweeney, president of National Speedways. The season opener is booked as a seven event program, with a distance sweepstakes race set to climax a series of sprint contests.

Ecuador's Blue Gum

Visitors to Quito in Ecuador's unforested Sierra, or central mountainous region, are impressed with the prominence of a single tree species—the Tasmanian blue eucalyptus or blue gum. Introduced in 1865 from Tasmania, Australia, this tree has become thoroughly adapted in plantations on the densely populated Andean highlands or plateaus, where the native vegetation, including the original forests, was removed long ago.

Do You Suffer Distress From 'periodic' FEMALE WEAKNESS and also want to BUILD UP RED BLOOD?

If female functional periodic disturbances make you suffer pain and weak, nervous, restless jittery feelings—at such times—then DO try Lydia E. Pinkham's TABLETS to relieve such symptoms!

Taken regularly—Pinkham's Tablets help build up resistance against such distress.

Pinkham's Tablets are also one of the greatest blood iron tonics you can buy to help build up red blood to give more strength and energy for girls and women troubled with simple anemia. A pleasant stomachic tonic, too! Just see if *you* don't remarkably benefit! Any drugstore.

When Buying Eggs

Because grade B eggs offer the same food value yet may cost as much as 10 to 12 cents a dozen less than grade A eggs of the same weight, many families find that it pays to buy grade B eggs for general cooking.

Small farm owners, truck gardeners . . . here's the tractor tailored to your needs and profits. The new B. F. Avery Model V. One-Plow Tractor is big enough to supply ample power the year 'round, yet small enough in first and operating cost to be profitable on your farm. Amazing fuel economy while turning out field work unmatched by many larger machines makes this easy-to-operate tractor a big help to better, more profitable farm work. Model V with mounted tool costs about the same as a two-plow tractor less equipment.
Come in to Wards and see these and other farm machines. IMMEDIATE DELIVERY!

Questions on G. I. bill

Question: I was recently discharged from service and was told to report to my Selective Service Board. Where will I have to report?

Answer: The Selective Service Boards have been discontinued. You no longer have to report upon being discharged.

Question: Is it possible to get on-the-job training for an agricultural job?

Answer: Yes. Regulations provide for on-the-farm training and place this program on a par with regular vocational training programs.

Question: My wife and I both were in service and now we'd like to homestead in Alaska. Can we count both her service and mine for homestead entry purposes?

Answer: Yes. Public Law 82 (May 31, 1947) provides that husband and wife who both are entitled to service credit are permitted to aggregate their periods of service and count them as one for homesteading purposes .Veterans interested in obtaining acreage in Alaska may request the circular "answers to Questions by Servicemen about Land Settlement in Alaska" (or specific information about other available lands open for entry) from the General Land Office, Department of Interior, Washington 25, D. C.

Question: Are Filipinos listed as "missing" during the war entitled to any benefits under the U. S. Government?

Answer: Yes. Public Law 241 extends benefits of the Missing persons act to certain members of the military forces of the Commonwealth of the Philippines.

Campus Capers

At Roosevelt

Robert Runo, 20 S. Ioka ave., Mt. Prospect, is one of the members of the Roosevelt College faculty who will participate in a bazaar to be held at the college May 21 and 22.

The bazaar will feature a collection of hand-made linens from Berea College and the Pi Beta Phi settlement school, jewelry especially created by a leading designer, autographed books and handicrafts and bakery goods donated by friends of the college.

At De Paul

Eveline R. Stenzel, 135 Warren Ave., Rt. 2 Box 208B, Palatine, who will graduate from the Palatine township high school in August of this year, has been accepted for entrance next September to the College of Liberal Arts and Sciences at DePaul University.

Of the other divisions of the University, registrations are also currently being accepted in the Secretarial school, the College of Commerce, and the Drama Department. The School of Music has closed its registration for September and the College of Law reports limited openings for highly qualified applicants.

At Beloit

Esther Karstens who is a sophomore at Beloit college, Beloit Wisconsin, recently participated in the Beloit Vesper choir tour to Argyle, Oregon, Rochelle and Dixon, Illinois. Esther also is a member of Delta Delta Delta society, Women's Recreation Association, on the staff of the school paper "The Round Table," and is a member of "Terrapin" which recently presented a water pageant in which Esther took part.

Esther is the daughter of Mr. and Mrs. Walter F. Karstens, 406 South Evergreen street, Arlington Heights.

At Miami U.

Miss JoAnne Gilman 409 Bristol Lane, Arlington Heights, will work on the construction committee of the stage crew for the Towers Theatre production of Maeterlinck's "The Death of Tintagiles" at Miami University in Oxford, Ohio, May 13, 14, and 15.

Miss Gilman, daughter of Mr. and Mrs. Hugh D. Gilman, is a graduate of Arlington Heights Township high school. She is a freshman in the college of arts and science.

At Beloit

Laurel Middel, who is a sophomore at Beloit college, Beloit, Wisconsin, recently has been appointed a Junior counselor. She will reside in the freshmen women's dormitory next year to assist the House director. Laurel is treasurer of her sorority, Delta Delta Delta, and has been president of her dormitory this year.

She is the daughter of L. J. Middel, 437 S. Dunton avenue, Arlington Heights.

At Navy Pier

Dolores Marie Grant, 1947 grad, is a cheerleader at Navy Pier, University of Illinois, and has just been elected by the student body as one of ten girls chosen to reign over the Spring Prom, which will be held Saturday, May 22, in the Grand Ballroom of the Stevens hotel. A queen will be chosen from these ten girls and she will be showered with gifts.

William Miller, a 1945 grad, has just been nominated as one of the contenders for the title of "Outstanding Athlete of the Year" at Navy Pier. Both Dolores and Bill, were recently honored at the annual Illini Honors Day convocation ceremonies for those students attaining outstanding scholastic achievement.

At Ripon

Initiation of new members and election of offrcers for next year has been occupying the attention of fraternities and sororities on the Ripon college campus during the past week.

Eighteen new members were initiated into Alpha Phi Omega fraternity recently including William Godknecht, 121 E. Colfax, Palatine.

At Ill. Wesleyan

Miss Peggy Kruse, daughter of Mr. and Mrs. Ernest Kruse, Wheeling, has been selected for membership in Green Medallion, honorary sophomore society of Illinois Wesleyan university.

A dinner in honor of the initiates was held in Memorial Center with president and Mrs. Merrill J. Holmes presiding as guests of honor.

At Iowa State

Robert Waite, son of F. D. Waite of Palatine, has been installed as a cabinet member of the YMCA at Iowa State College.

Robert is a sophomore in the Division of Agriculture at the College.

At Ripon

New members of Kappa Sigma Chi sorority at Ripon college, Wisconsin, include Barbara Schaefer, 802 S. Elmhurst, Mt. Prospect.

At Beloit

Miss Laurel Middel of Arlington Heights, was recently elected treasurer of Delta Delta Delta sorority at Beloit college.

In the future

Just in time for summer is a new compound for washing and waxing your car in one operation. Its makers claim you get a clean car and a glossy finish in 30 minutes . . A new signal gadget whistles while your gas tank is being filled, but lapses into a warning silence when the tank is full. So far, its makers have resisted the temptation to call the new device the "whistle-stop" . . . No end to new beverages: here is one combining apple and lime juice . . . Cornell University says it has a sprayer you can attach to your lawn mower, thus enabling you to attack Jap beetles and long grass at one and the same time . . . If your little boy is always whittling his thumb, you might like to see a new safety cutter. Blade is exposed only when in use . . . The British have new gadgets too, including a cigarette lighter worn on the wrist, a collapsible wheel barrow that folds into a small space, an electric fireplace with fake coals that give off heat, and a razor to end all razors. Said to operate without soap, towels, water or electricity.

THE MAILMAN'S CORNER

by LELAND ELLIS TRUXELL

Relatives are a species of humans who always come to visit you at the wrong time, stay longer than they should, upset the whole household and leave you jittery or unhappy.

Uncle Ned, for instance, delights in airing the family skeletons for the benefit of your wife. Each time he comes for a week of rest and relaxation, he begins.

"Remember the time you were crazy over Millie, Nephew?" with a wicked twinkle in his eyes. "Boy, were you two soft! I'll bet you still have a warm spot for her in your heart. You said then you could never forget."

Wifey just sits, bites her lip, and glares with that "When I get you alone" glare.

Then there is Aunt Amphasia who eats like a horse and growls about the cooking, has a hyena laugh, says that you have spoiled your children, and tells you how children should be raised. She never had any!

And Grandpa Joe! You correct the children, he pets them. You say they can't go to the show, he gives them the money. What to do?

Grandma is just as bad. She feeds them sugar tarts and chocolate fudge when she knows the doctor told you definitely there should be no sweets.

Then there are the inlaws. Nothing ever happens about the house that they don't know about. They even hide in the hall about the time the mail man comes so they will get first look, even when there isn't a chance of there being mail for them. John's mother always insists on John's night out, and makes biting remarks about the way the younger generation cooks and raise their children. Mary's mother always insists that Mary put her foot down and make John stay home nights and quit throwing his money away in the bowling alley.

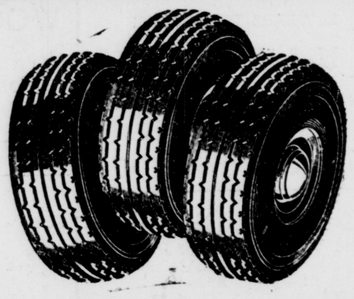

A keg of dynamite with lighted fuse attached is easier to handle than a visiting relative. There is nothing one can say or do. I always fight the urge to turn the house over to them and strike out for the mountains or the lake. I don't because they undoubtedly would go along. And besides, who knows? Perhaps next year I will go to visit them!

Have YOU Tried a Classified?

The Omnipresent Rat

Black rats of ancient history invaded the granaries of Egypt, afflicted the Hebrews with plague, and are reported to have stimulated the Romans to import snakes to kill them. They reached England during the reign of the house of Hanover, and were therefore called "Hanoverian rats." The rat thrives in any climate on any kind of food. In the tropics they often nest in palm trees, descending at night to plunder food stocks of man.

At De Paul

Eveline R. Stenzel, 135 Warren Ave., Rt. 2 Box 208B, Palatine, who will graduate from the Palatine township high school in August of this year, has been accepted for entrance next September to the College of Liberal Arts and Sciences at DePaul University.

Of the other divisions of the University, registrations are also currently being accepted in the Secretarial school, the College of Commerce, and the Drama Department. The School of Music has closed its registration for September and the College of Law reports limited openings for highly qualified applicants.

At Beloit

Esther Karstens who is a sophomore at Beloit college, Beloit Wisconsin, recently participated in the Beloit Vesper choir tour to Argyle, Oregon, Rochelle and Dixon, Illinois. Esther also is a member of Delta Delta Delta society, Women's Recreation Association, on the staff of the school paper "The Round Table," and is a member of "Terrapin" which recently presented a water pageant in which Esther took part.

Esther is the daughter of Mr. and Mrs. Walter F. Karstens, 406 South Evergreen street, Arlington Heights.

At Miami U.

Miss JoAnne Gilman 409 Bristol Lane, Arlington Heights, will work on the construction committee of the stage crew for the Towers Theatre production of Maeterlinck's "The Death of Tintagiles" at Miami University in Oxford, Ohio, May 13, 14, and 15.

Miss Gilman, daughter of Mr. and Mrs. Hugh D. Gilman, is a graduate of Arlington Heights Township high school. She is a freshman in the college of arts and science.

At Beloit

Laurel Middel, who is a sophomore at Beloit college, Beloit, Wisconsin, recently has been appointed a Junior counselor. She will reside in the freshmen women's dormitory next year to assist the House director. Laurel is treasurer of her sorority, Delta Delta Delta, and has been president of her dormitory this year.

She is the daughter of L. J. Middel, 437 S. Dunton avenue, Arlington Heights.

At Navy Pier

Dolores Marie Grant, 1947 grad, is a cheerleader at Navy Pier, University of Illinois, and has just been elected by the student body as one of ten girls chosen to reign over the Spring Prom, which will be held Saturday, May 22, in the Grand Ballroom of the Stevens hotel. A queen will be chosen from these ten girls and she will be showered with gifts.

William Miller, a 1945 grad, has just been nominated as one of the contenders for the title of "Outstanding Athlete of the Year" at Navy Pier. Both Dolores and Bill, were recently honored at the annual Illini Honors Day convocation ceremonies for those students attaining outstanding scholastic achievement.

At Ripon

Initiation of new members and election of officers for next year has been occupying the attention of fraternities and sororities on the Ripon college campus during the past week.

Eighteen new members were initiated into Alpha Phi Omega fraternity recently including William Godknecht, 121 E. Colfax, Palatine.

At Ill. Wesleyan

Miss Peggy Kruse, daughter of Mr. and Mrs. Ernest Kruse, Wheeling, has been selected for membership in Green Medallion, honorary sophomore society of Illinois Wesleyan university.

A dinner in honor of the initiates was held in Memorial Center with president and Mrs. Merrill J. Holmes presiding as guests of honor.

At Iowa State

Robert Waite, son of F. D. Waite of Palatine, has been installed as a cabinet member of the YMCA at Iowa State College.

Robert is a sophomore in the Division of Agriculture at the College.

At Ripon

New members of Kappa Sigma Chi sorority at Ripon college, Wisconsin, include Barbara Schaefer, 802 S. Elmhurst, Mt. Prospect.

At Beloit

Miss Laurel Middel of Arlington Heights, was recently elected treasurer of Delta Delta Delta sorority at Beloit college.

In the future

Just in time for summer is a new compound for washing and waxing your car in one operation. Its makers claim you get a clean car and a glossy finish in 30 minutes . . A new signal gadget whistles while your gas tank is being filled, but lapses into a warning silence when the tank is full. So far, its makers have resisted the temptation to call the new device the "whistle-stop" . . . No end to new beverages: here is one combining apple and lime juice . . . Cornell University says it has a sprayer you can attach to your lawn mower, thus enabling you to attack Jap beetles and long grass at one and the same time . . . If your little boy is always whittling his thumb, you might like to see a new safety cutter. Blade is exposed only when in use . . . The British have new gadgets too, including a cigarette lighter worn on the wrist, a collapsible wheel barrow that folds into a small space, an electric fireplace with fake coals that give off heat, and a razor to end all razors. Said to operate without soap, towels, water or electricity.

THE MAILMAN'S CORNER

by LELAND ELLIS TRUXELL

Relatives are a species of humans who always come to visit you at the wrong time, stay longer than they should, upset the whole household and leave you jittery or unhappy.

Uncle Ned, for instance, delights in airing the family skeletons for the benefit of your wife. Each time he comes for a week of rest and relaxation, he begins.

"Remember the time you were crazy over Millie, Nephew?" with a wicked twinkle in his eyes. "Boy, were you two soft! I'll bet you still have a warm spot for her in your heart. You said then you could never forget."

Wifey just sits, bites her lip, and glares with that "When I get you alone" glare.

Then there is Aunt Amphasia who eats like a horse and growls about the cooking, has a hyena laugh, says that you have spoiled your children, and tells you how children should be raised. She never had any!

And Grandpa Joe! You correct the children, he pets them. You say they can't go to the show, he gives them the money. What to do?

Grandpa is just as bad. She feeds them sugar tarts and chocolate fudge when she knows the doctor told you definitely there should be no sweets.

Then there are the inlaws. Nothing ever happens about the house that they don't know about. They even hide in the hall about the time the mail man comes so they will get first look, even when there isn't a chance of there being mail for them. John's mother always insists on John's night out, and makes biting remarks about the way the younger generation cooks and raise their children. Mary's mother always insists that Mary put her foot down and make John stay home nights and quit throwing his money away in the bowling alley.

A keg of dynamite with lighted fuse attached is easier to handle than a visiting relative. There is nothing one can say or do. I always fight the urge to turn the house over to them and strike out for the mountains or the lake. I don't because they undoubtedly would go along. And besides, who knows? Perhaps next year I will go to visit them!

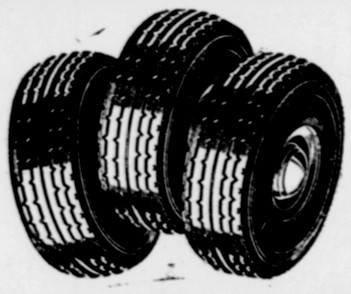

Have YOU Tried a Classified?

The Omniprescent Rat

Black rats of ancient history invaded the granaries of Egypt, afflicted the Hebrews with plague, and are reported to have stimulated the Romans to import snakes to kill them. They reached England during the reign of the house of Hanover, and were therefore called "Hanoverian rats." The rat thrives in any climate on any kind of food. In the tropics they often nest in palm trees, descending at night to plunder food stocks of man.

Palatine 9 loses to Heights, 4-3

The baseball team opened the season Sunday, at Arlington Heights, by playing a fierce 11 inning game, which they lost 4 to 3.

It was a close contest from the start. The Heights team scored one run in the first inning, and that ended the scoring until the seventh, when Palatine scored 3 runs.

The Arlingtons evened up the score in the eighth, and the game went two extra innings before the timely single brought in the winning run for Heights. Both pitchers were in great form, Nash pitching for Palatine struck out 17 men, allowed 7 hits and gave three bases on balls.

Duenn, of the Arlingtons, struck out 10 men allowed only 2 hits and gave not a single pass to first. The Palatine boys put up a good game for the first one this season. The same teams meet this coming Sunday, at Palatine grounds.

Decoration Day at Bloomingdale

Memorial Day will be observed in fitting manner, at Bloomingdale. The committees have arranged a good program. Several speakers will be present. Prof. Morgan and each school in the township will take part and decorate the graves in both cemeteries. Rev. Meyers will speak in German. Roselle cornet band will furnish music.

Union Memorial service will be held at the English church Sunday, May 24, at 7:30 p.m. Prof. Watson will deliver the address. He will be assisted by Rev. Murray and the ministers of surrounding churches. Miss Helen Moorhead will sing several solos. There will also be special music with home talent. Each church in the township is expected to attend and participate in the service. Everybody cordially invited on both occasions.

New street lamps for Arlington railroad crossings

The new street lamps furnished by the RRy company, to light their crossings at Vail, Dunton and Evergreen streets, are quite an improvement.

Now as a precaution for safety and convenience of their patrons, they ought to lay a brick crossing north of the tracks on Dunton street, so people would not have to go inside the gates to escape the mud, going to and from trains.

One person was killed there a year ago and the railway would be liable for heavy damages, if other accidents occur through their neglect.

Arlington man sells farm for $132 per acre

Herman Maul has sold his 40-acre farm, 1½ miles north of Arlington Heights, to John Hildebrandt, for $132.50 an acre, to give possession after he harvests this year's crop.

Herman thinks now is a good time to buy Chicago real estate. He is looking for 3 or 4 flat buildings which bring in good rental. If he strikes some snap bargains, he will become a city nabob and send his boy to college.

Give the editor a ride in your grand automobile when you come out for a spin on our boulevards; but watch the Herald to see whether our village streets have yet received a coat of gravel or you are liable to get stuck in the mud.

QUALITY AND LOW PRICES
That's what a customer says of —
— Redeker's
Arlington Heights

JUST AROUND THE CORNER

Dear Jane:

Judging from the vast attendance during the recently ended exhibit of French tapestries at the Art Institute, one might assume that Chicago is definitely art-minded. Or, could one assume that many of those who viewed this fabulous showing of the French weavers' hand work, were merely curious to see where the crowd was going? And that, actualy, there were many who hadn't the fullest conception of the artistry of these hangings, or the knowledge of their historical value.

Haven't you often thought that we, as spectators, have an obligation to fulfill, as well as have the artists themselves? Most of us agree, I believe, that only in so far as they are creative in their work need they be taken more than superficially into account. But there are standards to be met, as in all other achievements of worth, by both the artists and spectators.

It is not enough just to walk about looking at pictures, sculpture tapestries. Unless we learn to SEE them the experience will avail us little or nothing. There is a great distinction between "looking" and "perceiving." Actually what are means to us is in proportion to what we are equipped to bring to art.

We certainly cannot control the output of the artists. We can't push them forward or retard them. They will do what they can do. But we can exercise control over our own response to the art that is spread before us. It is within our power to sharpen our perceptions, and cease basing our judgments merely on what we "like" and "dislike." We should learn "why" we take some works of art into our hearts and reject others. This takes study, I believe, and most of us are dreadfully lazy. But for those who have an adventurous and creative approach to art, any time spent in an attempt at serious and honest evaluations, can't help but be regarding.

It does not mean, however, that after using this approach, we are bound to end by "liking" what a previous snap judgment caused us to discard. After studying a work of art exhaustively, striving first to get the artist's point of view, we often find ourselves right where we began. But even if that be the outcome, it can hardly be counted as time lost and effort wasted. At least we know we have tried to reach a solid, clear judgment in an unprejudiced manner.

Criticism is essential to appreciation whether our esthetic knowledge be great or small. In the world of art the self-educated man is the man who knows. Merely accepting what we read in books, in the newspapers, in reviews, is not enough. We must take the right approach, unbiased, and we must learn to evaluate. Then can we truthfully say, "I KNOW what I like."

And what is applicable to the arts will be found applicable, in the broadest, deepest, richest sense, to the living of our lives, as well.

With love, Mary.

Tales of the STREET

BY I. C. HART

A DEFENSE

We saw an editorial in a Des Plaines newspaper the other day that spoke rather sarcastically of the Edward Benjamin bond house.

It refers to Benjamin as a promoter and questions the sort of proposition he is discussing with the Des Plaines city council.

In our humble estimation, Edward Benjamin is not a promoter, but a consultant.

He doesn't do the voting on the kind of sewer to be built as that's up to the council, he doesn't build sewers, and he didn't promote a system of storm water sewers in Palatine as the Des Plaines article referred.

As a matter of fact, Edward Benjamin is pretty well thought of in Palatine.

Years ago he handled refunding of village obligations which had gone sour during the depression, and he also handled refunding of the high school bonds at the same time, as well as working on township relief warrants.

More recently, Mr. Benjamin, as financial consultant, handled the sale of the $600,000 consolidated school bonds which were disposed of very favorably to the school district.

His latest work in Palatine was handling the $310,000 sewer revenue bonds which also were disposed of at a figure very pleasing to the village board.

During all his work in Palatine he has been not a promoter, but a consultant and advisor. Decisions in all matters has been left to representatives of people. Despite the Des Plaines editorial, Benjamin has done some mighty fine work in the community of Palatine.

NICE TRIP

Mayor DePue got back from a short trip to Florida ten days ago and was just as enthusiastic as ever about that country.

But he certainly wasn't happy about the weather he ran into here when he got back. Going down, he said he saw farmers cultivating corn in southern Illinois, making hay in Tennessee and harvesting water melons in Georgia and Florida.

Of course, that Indian river country where the mayor has an orange grove is paradise itself. Although he went down thinking he might sell the place, he caught the old fever all over again and now he never does plan to sell.

NEW GAME

We've heard of baseball pools, football pools, pools on the Kentucky derby and on other kinds of sports events, but the boys around Palatine loop have figured out a new one.

They are now making bets on the weekly parking meter take, and the fellow that loses gets stuck for the treat at the coffee club. The meter take last week, by the way, was $129.10.

RAIN CALLERS

We met a farmer the other day. It was a nice pleasant morning and there didn't seem to be much danger of rain. The farmer, however, said the morning doves had been calling their dismal notes all morning, that robins had called rain the evening before, and he thought we'd have rain by the next day.

But it didn't even wait until the next day; it poured all that night and next day to boot.

LATE PLANTING

The continuous rains this spring are again making a lot of late planting necessary for farmers and gardeners. Corn planting will be late again this year and gardeners are beginning to worry about getting tomatoe plants and other garden truck plants.

One farmer remarked, "Well, we did have some decent weather in April this year and planted our small grain in good season, and it's looking fine where it's been able to stay above water.

Another farmer wasn't much worried about the backward planting season. He remarked, "Well, some of us didn't get our corn in last year until the last of June or first of July and still we got a crop. Seems as though we get there eventually no matter what the weather is."

THE FARMERS

And while we're talking about the farmers, a fellow has to take off his hat to those boys the way they've been paying their high taxes this year without any squawking.

Reports from over Cook county are that farmers are laying it on the line in chunks and doing less hollering than any other population segment.

One fellow remarked when he heard this, "Well, they ought to. Look at the prices they've been getting the last few years."

Well, labor hasn't been so bad off, what with raises every little while and reduced working hours as compared with the old days.

With the investment he has in his farm, stock, machinery, etc., and the number of hours he puts in, to say nothing of the constant gamble with weather, insects, pests and animal diseases, it looks as though the farmer is taking the biggest chance of anyone and that he is entitled to a decent return for his investment and efforts.

If he can face his tax collector with a smile and plunk down that chunk of dough he has to disgorge, why should a fellow with a good salary holler about his vastly smaller tax bill?

Yes, this high cost of living has reached the tax bills, too, and one simply has to hand it to the farmer for the way he has met the issue.

GOOD EATS

Jack Denzer's Radio Club Farm at Quinten road and Northwest highway is open for the season and it's a place where a hungry person can get a real meal.

Jack has modified his feeding system a little and is putting out some great meals at prices reduced from last year's schedule.

When it comes to good food, well-cooked and well served amid pleasant surroundings, a fellow can find it right here at home. And Jack is a cordial host who makes a fellow feel right at home and sees that the slightest wish of every patron is taken care of satisfactorily.

FLOAT FISHERMEN

Art Mess and Tom Norman left Sunday for a week down in the Ozarks of Arkansas, and plan to have a great time fishing.

They are trying out a new kind of fishing called float fishing, where you just drift down the river and fish as you go along. Tom says this experience amidst the beautiful scenery of the Ozarks is the thrill of a lifetime.

A guide cooks your meals and all the fish you catch (if any). Life is just one sweet dream after another, if the mosquitoes don't get too bad.

Well, boys, here's best wishes for a fine week and just to prove the fishing was good, how about bringing back some for us poor slaves up here.

P. S. If promoter Tom doesn't stop and promote a theater for the bushmen on a sand bar or island, it will be a wonder.

THE FENCE POST

Letters to the Fence Post should be short and concise. All letters must be signed, though name will be withheld if desired. Address Fence Post, Paddock Publications, Arlington Heights, Illinois.

PARKING TICKETS

Dear Sir:

I am writing this letter in regard to a so-called traffic violation that was administered by the Des Plaines police force on the evening of May the 10th, 1948.

It may interest your readers how that particular town enforces the parking meter rules in that particular city.

My wife and I had decided to take in a movie on this particular night and we had chosen the Des Plaines theatre. We arrived there about 6:30 p. m. We parked almost in front of the theatre at one of the prescribed parking places. It had a meter there with the red flag showing. Since it was after 6 p. m. I thought it was not necessary to deposit any money.

When I came out of the theatre I found a little yellow ticket hanging on my auto. It informed me that I had violated their parking ordinance. By closer inspection I found that on Monday night you had to pay the parking meters until 9 p. m.

I then went directly to the police station to explain my side to the officer on duty. Instead of a warning since I was from out of town I got a lot of lip from a smart cop. I don't think that the people of Des Plaines intend to have a police force of that calibre. I paid the fine of one dollar rather than argue with the little boy they had on duty.

Don't you think Mr. Editor that it would be a good idea if the city of Des Plaines would put up a notice that the meters are to be paid on these special nights rather than a small placard one inch square on the meter where people like myself would be sure to miss them.

For myself I believe in the law and always intend to keep it but I don't think we need to tolerate law enforcement like they are doing in Des Plaines. I don't intend to pay fines for things not done intentionally at least without some warning. I believe the people of Des Plaines are not treated that way when they patronize our business enterprises.

If you will make this public I myself will appreciate it plus many others that have and will be treated the same way.

Pinched
Palatine.

THANK YOU

May I express to you my deepest personal appreciation and also that of the Bishop's Committee of St. John's Episcopal church for your generosity in giving the splendid publicity you have to matters pertaining to our church. The use of your most valuable columns in reference to the recent social activity sponsored by the Evening Guild at the Arlington Heights Park District Field House was of great help to us in making the affair an outstanding success.

Dean Howard Ganster
Mt. Prospect

THANK YOU

I want to thank you for the very fine treatment you have given the Cub Scout articles. I am deeply grateful, and at the recent meeting of Den Dads all present expressed their appreciation for the fine cooperation which has been given the Cubs by the Arlington Heights paper.

We know that your assistance has been very helpful to the Cubs this year, and we can't thank you too much.

Perry R. Thomas
Cub Pack 232
Arlington Heights

SOFTBALL

In the archives of this man's town there should be no hesitancy including an event which was held Sunday afternoon at the Arlington Heights recreation field on the less muddier softball diamond after a night of heavy precipitation.

The affair was advertised and was for the benefit of a well-deserving cause—and if you missed it that's your tough luck. While not a howling success financially (only one cent over expectations), the enthusiasm and interest of those who attended and participated was magnificent. Comedy galore and what could be sweeter than competition between age and weight versus youth and agility in which the latter was none too predominant. (In fact, when one of the elderly gents in the first running carried enough weight to sock a home run, the remark was made "Well it won't be a shut-out anyway") and it wasn't!

Be that as it may this softball contest was a wow — the game was in two parts with a beer frame at the half way mark. And the crowd wondered if the game was to go into extra innings and enough beer left for the occasion.

It even seemed at one point in the second half the youngsters thought they should have so much weight in the infield as their elders, so they made it up in numbers. You see the outfielders couldn't handle the home runs perpetrated by the oldsters. Anyway so they were brought in to make a stone-wall infield which may have been good strategy).

Incidentally, the final score was alleged to be fifteen (15) to twelve (12) in favor of youth.

Hoping for many more such contests which cannot but help to promote clean athletic competition with everybody eligible to participate.

C. H. Hunt.

THANK YOU

All of us who are working on the benefit party May 14th for the new Resurrection hospital are very grateful to you for the fine publicity you have given in your papers. The Des Plaines members of the hospital auxiliary who are sponsoring the party at St. Mary's Training school gymnasium appreciate the story of the party in last week's papers. And the Sisters of the Resurrection deeply appreciate the publicity given to the new hospital project in the papers the week before.

According to the map put out by the public health department of the state, the new proposed Resurrection Hospital will service an acre including Arlington Heights. If I can secure a copy of this map in the near future, I'll be glad to send it to you — for I believe it will be interesting to you.

Martha Anne Montgomery 587 Webford Ave.
Des Plaines, Ill.

THANK YOU

The Evening Guild of St. John's Episcopal church wishes to express their appreciation to you for your wonderful cooperation in publicizing our card party in your newspaper.

Ann Parsons (Mrs. C. H.)
(Secretary to the Even. Guild)
Mt. Prospect

LIKES ARSENIC

The first ray of sunshine in this gloomy Spring of ours was the initial presentation of the town's newest organization, the Palatine Players. Many amateur dramatic plays have been staged locally, but not any of them have come near to the perfection of direction and acting displayed in the production "Arsenic and Old Lace" last week.

The play by Joseph Kesselring has enjoyed long runs in leading cities of this country. Its choice by the Palatine Players was a good one because it is an excellent vehicle for combining comedy with melodrama, and outbursts of laughter with gasps of horror.

No better choice could have been made for the character parts of the Brewster sisters than Miss Verna Jumps and Mrs. Neal T. Dean; so well did they act their parts. It was difficult to believe that they are not professionals.

Comedy was generously furnished by James L. Isham, in the part of Teddy Brewster, who believed himself to be president Theodore Roosevelt, and by Henry W. Bolger as Officer O'Hara who aspired to be a playwright.

Stuart Paddock, Jr., who played the part of a Brewster nephew, Mortimer, performed creditably. He held the eyes and ears of the audience throughout each stay on the boards, and portrayed the part of a high-strung play critic to perfection. He allowed himself to be really nervous during those tense moments when he learned of his aunts' escapades, when the police almost learned the stark truth, and when the blacksheep brother turned up with a recently accomplished corpse.

To a stranger, the love scenes may have looked quite natural, but an appreciation of good acting belonged to those who in real life know Stuart as the local aspiring newspaper man, and Mrs. Gerald A. McElroy, in the part of Elaine Harper, as the wife of the Palatine high school principal and sports editor for this same newspaper.

The heavy part, if you must have such a character, was ably handled by Gilbert B. Valentine as the third Brewster boy, the aforesaid blacksheep, whose stentorian speeches almost curdled the blood in one's veins.

The performance of these principals and of the supporting members of the cast reflect the capable direction of Mrs. Henry M. Nehrbass, whose previous histronic experience fits her well for this work.

The one discord of the opening night was on the dark side of the footlights, for the auditorium, small as it is, was only three-quarters occupied. The public lost a good bet which can be reclaimed only when the Palatine Players offer their next play in the fall. Various organizations wanting home talent entertainment with the professional touch can arrange with the organization to put on skits and playlets for club meetings or even to raise money for various projects.

Palatine 9 loses to Heights, 4-3

The baseball team opened the season Sunday, at Arlington Heights, by playing a fierce 11 inning game, which they lost 4 to 3.

It was a close contest from the start. The Heights team scored one run in the first inning, and that ended the scoring until the seventh, when Palatine scored 3 runs.

The Arlingtons evened up the score in the eighth, and the game went two extra innings before the timely single brought in the winning run for Heights. Both pitchers were in great form, Nash pitching for Palatine struck out 17 men, allowed 7 hits and gave three bases on balls.

Duenn, of the Arlingtons, struck out 10 men allowed only 2 hits and gave not a single pass to first. The Palatine boys put up a good game for the first one this season. The same teams meet this coming Sunday, at Palatine grounds.

Decoration Day at Bloomingdale

Memorial Day will be observed in fitting manner, at Bloomingdale. The committees have arranged a good program. Several speakers will be present. Prof. Morgan and each school in the township will take part and decorate the graves in both cemeteries. Rev. Meyers will speak in German. Roselle cornet band will furnish music.

Union Memorial service will be held at the English church Sunday, May 24, at 7:30 p.m. Prof. Watson will deliver the address. He will be assisted by Rev. Murray and the ministers of surrounding churches. Miss Helen Moorhead will sing several solos. There will also be special music with home talent. Each church in the township is expected to attend and participate in the service. Everybody cordially invited on both occasions.

New street lamps for Arlington railroad crossings

The new street lamps furnished by the RRy company, to light their crossings at Vail, Dunton and Evergreen streets, are quite an improvement.

Now as a precaution for safety and convenience of their patrons, they ought to lay a brick crossing north of the tracks on Dunton street, so people would not have to go inside the gates to escape the mud, going to and from trains.

One person was killed there a year ago and the railway would be liable for heavy damages, if other accidents occur through their neglect.

— 1908 —

Arlington man sells farm for $132 per acre

Herman Maul has sold his 40-acre farm, 1½ miles north of Arlington Heights, to John Hildebrandt, for $132.50 an acre, to give possession after he harvests this year's crop.

Herman thinks now is a good time to buy Chicago real estate. He is looking for 3 or 4 flat buildings which bring in good rental. If he strikes some snap bargains, he will become a city nabob and send his boy to college.

Give the editor a ride in your grand automobile when you come out for a spin on our boulevards; but watch the Herald to see whether our village streets have yet received a coat of gravel or you are liable to get stuck in the mud.

Tales of the STREET

BY I. C. HART

● **A DEFENSE**

We saw an editorial in a Des Plaines newspaper the other day that spoke rather sarcastically of the Edward Benjamin bond house.

It refers to Benjamin as a promoter and questions the sort of proposition he is discussing with the Des Plaines city council.

In our humble estimation, Edward Benjamin is not a promoter, but a consultant.

He doesn't do the voting on the kind of sewer to be built as that's up to the council, he doesn't build sewers, and he didn't promote a system of storm water sewers in Palatine as the Des Plaines article referred.

As a matter of fact, Edward Benjamin is pretty well thought of in Palatine.

Years ago he handled refunding of village obligations which had gone sour during the depression, and he also handled refunding of the high school bonds at the same time, as well as working on township relief warrants.

More recently, Mr. Benjamin, as financial consultant, handled the sale of the $600,000 consolidated school bonds which were disposed of very favorably to the school district.

His latest work in Palatine was handling the $310,000 sewer revenue bonds which also were disposed of at a figure very pleasing to the village board.

During all his work in Palatine he has been not a promoter, but a consultant and advisor. Decisions in all matters has been left to representatives of people. Despite the Des Plaines editorial, Benjamin has done some mighty fine work in the community of Palatine.

● **NICE TRIP**

Mayor DePue got back from a short trip to Florida ten days ago and was just as enthusiastic as ever about that country.

But he certainly wasn't happy about the weather he ran into here when he got back. Going down, he said he saw farmers cultivating corn in southern Illinois, making hay in Tennessee and harvesting water melons in Georgia and Florida.

Of course, that Indian river country where the mayor has an orange grove is paradise itself. Although he went down thinking he might sell the place, he caught the old fever all over again and now he never does plan to sell.

● **NEW GAME**

We've heard of baseball pools, football pools, pools on the Kentucky derby and on other kinds of sports events, but the boys around Palatine loop have figured out a new one.

They are now making bets on the weekly parking meter take, and the fellow that loses gets stuck for the treat at the coffee club. The meter take last week, by the way, was $129.10.

● **RAIN CALLERS**

We met a farmer the other day. It was a nice pleasant morning and there didn't seem to be much danger of rain. The farmer, however, said the morning doves had been calling their dismal notes all morning, that robins had called rain the evening before, and he thought we'd have rain by the next day.

But it didn't even wait until the next day; it poured all that night and next day to boot.

● **LATE PLANTING**

The continuous rains this spring are again making a lot of late planting necessary for farmers and gardeners. Corn planting will be late again this year and gardeners are beginning to worry about getting tomatoe plants and other garden truck plants.

One farmer remarked, "Well, we did have some decent weather in April this year and planted our small grain in good season, and it's looking fine where it's been able to stay above water.

Another farmer wasn't much worried about the backward planting season. He remarked, "Well, some of us didn't get our corn in last year until the last of June or first of July and still we got a crop. Seems as though we get there eventually no matter what the weather is."

● **THE FARMERS**

And while we're talking about the farmers, a fellow has to take off his hat to those boys the way they've been paying their high taxes this year without any squawking.

Reports from over Cook county are that farmers are laying it on the line in chunks and doing less hollering than any other population segment.

One fellow remarked when he heard this, "Well, they ought to. Look at the prices they've been getting the last few years."

Well, labor hasn't been so bad off, what with raises every little while and reduced working hours as compared with the old days.

With the investment he has in his farm, stock, machinery, etc., and the number of hours he puts in, to say nothing of the constant gamble with weather, insects, pests and animal diseases, it looks as though the farmer is taking the biggest chance of anyone and that he is entitled to a decent return for his investment and efforts.

If he can face his tax collector with a smile and plunk down that chunk of dough he has to disgorge, why should a fellow with a good salary holler about his vastly smaller tax bill?

Yes, this high cost of living has reached the tax bills, too, and one simply has to hand it to the farmer for the way he has met the issue.

● **GOOD EATS**

Jack Denzer's Radio Club Farm at Quinten road and Northwest highway is open for the season and it's a place where a hungry person can get a real meal.

Jack has modified his feeding system a little and is putting out some great meals at prices reduced from last year's schedule.

When it comes to good food, well-cooked and well served amid pleasant surroundings, a fellow can find it right here at home. And Jack is a cordial host who makes a fellow feel right at home and sees that the slightest wish of every patron is taken care of satisfactorily.

● **FLOAT FISHERMEN**

Art Mess and Tom Norman left Sunday for a week down in the Ozarks of Arkansas, and plan to have a great time fishing.

They are trying out a new kind of fishing called float fishing, where you just drift down the river and fish as you go along. Tom says this experience amidst the beautiful scenery of the Ozarks is the thrill of a lifetime.

A guide cooks your meals and all the fish you catch (if any). Life is just one sweet dream after another, if the mosquitoes don't get too bad.

Well, boys, here's best wishes for a fine week and just to prove the fishing was good, how about bringing back some for us poor slaves up here.

P. S. If promoter Tom doesn't stop and promote a theater for the bushmen on a sand bar or island, it will be a wonder.

THE FENCE POST

Letters to the Fence Post should be short and concise. All letters must be signed, though name will be withheld if desired. Address Fence Post, Paddock Publications, Arlington Heights, Illinois.

PARKING TICKETS

Dear Sir:

I am writing this letter in regard to a so-called traffic violation that was administered by the Des Plaines police force on the evening of May the 10th, 1948.

It may interest your readers how that particular town enforces the parking meter rules in that particular city.

My wife and I had decided to take in a movie on this particular night and we had chosen the Des Plaines theatre. We arrived there about 6:30 p. m. We parked almost in front of the theatre at one of the prescribed parking places. It had a meter there with the red flag showing. Since it was after 6 p. m. I thought it was not necessary to deposit any money.

When I came out of the theatre I found a little yellow ticket hanging on my auto. It informed me that I had violated their parking ordinance. By closer inspection I found that on Monday night you had to pay the parking meters until 9 p. m.

I then went directly to the police station to explain my side to the officer on duty. Instead of a warning since I was from out of town I got a lot of lip from a smart cop. I don't think that the people of Des Plaines intend to have a police force of that calibre. I paid the fine of one dollar rather than argue with the little boy they had on duty.

Don't you think Mr. Editor that it would be a good idea if the city of Des Plaines would put up a notice that the meters are to be paid on these special nights rather than a small placard one inch square on the meter where people like myself would be sure to miss them.

For myself I believe in the law and always intend to keep it but I don't think we need to tolerate law enforcement like they are doing in Des Plaines. I don't intend to pay fines for things not done intentionally at least without some warning. I believe the people of Des Plaines are not treated that way when they patronize our business enterprises.

If you will make this public I myself will appreciate it plus many others that have and will be treated the same way.

Pinched
Palatine.

THANK YOU

May I express to you my deepest personal appreciation and also that of the Bishop's Committee of St. John's Episcopal church for your generosity in giving the splendid publicity you have to matters pertaining to our church. The use of your most valuable columns in reference to the recent social activity sponsored by the Evening Guild at the Arlington Heights Park District Field House was of great help to us in making the affair an outstanding success.

Dean Howard Ganster
Mt. Prospect

THANK YOU

I want to thank you for the very fine treatment you have given the Cub Scout articles. I am deeply grateful, and at the recent meeting of Den Dads all present expressed their appreciation for the fine cooperation which has been given the Cubs by the Arlington Heights paper.

We know that your assistance has been very helpful to the Cubs this year and we can't thank you too much.

Perry R. Thomas
Cub Pack 232
Arlington Heights

SOFTBALL

In the archives of this man's town there should be no hesitancy including an event which was held Sunday afternoon at the Arlington Heights recreation field on the less muddier softball diamond after a night of heavy precipitation.

The affair was advertised and was for the benefit of a well-deserving cause—and if you missed it that's your tough luck. While not a howling success financially (only one cent over expectations), the enthusiasm and interest of those who attended and participated was magnificent. Comedy galore and what could be sweeter than competition between age and weight versus youth and agility in which the latter was none too predominant. (In fact, when one of the elderly gents in the first running carried enough weight to sock a home run, the remark was made "Well it won't be a shut-out anyway") and it wasn't!

Be that as it may this softball contest was a wow — the game was in two parts with a beer frame at the half way mark. And the crowd wondered if the game was to go into extra innings and enough beer left for the occasion.

It even seemed at one point in the second half the youngsters thought they should have so much weight in the infield as their elders, so they made it up in numbers. You see the outfielders couldn't handle the home runs perpetrated by the oldsters. Anyway so they were brought in to make a stone-wall infield which may have been good strategy).

Incidentally, the final score was alleged to be fifteen (15) to twelve (12) in favor of youth.

Hoping for many more such contests which cannot but help to promote clean athletic competition with everybody eligible to participate.

C. H. Hunt.

THANK YOU

All of us who are working on the benefit party May 14th for the new Resurrection hospital are very grateful to you for the fine publicity you have given in your papers. The Des Plaines members of the hospital auxiliary who are sponsoring the party at St. Mary's Training school gymnasium appreciate the story of the party in last week's papers. And the Sisters of the Resurrection deeply appreciate the publicity given to the new hospital project in the papers the week before.

According to the map put out by the public health department of the state, the new proposed Resurrection Hospital will service an acre including Arlington Heights. If I can secure a copy of this map in the near future, I'll be glad to send it to you — for I believe it will be interesting to you.

Martha Anne Montgomery 587 Webford Ave.
Des Plaines, Ill.

THANK YOU

The Evening Guild of St. John's Episcopal church wishes to express their appreciation to you for your wonderful cooperation in publicizing our card party in your newspaper.

Ann Parsons (Mrs. C. H.)
(Secretary to the Even. Guild)
Mt. Prospect

LIKES ARSENIC

The first ray of sunshine in this gloomy Spring of ours was the initial presentation of the town's newest organization, the Palatine Players. Many amateur dramatic plays have been staged locally, but not any of them have come near to the perfection of direction and acting displayed in the production "Arsenic and Old Lace" last week.

The play by Joseph Kesselring has enjoyed long runs in leading cities of this country. Its choice by the Palatine Players was a good one because it is an excellent vehicle for combining comedy with melodrama, and outbursts of laughter with gasps of horror.

No better choice could have been made for the character parts of the Brewster sisters than Miss Verna Jumps and Mrs. Neal T. Dean; so well did they act their parts. It was difficult to believe that they are not professionals.

Comedy was generously furnished by James L. Isham, in the part of Teddy Brewster, who believed himself to be president Theodore Roosevelt, and by Henry W. Bolger as Officer O'Hara who aspired to be a playwright.

Stuart Paddock, Jr., who played the part of a Brewster nephew, Mortimer, performed creditably. He held the eyes and ears of the audience throughout each stay on the boards, and portrayed the part of a high-strung play critic to perfection. He allowed himself to be really nervous during those tense moments when he learned of his aunts' escapades, when the police almost learned the stark truth, and when the blacksheep brother turned up with a recently accomplished corpse.

To a stranger, the love scenes may have looked quite natural, but an appreciation of good acting belonged to those who in real life know Stuart as the local aspiring newspaper man, and Mrs. Gerald A. McElroy, in the part of Elaine Harper, as the wife of the Palatine high school principal and sports editor for this same newspaper.

The heavy part, if you must have such a character, was ably handled by Gilbert B. Valentine as the third Brewster boy, the aforesaid blacksheep, whose stentorian speeches almost curdled the blood in one's veins.

The performance of these principals and of the supporting members of the cast reflect the capable direction of Mrs. Henry M. Nehrbass, whose previous histronic experience fits her well for this work.

The one discord of the opening night was on the dark side of the footlights, for the auditorium, small as it is, was only three-quarters occupied. The public lost a good bet which can be reclaimed only when the Palatine Players offer their next play in the fall. Various organizations wanting home talent entertainment with the professional touch can arrange with the organization to put on skits and playlets for club meetings or even to raise money for various projects.

JUST AROUND THE CORNER

Dear Jane:

Judging from the vast attendance during the recently ended exhibit of French tapestries at the Art Institute, one might assume that Chicago is definitely art-minded. Or, could one assume that many of those who viewed this fabulous showing of the French weavers' hand work, were merely curious to see where the crowd was going? And that, actualy, there were many who hadn't the fullest conception of the artistry of these hangings, or the knowledge of their historical value.

Haven't you often thought that we, as spectators, have an obligation to fulfill, as well as have the artists themselves? Most of us agree, I believe, that only in so far as they are creative in their work need they be taken more than superficially into account. But there are standards to be met, as in all other achievements of worth, by both the artists and spectators.

It is not enough just to walk about looking at pictures, sculpture tapestries. Unless we learn to SEE them the experience will avail us little or nothing. There is a great distinction between "looking" and "perceiving." Actually what are means to us is in proportion to what we are equipped to bring to art.

We certainly cannot control the output of the artists. We can't push them forward or retard them. They will do what they can do. But we can exercise control over our own response to the art that is spread before us. It is within our power to sharpen our perceptions, and cease basing our judgments merely on what we "like" and "dislike." We should learn "why" we take some works of art into our hearts and reject others. This takes study, I believe, and most of us are dreadfully lazy. But for those who have an adventurous and creative approach to art, any time spent in an attempt at serious and honest evaluations, can't help but be regarding.

It does not mean, however, that after using this approach, we are bound to end by "liking" what a previous snap judgment caused us to discard. After studying a work of art exhaustively, striving first to get the artist's point of view, we often find ourselves right where we began. But even if that be the outcome, it can hardly be counted as time lost and effort wasted. At least we know we have tried to reach a solid, clear judgment in an unprejudiced manner.

Criticism is essential to appreciation whether our esthetic knowledge be great or small. In the world of art the self-educated man is the man who knows. Merely accepting what we read in books, in the newspapers, in reviews, is not enough. We must take the right approach, unbiased, and we must learn to evaluate. Then can we truthfully say, "I KNOW what I like."

And what is applicable to the arts will be found applicable, in the broadest, deepest, richest sense, to the living of our lives, as well.

With love, Mary.

Many Infallible Proofs

Grace Noll Crowell

OH, many there are, but in my heart alone
There are a thousand shining proofs that Christ
Is a living force today, for I have known
The white infallible ones that have sufficed
To blot away all doubt: He is so near
That I can touch Him with my reaching hand;
He is so close to me that I can hear
Him speak the simple words I understand.

"Many infallible proofs," He showed to them
As they walked and talked with Him on His earthly way;
But I have often touched His garment's hem,
And felt His healing power as well as they.
Oh, not alone to them came proof on proof—
He shares my loaf, He lives beneath my roof!

Bits o' business

Industry's reports to its shareholders come up for their annual judging soon. The Financial World's annual report competition—the eighth the publication has sponsored — closes June 25, with the final judgments rendered the first week in July. This event has come to be of prime importance to many major industrial units . . The farm market is still absorbing big quantities of electrical appliances. A recent survey shows that 43 per cent of all farm homes now have electric washing machines while 38 per cent now have electric refrigerators . . . They packed more human interest in the annual stockholders meeting of the U. S. Steel Corporation last week than for many a year past. Not only did the meeting start with a prayer and end with pie (that's customary). But one stockholder brought along her little girl, a photogenic miss who quickly captured all the photographers present, and who held a longer conversation with President Fairless than any other person present . . . The Europeans are not keen to get our frozen eggs. They want the shell type.

SPRING CHECKS

Photo courtesy New York Dress Institute

Black and white checked rayon jersey dress designed for the budget-minded.

Spring's rayon jersey dresses will be seen not only in plain colors and stripes, but in prints and checks. This cool, easy-to-pack and easy-to-press fabric is pictured today in one of many New York street dresses attractively but inexpensively styled for wear on into the warmest days of Summer.

The dress is fashioned all of a piece, with its flattering peplum banded in black crepe matching the V-decor of the bodice and sleeve cuffs. Notice that the skirt, though rather slim in effect, is not in the least skimpy—an important feature of fashions throughout the new collections of New York designers. The back of the waistline is finished with a bustle bow.

Other highly satisfactory fabrics seen in popular-priced town dresses are rayon shantung, striped and polka-dotted crepes and dark sheers, with such features in their favor as neat buttons, self-fabric trims, and careful finishing.

Civil service examinations

Applications are being accepted by the U. S. Civil Service Commission for printer (Monotype Keyboard and Slug Machine Operator) positions in the Government Printing Office, Washington, D. C., and by the Executive Secretary, Board of U. S. Civil Service Examiners for Scientific and Technical Personnel of the Potomac River Naval Command, Building 37, Naval Research Laboratory, Washington 20, D. C., for Chemist, Engineer, Physicist, Mathematician and Metallurgist positions in Washington and vicinity.

Examinations were announced today by the U. S. Civil Service Commission for filling Social Worker and Medical Technical Assistant positions in Washington, D. C., and throughout the United States. The majority of Social Worker positions are in the District of Columbia Government in Washington, D. C.; Medical Technical Assistant jobs are largely in Federal prison hospitals throughout the country.

The U. S. Civil Service Commission today announced that applications are being accepted by the Board of Examiners at the Agricultural Research Center, Beltsville, Maryland, for the positions of Poultry Coordinator and Veterinary Coordinator. The positions are located in the Bureau of Animal Industry, in Beltsville and throughout the country. Salaries are $4,902 and $5,905 a year.

Interested persons may obtain information and application forms from the Commission's Local Secretary Mr. Francis S. Hall, located at Arlington Heights, Ill., from Civil Service regional offices, or from the U. S. Civil Service Commission, Washington 25, D. C. Applications may be filed until further notice with the Executive Secretary, Board of U. S. Civil Service Examiners for the Department of Agriculture, Agricultural Research Center, Beltsville, Maryland.

Bits o' business

Industry's reports to its shareholders come up for their annual judging soon. The Financial World's annual report competition—the eighth the publication has sponsored — closes June 25, with the final judgments rendered the first week in July. This event has come to be of prime importance to many major industrial units . . The farm market is still absorbing big quantities of electrical appliances. A recent survey shows that 43 per cent of all farm homes now have electric washing machines while 38 per cent now have electric refrigerators . . . They packed more human interest in the annual stockholders meeting of the U. S. Steel Corporation last week than for many a year past. Not only did the meeting start with a prayer and end with pie (that's customary). But one stockholder brought along her little girl, a photogenic miss who quickly captured all the photographers present, and who held a longer conversation with President Fairless than any other person present . . . The Europeans are not keen to get our frozen eggs. They want the shell type.

SPRING CHECKS

Photo courtesy New York Dress Institute

Black and white checked rayon jersey dress designed for the budget-minded.

Spring's rayon jersey dresses will be seen not only in plain colors and stripes, but in prints and checks. This cool, easy-to-pack and easy-to-press fabric is pictured today in one of many New York street dresses attractively but inexpensively styled for wear on into the warmest days of Summer.

The dress is fashioned all of a piece, with its flattering peplum banded in black crepe matching the V-decor of the bodice and sleeve cuffs. Notice that the skirt, though rather slim in effect, is not in the least skimpy—an important feature of fashions throughout the new collections of New York designers. The back of the waistline is finished with a bustle bow.

Other highly satisfactory fabrics seen in popular-priced town dresses are rayon shantung, striped and polka-dotted crepes and dark sheers, with such features in their favor as neat buttons, self-fabric trims, and careful finishing.

Civil service examinations

Applications are being accepted by the U. S. Civil Service Commission for printer (Monotype Keyboard and Slug Machine Operator) positions in the Government Printing Office, Washington, D. C., and by the Executive Secretary, Board of U. S. Civil Service Examiners for Scientific and Technical Personnel of the Potomac River Naval Command, Building 37, Naval Research Laboratory, Washington 20, D. C., for Chemist, Engineer, Physicist, Mathematician and Metallurgist positions in Washington and vicinity.

Examinations were announced today by the U. S. Civil Service Commission for filling Social Worker and Medical Technical Assistant positions in Washington, D. C., and throughout the United States. The majority of Social Worker positions are in the District of Columbia Government in Washington, D. C.; Medical Technical Assistant jobs are largely in Federal prison hospitals throughout the country.

The U. S. Civil Service Commission today announced that applications are being accepted by the Board of Examiners at the Agricultural Research Center, Beltsville, Maryland, for the positions of Poultry Coordinator and Veterinary Coordinator. The positions are located in the Bureau of Animal Industry, in Beltsville and throughout the country. Salaries are $4,902 and $5,905 a year.

Interested persons may obtain information and application forms from the Commission's Local Secretary Mr. Francis S. Hall, located at Arlington Heights, Ill., from Civil Service regional offices, or from the U. S. Civil Service Commission, Washington 25, D. C. Applications may be filed until further notice with the Executive Secretary, Board of U. S. Civil Service Examiners for the Department of Agriculture, Agricultural Research Center, Beltsville, Maryland.

New chairman for writers' workshop

The Writers' Workshop announced at its last meeting that Robert J. Doucette, former feature writer for the Southwest Pacific Stars and Stripes, had been elected publicity chairman. Mr. Doucette will have as his able assistant, Michael Tito, who is a feature writer for several Chicago newspapers and who has had a great deal of experience in the field of publicity.

The Writers' Workshop meets each Friday evening at 8 o'clock at the Edison Park fieldhouse, 6755 N. Northwest Highway, and welcomes to its classes both men and women, and beginning and advanced students of fiction writing. The activities of the group are under the direction of Peggy Lois French, former newspaper writer. Information may be obtained by phoning the secretary, Margaret Snowdon, Newcastle 2647.

Summer Print

Photo courtesy New York Dress Institute

For Mother's Day and wear throughout the warm weather season, a one-piece brown and white print dress with white butcher rayon linen jacket. Dress is designed with short sleeves, V neckline, and box-pleated skirt. Jacket is detailed with the print.

Modern Etiquette

By ROBERTA LEE

Q. What is the best and most correct form of introduction?

A. "Mrs. Smith, may I present Mr. Brown?" is one of the usual forms of introduction. A briefer form commonly used is, "Mrs. Smith, Mr. Brown." By emphasizing the more important person's name, it can be made as clear as though the words, "May I present" had been used. Never say, "Mrs. Smith, meet Mr. Brown."

Q. Should the water glasses on the dinner table be filled before or after the guests have been seated?

A. They should be filled three-quarters full just before the meal is announced.

Q. Should the engagement ring or the wedding ring be worn on the finger first?

A. The engagement ring is worn over the wedding ring.

Q. Is it all right for a divorcee to continue to use her husband's name?

It is now quite customary for a divorced woman to use her maiden name and her married name combined. If her name was Elizabeth Carter and her married name is Brown, she signs her name Mrs. Carter Brown.

Q. Do guests filing into the dining room seat themselves immediately upon entering the room?

A. No; they should stand behind or beside their chairs and are seated from the left when the hostess gives the signal or seats herself.

Q. Is a formal invitation always written in the third person?

A. A formal invitation, engraved or written, is always in the third person.

Q. When the guest of honor at a luncheon is seated at the right of the hostess, who should be seated on the other side of this guest?

A. The most intimate friend of the hostess, or someone who is helping her to entertain the guest.

Q. I have sometimes noticed a man holding a cigar in his mouth while in conversation with a woman. Isn't this rude?

A. It is extremely discourteous. A man should remove his cigar or cigarette from his mouth while conversing with either a woman or another man.

Q. If a man meets a woman acquaintance as they are both about to board a street car or bus, should he pay her fare?

A. This is not necessary, but is very often done. However, it most certainly is not to be expected by the woman.

Crow Is Gregarious

Crows, except during the nesting season, are gregarious. After the young ones are out of the nest, flocks ranging from half a dozen to more than a thousand may be seen in fall and winter at some favorite feeding, drinking or bathing site.

State deposits

Richard Yates Rowe, State Treasurer, announced deposits of major tax receipts for April. Retailers' Occupation Tax collections were $14,775,797.25 as compared with $13,468,869.09 in April last year. Deposits for the first four months amounted to $56,115,744.07 as compared to $51,041,874.62 for the same period in 1947.

Motor Fuel Tax deposits for April were $4,498,746.68 compared to $3,959,561,588.51 as compared with $14,928,950.10 for the same period in 1947.

Deposits of Motor Vehicle Licenses fees were $3,156,791.74 compared with $2,980,550.67 last April. Deposits for the first four months of 1948 totaled $22,665,376.15 compared to $21,065,924.17 for the same period last year.

Deposits of Cigarette Tax for April were $2,411,429.98 compared to $2,143,040.14 last April. Deposits for the first four months totaled $8,548,063.73 as compared to $7,659,676.01 for the same period in 1947.

County council VFW donates ambulance for free county use

More than 225 posts of VFW, Cook county council, purchased an ambulance this month for the free use of Cook county residents.

Presentation of the ambulance was Thursday noon, May 13, at Clark street entrance to the county building. Sheriff Elmer Michael Walsh, himself a veteran with foreign service, accepted the ambulance in behalf of the people from Capelle Damrell, of the VFW council.

The need for more ambulances, apparent during war years, greatly increased with the return of servicemen who were unable to bear the expense of a private ambulance for transporting loved ones to hospitals.

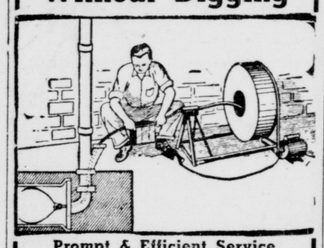

With funds accumulated by Cook county council, a white Packard ambulance was outfitted. Displayed on each side is the Cross of Malta, official emblem of VFW, and in gold lettering the name of the Cook county council as its donor.

Non-Renewable Resources

Three most important non-renewable resources for an industrial economy are petroleum, iron ore and aluminum ore.

New chairman for writers' workshop

The Writers' Workshop announced at its last meeting that Robert J. Doucette, former feature writer for the Southwest Pacific Stars and Stripes, had been elected publicity chairman. Mr. Doucette will have as his able assistant, Michael Tito, who is a feature writer for several Chicago newspapers and who has had a great deal of experience in the field of publicity.

The Writers' Workshop meets each Friday evening at 8 o'clock at the Edison Park fieldhouse, 6755 N. Northwest Highway, and welcomes to its classes both men and women, and beginning and advanced students of fiction writing. The activities of the group are under the direction of Peggy Lois French, former newspaper writer. Information may be obtained by phoning the secretary, Margaret Snowdon, Newcastle 2647.

County council VFW donates ambulance for free county use

More than 225 posts of VFW, Cook county council, purchased an ambulance this month for the free use of Cook county residents.

Presentation of the ambulance was Thursday noon, May 13, at Clark street entrance to the county building. Sheriff Elmer Michael Walsh, himself a veteran with foreign service, accepted the ambulance in behalf of the people from Capelle Damrell, of the VFW council.

The need for more ambulances, apparent during war years, greatly increased with the return of servicemen who were unable to bear the expense of a private ambulance for transporting loved ones to hospitals.

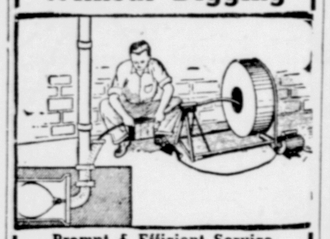

With funds accumulated by Cook county council, a white Packard ambulance was outfitted. Displayed on each side is the Cross of Malta, official emblem of VFW, and in gold lettering the name of the Cook county council as its donor.

Modern Etiquette

By ROBERTA LEE

Q. What is the best and most correct form of introduction?

A. "Mrs. Smith, may I present Mr. Brown?" is one of the usual forms of introduction. A briefer form commonly used is, "Mrs. Smith, Mr. Brown." By emphasizing the more important person's name, it can be made as clear as though the words, "May I present" had been used. Never say, "Mrs. Smith, meet Mr. Brown."

Q. Should the water glasses on the dinner table be filled before or after the guests have been seated?

A. They should be filled three-quarters full just before the meal is announced.

Q. Should the engagement ring or the wedding ring be worn on the finger first?

A. The engagement ring is worn over the wedding ring.

Q. Is it all right for a divorcee to continue to use her husband's name?

It is now quite customary for a divorced woman to use her maiden name and her married name combined. If her name was Elizabeth Carter and her married name is Brown, she signs her name Mrs. Carter Brown.

Q. Do guests filing into the dining room seat themselves immediately upon entering the room?

A. No; they should stand behind or beside their chairs and are seated from the left when the hostess gives the signal or seats herself.

Q. Is a formal invitation always written in the third person?

A. A formal invitation, engraved or written, is always in the third person.

Q. When the guest of honor at a luncheon is seated at the right of the hostess, who should be seated on the other side of this guest?

A. The most intimate friend of the hostess, or someone who is helping her to entertain the guest.

Q. I have sometimes noticed a man holding a cigar in his mouth while in conversation with a woman. Isn't this rude?

A. It is extremely discourteous. A man should remove his cigar or cigarette from his mouth while conversing with either a woman or another man.

Q. If a man meets a woman acquaintance as they are both about to board a street car or bus, should he pay her fare?

A. This is not necessary, but is very often done. However, it most certainly is not to be expected by the woman.

Crow Is Gregarious

Crows, except during the nesting season, are gregarious. After the young ones are out of the nest, flocks ranging from half a dozen to more than a thousand may be seen in fall and winter at some favorite feeding, drinking or bathing site.

39,000 prizes for farmers at Cook county fair

The first County Fair ever to be held in Chicago received added stature today with the announcement by fair officials that $39,000 in premiums would be offered to winning exhibitors of livestock, agricultural products, poultry, flowers and other farm and home products during the spectacular Cook County Fair at Soldier Field Aug. 27 through Sept. 6.

Agricultural products head the list of prize exhibits with a total of $12,000 assigned to winners in the hay, forage, grains, feed, vegetables and fruit divisions. A purse of $6,000 will be split by competitors in the floriculture section while beef cattle and dairy cattle will be shown for $4,500 prize money in each section.

OTHER PREMIUM awards include: sheep, $1,500; swine, $2,000; poultry, rabbits, etc., $3000; horticulture $500; domestic arts, $1,000; dairy, apiary and culinary, $1,500; and junior department (other than livestock), $1,500.

In addition to the premium exhibits and contests, hundreds of industrial and commercial displays will be shown at the huge lake front arena. Farm equipment and appliances, heavy farm machinery, automobiles, and scores of other agricultural and industrial products will be on view.

The largest entertainment midway since the 1933-34 Century of Progress Exposition will occupy most of the vast parking area south of Soldier Field.

Weather Loses Another Bout With Science; Corn Dried Mechanically

By IRA MILLER
Farm Electrification Bureau

Agricultural experts have thrown the weather for another loss. Because of their experiments, soft corn no longer is the headache it once was. And farmers have gained more control over an important part of their crop rotation program.

Shown above is a view of ear corn being dried over and around a wire-covered central duct in a single crib.

This latest step forward is the development of on-the-farm corn drying methods, employing generally available equipment and present buildings. As a result, soft corn, which may have spoiled in storage in the past, now can be recovered for sale or feeding purposes. The use of proper drying equipment also enables farmers to harvest late corn earlier than usual and thus clear their fields for winter wheat far ahead of schedule.

Basically, drying is accomplished by blowing air through the corn at a rate which will reduce its moisture content to a satisfactory point. Mechanical ventilation can be used in either single or double cribs. Heated or unheated air may be used, depending on such factors as the corn's moisture content, temperature, and length of drying time desired. Because of the similarity of operation, hay curing blower equipment can be used for drying corn or other grains.

Here are some helpful hints about corn drying operations: If *double cribs* are used, line the inside walls with building paper for 4 feet back of each doorway. Place blower in one entrance way and seal openings around it. If *single cribs* are used, install slatted duct (square or "A" frame) in center. Blow air into duct. In sealed buildings, install slatted floor 2 feet above tight floor. Blow air under this false floor; be sure building has adequate outlets near roof.

Ear corn with moisture content of 20 to 28 percent can be dried without supplementary heat. The fan used should deliver an air volume of 5 to 10 cubic feet of air per minute for each bushel. (A bushel of ear corn occupies 2½ cubic feet of crib space.)

If drying hasn't been completed by the time cold weather arrives, don't worry. You can finish the operation in the spring. In the meantime you have succeeded in preventing the crop from molding. When warm weather arrives, turn on the fan again. The blower should be operated only on days when the temperature is 50 degrees or higher.

The use of supplementary heat speeds up the drying process and permits it to continue in cold weather. Generally, heat is provided by oil or coke, and the flue gas is forced into the corn along with the heated air. With heat, 1000 bushels of corn with a 30 percent moisture content can be dried in from 4 to 6 days with the following combinations: Heater having a capacity of 4 gallons of oil per hour and a fan with a capacity of 5,400 feet per minute.

LAW on the FARM

Liens for Storage and Repairs — In 1921 the Illinois legislature enacted a law providing that "every person, firm, or corporation who has expended labor, skill or materials upon any chattel, or has furnished storage for said chattel, at the request of its owner, reputed owner, or authoriezd agent of the owner or lawful possessor thereof, shall have a lien upon such chattel beginning on the date of the commencement of such expenditure of labor, skill and materials or of such storage for the contract price for all such expenditure of labor, skill or materials, or for all such storage, or in the absence of such contract price, for the reasonable worth of such expenditure of labor, skill and materials, or of such storage for a period of one year from and after the completion of such expenditure of labor, skill or materials, or of such storage, notwithstanding the fact that the possession of such chattel has been surrendered to the owner, or lawful possessor thereof." Garagemen and automobile mechanics form the largest class of persons benefiting from this law. A farmer who has work done on his automobile, truck or tractor is subject to the lien.

After a chattel has been returned to the owner, this lien lasts for only 60 days unless within the 60 days the lien claimant files a notice of claim with the county recorder. The recorder is required to maintain all such entries in an "index of liens upon chattels."

Decision of the Illinois Supreme Court have determined that a chattel mortgage or conditional sales contract made prior to the time labor or storage is provided takes precedence over the lien created by this law. This means that when an automobile or tractor is sold to satisfy the debts of the owner, the sales agency or implement company holding a chattel mortgage or conditional sales contract will receive payment on any balance due them before a garageman will be paid for storage or labor. This lien may be enforced by foreclosure and sale.

The law referred to may be found in the Illinois Revised Statutes, Chapter 82, Sections 40-47.

Offer remedies for Bang's disease

Farmers are being told by some that there is no remedy for Bang's disease. The truth is there is more than one Bang's disease remedy according to the Bang's International.

Favorable reports from Switzerland regarding remedies prove this point, and it is time to take advantage of the experience of the Swiss.

Brucellosis of cattle, or infectious abortion, is the cause of undulant fever, and should be checked at the source, namely in livestock.

Pape and Guenther, Arlington Heights, are now offering time tested remedies for the treatment of Bang's disease.

Weed control requires systematic planning

Weed-free fields that produce good, uniform, labor-saving stands of sugar beets require planning long in advance of the actual planting of the beet crop, says the current issue of the Sugar Beet Journal.

Recommended is a long-term, conscientiously - followed program of weed control, not only for the fields but for fence rows, ditch banks, roadsides and barnyards.

Mainstay of any weed-control program for cropped areas is proper crop rotation and tillage, says the Journal. Supplementary methods recommended, especially for areas of noxious weeds, include chemical sprays.

Where 2, 4-D is of great value, points out the publication, is for use in pastures, fence rows, ditch banks and other locations not reached by tillage.

Must take care in picking spray equipment

Points to keep in mind in selecting spray equipment for weed control were enumerated this week by Farm Adviser C. A. Hughes. He reported that the introduction of 2, 4-D for use in weed control had aroused great interest and presented many new problems.

Pumps, spray booms, nozzles, methods of agitating the spray liquid in the tank, shut-off valves, and pressure guages are important parts of the spraying equipment. The prospective purchaser of such equipment should take particular notice of these parts, the adviser believes. We believe for corn spraying let down nozzles to spray corn is preferrable.

Mr. Hughes said that the University of Illinois College of Agriculture and private industry are working on problems of weed control. "They have been searching for the best formulation of chemicals, the best concentration of spray mixtures and the best spray equipment for applying the spray mixtures," he said. "Although the experimental work is far from complete, many general ideas have been agreed upon."

THE PRESENT trend is to apply a high concentration and low gallonage at low pressure (15 to 40 pounds per square inch.) Recommendations vary from three to 15 gallons for spraying field crops. In determining both the amount and strength of solution, it is advisable for growers to follow recommendations of reputable agents, manufacturers of the chemicals or the state agricultural college, Mr. Hughes emphasized.

"It must be remembered that 2, 4-D is still in the experimental stage so far as its use in weed control is concerned," the adviser concluded. "The same thing is true of the equipment used to apply it. Progress is being made in both fields, but definite recommendations cannot be made until more experimental work has been done."

A leaflet is available that discusses the six parts to check in purchasing new spray equipment. This leaflet may be obtained from the farm adviser's office.

Highest Corn Yield

For the United States as a whole, in the past few years, average corn yield was a little over 30 bushels to the acre. Highest officially recognized yield in 1944 was credited to an Illinois farmer with 182 bushels an acre. Scattered around the corn belt were other marks ranging from 147 to 176. In South Carolina in 1889 a yield of 255 bushels an acre was achieved by one farmer. Russia reports that in one district the yield averaged 140 bushels to the acre.

39,000 prizes for farmers at Cook county fair

The first County Fair ever to be held in Chicago received added stature today with the announcement by fair officials that $39,000 in premiums would be offered to winning exhibitors of livestock, agricultural products, poultry, flowers and other farm and home products during the spectacular Cook County Fair at Soldier Field Aug. 27 through Sept. 6.

Agricultural products head the list of prize exhibits with a total of $12,000 assigned to winners in the hay, forage, grains, feed, vegetables and fruit divisions. A purse of $6,000 will be split by competitors in the floriculture section while beef cattle and dairy cattle will be shown for $4,500 prize money in each section.

OTHER PREMIUM awards include: sheep, $1,500; swine, $2,000; poultry, rabbits, etc., $3000; horticulture $500; domestic arts, $1,000; dairy, apiary and culinary, $1,500; and junior department (other than livestock), $1,500.

In addition to the premium exhibits and contests, hundreds of industrial and commercial displays will be shown at the huge lake front arena. Farm equipment and appliances, heavy farm machinery, automobiles, and scores of other agricultural and industrial products will be on view.

The largest entertainment midway since the 1933-34 Century of Progress Exposition will occupy most of the vast parking area south of Soldier Field.

Weather Loses Another Bout With Science; Corn Dried Mechanically

By IRA MILLER
Farm Electrification Bureau

Agricultural experts have thrown the weather for another loss. Because of their experiments, soft corn no longer is the headache it once was. And farmers have gained more control over an important part of their crop rotation program.

Shown above is a view of ear corn being dried over and around a wire-covered central duct in a single crib.

This latest step forward is the development of on-the-farm corn drying methods, employing generally available equipment and present buildings. As a result, soft corn, which may have spoiled in storage in the past, now can be recovered for sale or feeding purposes. The use of proper drying equipment also enables farmers to harvest late corn earlier than usual and thus clear their fields for winter wheat far ahead of schedule.

Basically, drying is accomplished by blowing air through the corn at a rate which will reduce its moisture content to a satisfactory point. Mechanical ventilation can be used in either single or double cribs. Heated or unheated air may be used, depending on such factors as the corn's moisture content, temperature, and length of drying time desired. Because of the similarity of operation, hay curing blower equipment can be used for drying corn or other grains.

Here are some helpful hints about corn drying operations: If *double cribs* are used, line the inside walls with building paper for 4 feet back of each doorway. Place blower in one entrance way and seal openings around it. If *single cribs* are used, install slatted duct (square or "A" frame) in center. Blow air into duct. In sealed buildings, install slatted floor 2 feet above tight floor. Blow air under this false floor; be sure building has adequate outlets near roof.

Ear corn with moisture content of 20 to 28 percent can be dried without supplementary heat. The fan used should deliver an air volume of 5 to 10 cubic feet of air per minute for each bushel. (A bushel of ear corn occupies 2½ cubic feet of crib space.)

If drying hasn't been completed by the time cold weather arrives, don't worry. You can finish the operation in the spring. In the meantime you have succeeded in preventing the crop from molding. When warm weather arrives, turn on the fan again. The blower should be operated only on days when the temperature is 50 degrees or higher.

The use of supplementary heat speeds up the drying process and permits it to continue in cold weather. Generally, heat is provided by oil or coke, and the flue gas is forced into the corn along with the heated air. With heat, 1000 bushels of corn with a 30 percent moisture content can be dried in from 4 to 6 days with the following combinations: Heater having a capacity of 4 gallons of oil per hour and a fan with a capacity of 5,400 feet per minute.

LAW on the FARM

Liens for Storage and Repairs — In 1921 the Illinois legislature enacted a law providing that "every person, firm, or corporation who has expended labor, skill or materials upon any chattel, or has furnished storage for said chattel, at the request of its owner, reputed owner, or authohriezd agent of the owner or lawful possessor thereof, shall have a lien upon such chattel beginning on the date of the commencement of such expenditure of labor, skill and materials or of such storage for the contract price for all such expenditure of labor, skill or materials, or for all such storage, or in the absence of such contract price, for the reasonable worth of such expenditure of labor, skill and materials, or of such storage for a period of one year from and after the completion of such expenditure of labor, skill or materials, or of such storage, notwithstanding the fact that the possession of such chattel has been surrendered to the owner, or lawful possessor thereof." Garagemen and automobile mechanics form the largest class of persons benefiting from this law. A farmer who has work done on his automobile, truck or tractor is subject to the lien.

After a chattel has been returned to the owner, this lien lasts for only 60 days unless within the 60 days the lien claimant files a notice of claim with the county recorder. The recorder is required to maintain all such entries in an "index of liens upon chattels."

Decision of the Illinois Supreme Court have determined that a chattel mortgage or conditional sales contract made prior to the time labor or storage is provided takes precedence over the lien created by this law. This means that when an automobile or tractor is sold to satisfy the debts of the owner, the sales agency or implement company holding a chattel mortgage or conditional sales contract will receive payment on any balance due them before a garageman will be paid for storage or labor. This lien may be enforced by foreclosure and sale.

The law referred to may be found in the Illinois Revised Statutes, Chapter 82, Sections 40-47.

Offer remedies for Bang's disease

Farmers are being told by some that there is no remedy for Bang's disease. The truth is there is more than one Bang's disease remedy according to the Bang's International.

Favorable reports from Switzerland regarding remedies prove this point, and it is time to take advantage of the experience of the Swiss.

Brucellosis of cattle, or infectious abortion, is the cause of undulant fever, and should be checked at the source, namely in livestock.

Pape and Guenther, Arlington Heights, are now offering time tested remedies for the treatment of Bang's disease.

Weed control requires systematic planning

Weed-free fields that produce good, uniform, labor-saving stands of sugar beets require planning long in advance of the actual planting of the beet crop, says the current issue of the Sugar Beet Journal.

Recommended is a long-term, conscientiously - followed program of weed control, not only for the fields but for fence rows, ditch banks, roadsides and barnyards.

Mainstay of any weed-control program for cropped areas is proper crop rotation and tillage, says the Journal. Supplementary methods recommended, especially for areas of noxious weeds, include chemical sprays.

Where 2, 4-D is of great value, points out the publication, is for use in pastures, fence rows, ditch banks and other locations not reached by tillage.

Must take care in picking spray equipment

Points to keep in mind in selecting spray equipment for weed control were enumerated this week by Farm Adviser C. A. Hughes. He reported that the introduction of 2, 4-D for use in weed control had aroused great interest and presented many new problems.

Pumps, spray booms, nozzles, methods of agitating the spray liquid in the tank, shut-off valves, and pressure guages are important parts of the spraying equipment. The prospective purchaser of such equipment should take particular notice of these parts, the adviser believes. We believe for corn spraying let down nozzles to spray corn is preferrable.

Mr. Hughes said that the University of Illinois College of Agriculture and private industry are working on problems of weed control. "They have been searching for the best formulation of chemicals, the best concentration of spray mixtures and the best spray equipment for applying the spray mixtures," he said. "Although the experimental work is far from complete, many general ideas have been agreed upon."

THE PRESENT trend is to apply a high concentration and low gallonage at low pressure (15 to 40 pounds per square inch.) Recommendations vary from three to 15 gallons for spraying field crops. In determining both the amount and strength of solution, it is advisable for growers to follow recommendations of reputable agents, manufacturers of the chemicals or the state agricultural college, Mr. Hughes emphasized.

"It must be remembered that 2, 4-D is still in the experimental stage so far as its use in weed control is concerned," the adviser concluded. "The same thing is true of the equipment used to apply it. Progress is being made in both fields, but definite recommendations cannot be made until more experimental work has been done."

A leaflet is available that discusses the six parts to check in purchasing new spray equipment. This leaflet may be obtained from the farm adviser's office.

To form music lovers group for Arlington area

Music lovers in Arlington Heights and surrounding territory of Mt. Prospect, Prospect Heights, and Palatine have the opportunity to bring world-famous music talent to this area at a cost of only $1 per performance.

A meeting of local residents in Arlington Heights field house Monday night, May 17, resulted in the creation of Arlington Heights Community Concert association, a strictly non-profit organization, for the purpose of hiring music talent for a four or five performance series.

Assurance that the project here can be successful was given by Arthur Wisner, national representative of Community Concert service, who explained the set-up to the meeting.

Community Concert organizations exist in more than 1,000 United States cities, he told the group. Rockford has had such a group for 14 years, and similar organizations can be found in Beverly Hills, Riverside, Elmhurst, Downer's Grove, Wilmette and Highland Park.

ARLINGTON Heights Community Concert association, presenting an organized-audience plan for the financially sound operation of a concert series, will be headed by Gale Blocki Jr., president; Milo Little, first vice president; Mrs. C. F. Hansen, secretary; and A. H. Franzen, treasurer.

Six additional members of the board of directors also were elected Monday night: Frederick C. Schmoyer, Mrs. Paul P. Immel; Kenneth Kennedy; Mrs. Rowland Laughlin; Mrs. Ben Babbitt; and Mrs. Ira Parker. Other eight board members will be chosen at a later meeting.

Even though Arlington Heights area is within commuting distance of Chicago, as are Beverly Hills, Riverside and the other communities with concert organization, Wisner pointed out that many music-lovers were too tired to make the trip to the loop or didn't have the time to travel that far, and that $4.80 and $3.60 for one performance was too high a price for many a prospective concert-goer.

BY BUYING membership series ticket for $5 plus $1 tax, a music lover can hear five famous artists perform right here in Arlington Heights. Some of the celebrities who perform in the community concert tours include Licia Albanese, Rose Bampton, Eileen Farrell, Helen Jepson, Kathleen Ferrier, Dorothy Kirsten, Nadine Conner, Lily Pons, Dorothy Maynor, Helen Traubel, Jennie Tourel, sopranos and mezzo-sopranos; Jussi Bjoerling, Donald Dame, Christopher Lynch, Nino Martin, James Melton, Todd Duncan, Nelson Eddy, Lawrence Tibbett, and Paul Robeson, tenors, baritones and bass-baritones.

Famous pianists that can be brought here include Robert Casadesus, Clifford Curzon, Joseph Battista, Maryla Jonas and Hazel Scott; Violin artists that would be available are Jascha Heifetz, Jehudi Menuhin and Albert Spalding.

The famous Philharmonic Piano Quartet heard over CBS is included in the roster of music stars, as would be a concert presentation by Paul Draper and Larry Adler, the Don Cossack chorus and dancers, de Paur's Infantry chorus of 36 ex-GI's, the Saidenberg Sinfonietta of 20 virtuoso-musicians, Spanish dancers Rosario and Antonio, and duo-pianists Vronsky and Babin, Bartlett and Robertson and Whittemore and Lowe.

A membership of from 950 to 1000 will be created for the Arlington Heights area. According to Wisner, these figures represent the 10 per cent of the area population who would want to be member of the music audience.

THE GROUP was advised the best time to conduct the week-long membership drive would be in late September when vacationers will be home and ready for winter plans. He also assured them that being organized so late in the season would not cause the local group to lose out in securing prominent artists.

All money would be handled locally under specific instructions of the association charter. Each member would get a financial statement at the end of the concert year.

A kick-off dinner for 150 people at the start of the membership drive week will brief ticket sellers and prospective members. Further details on the dinner will be made at the next meeting of the executive committee and board of directors to be held within two weeks. Also, a report will be made on the maximum, comfortable seating capacity of the high school auditorium, a definite membership quota will be set, and possibilities for renting other halls for large symphony groups will be reported.

Music carnival memories

by ANNE LYMAN

Side shows! Weight guessing! Ring and dart throwing! Record making! Raffles! Freaks! Bingo! Dancing! Hot Dogs! Fortune tellers! Last, but not least, a queen crowned!

If you were at the high school last Friday evening, you saw and participated in all these things, for it was the night of the long-awaited music carnival.

After you had pushed your way through the crowd you finally entered the gym in all its glory. The atmosphere was a riot of color, noise and happy confusion. The first thing you saw was a throwing game where small boys were pitching baseballs, trying in vain to hit Coach Eugene Bell, who was well protected by a catcher's mask.

YOUR ATTENTION was caught soon by Don Dewey and Art Cameron, who, with their derby hats and handlebar mustaches, were probing people with a stick to guess their weight. "Your weight within five pounds or a prize", was the battle cry.

Your interests were interrupted temporarily by Jack Hinneberg who was the official announcer. He was announcing the results thus far of the queen contest. Perhaps you are wondering what this contest is all about.

For over two weeks the five senior candidates for queen of the conference track meet have been voted upon by the students by means of dropping pennies in bottles. The queen was crowned at the music carnival, and at the track meet she will bestow the trophies. The candidates were Pat Peterson, delegate from senior class; Joan LaMar, delegate from junior class; Virginia Tidd, delegate from sophomore class; Rosita Allen, delegate from freshman class; Nancy Nichols, delegate from the band.

BUT BACK to the carnival. Keeping your eye on the clock, for the queen was to be crowned at ten, you decided to catch the next presentation of the "Sophomore Limb Show." Your sides ached from laughing at the curvacious chorus line comprised of sophomore boys and the clever pantomime the students put on.

After a glimpse of the G. A. A. fish pond, you made a record of your voice. That twenty-five cent disc will be entertaining you for years to come!

Ah, the electronics show! You really learned a lot about chemistry at this show after seeing, among other things, Lenny Dvoracek charged with 60,000 volts of electricity. "Crazy" Dvoracek also lighted a florescent bulb by holding it in his mouth!

But on to bigger and better things. After seeing three shapely legs rising from a cardboard apparatus while rings were tossed to them, you decided to try your luck. Later on in the evening this "Peg-a-Leg" concession had male legs represented as well.

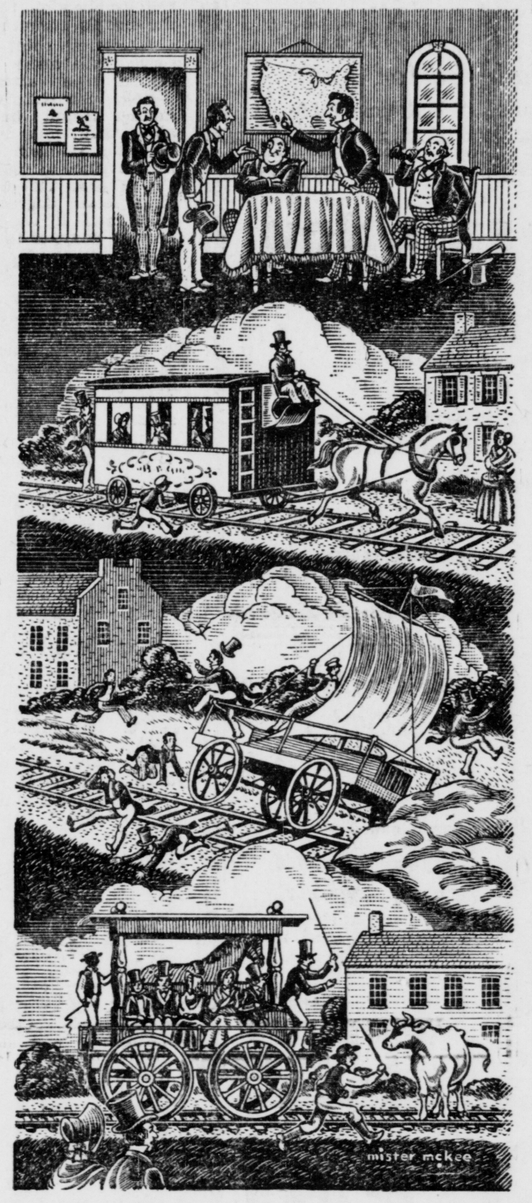

AFTER THIS you stopped only long enough to buy a chanc on five popular records and a record album which was being sold by members of the Cardinal staff. Ken Bork, you learned later, was the lucky winner. Next you bought a chance at a ham, but no luck. Irene Hering took home the bacon. Down to the cafeteria for fifteen minutes of dancing for a quarter.

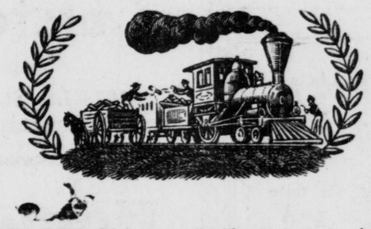

At last, it was ten o'clock. With a hot dog in one hand and a balloon in the other, you forced yourself into the crowd just in time to see Nancy Nichols receive the portable radio — her prize for being elected Queen of the music carnival! The four other contenders for the honor each received a prize of a compact, a rhinestone bracelet, or ankle bracelets. Then tired but happy you started home, marveling at the success of the carnival.

It truly was a success, financially as well as socially. Each concession was handled by a school organization—half of the profits going to the club and half going to the music department. The money will be used to pay for new choral robes and to finish paying for the band uniforms. Too much credit can not be given to Frederick Schmoyer, head of the music department, for his tireless efforts in working on the carnival. There was a large turnout of both children and adults who were anxious to see the carnival after hearing of the music department's success at the state music contests at Taylorville where seven out of eight first places were won.

This Month in Your Service BULLETIN

SINCE THE Chicago Railroad Fair (centennial of the first steam locomotive out of Chicago) will be held from mid-July into September on Chicago's lakefront (where the World's Fair was held several years ago), we have examined a few records having to do with the railroad's infancy. Learned that had New York State listened to a gentleman from Hoboken in 1812, credit for the putting-together of tracks and steam power would have gone to the United States instead of England. Learned how Chicago and Northern Illinois' first two railroads used Chicago's first locomotive, same passenger station, and same tracks. Learned how another of our railroads was the first to benefit from the Land Grant, an experiment which greatly stimulated railroad construction in these parts. And the putting-together of our findings and John McKee's sketches has resulted in the first of our two stories on some of our railroads.

Even though Arlington Heights area is within commuting distance of Chicago, as are Beverly Hills, Riverside and the other communities with concert organization, Wisner pointed out that many music-lovers were too tired to make the trip to the loop or didn't have the time to travel that far, and that $4.80 and $3.60 for one performance was too high a price for many a prospective concert-goer.

BY BUYING membership series ticket for $5 plus $1 tax, a music lover can hear five famous artists perform right here in Arlington Heights. Some of the celebrities who perform in the community concert tours include Licia Albanese, Rose Bampton, Eileen Farrell, Helen Jepson, Kathleen Ferrier, Dorothy Kirsten, Nadine Conner, Lily Pons, Dorothy Maynor, Helen Traubel, Jennie Tourel, sopranos and mezzo-sopranos; Jussi Bjoerling, Donald Dame, Christopher Lynch, Nino Martin, James Melton, Todd Duncan, Nelson Eddy, Lawrence Tibbett, and Paul Robeson, tenors, baritones and bass-baritones.

Famous pianists that can be brought here include Robert Casadesus, Clifford Curzon, Joseph Battista, Maryla Jonas and Hazel Scott; Violin artists that would be available are Jascha Heifetz, Jehudi Menuhin and Albert Spalding.

The famous Philharmonic Piano Quartet heard over CBS is included in the roster of music stars, as would be a concert presentation by Paul Draper and Larry Adler, the Don Cossack chorus and dancers, de Paur's Infantry chorus of 36 ex-GI's, the Saidenberg Sinfonietta of 20 virtuoso-musicians, Spanish dancers Rosario and Antonio, and duo-pianists Vronsky and Babin, Bartlett and Robertson and Whittemore and Lowe.

A membership of from 950 to 1000 will be created for the Arlington Heights area. According to Wisner, these figures represent the 10 per cent of the area population who would want to be member of the music audience.

THE GROUP was advised the best time to conduct the week-long membership drive would be in late September when vacationers will be home and ready for winter plans. He also assured them that being organized so late in the season would not cause the local group to lose out in securing prominent artists.

All money would be handled locally under specific instructions of the association charter. Each member would get a financial statement at the end of the concert year.

A kick-off dinner for 150 people at the start of the membership drive week will brief ticket sellers and prospective members. Further details on the dinner will be made at the next meeting of the executive committee and board of directors to be held within two weeks. Also, a report will be made on the maximum, comfortable seating capacity of the high school auditorium, a definite membership quota will be set, and possibilities for renting other halls for large symphony groups will be reported.

Music carnival memories

by ANNE LYMAN

Side shows! Weight guessing! Ring and dart throwing! Record making! Raffles! Freaks! Bingo! Dancing! Hot Dogs! Fortune tellers! Last, but not least, a queen crowned!

If you were at the high school last Friday evening, you saw and participated in all these things, for it was the night of the long-awaited music carnival.

After you had pushed your way through the crowd you finally entered the gym in all its glory. The atmosphere was a riot of color, noise and happy confusion. The first thing you saw was a throwing game where small boys were pitching baseballs, trying in vain to hit Coach Eugene Bell, who was well protected by a catcher's mask.

YOUR ATTENTION was caught soon by Don Dewey and Art Cameron, who, with their derby hats and handlebar mustaches, were probing people with a stick to guess their weight. "Your weight within five pounds or a prize", was the battle cry.

Your interests were interrupted temporarily by Jack Hinneberg who was the official announcer. He was announcing the results thus far of the queen contest. Perhaps you are wondering what this contest is all about.

For over two weeks the five senior candidates for queen of the conference track meet have been voted upon by the students by means of dropping pennies in bottles. The queen was crowned at the music carnival, and at the track meet she will bestow the trophies. The candidates were Pat Peterson, delegate from senior class; Joan LaMar, delegate from junior class; Virginia Tidd, delegate from sophomore class; Rosita Allen, delegate from freshman class; Nancy Nichols, delegate from the band.

BUT BACK to the carnival. Keeping your eye on the clock, for the queen was to be crowned at ten, you decided to catch the next presentation of the "Sophomore Limb Show." Your sides ached from laughing at the curvacious chorus line comprised of sophomore boys and the clever pantomime the students put on.

After a glimpse of the G. A. A. fish pond, you made a record of your voice. That twenty-five cent disc will be entertaining you for years to come!

Ah, the electronics show! You really learned a lot about chemistry at this show after seeing, among other things, Lenny Dvoracek charged with 60,000 volts of electricity. "Crazy" Dvoracek also lighted a florescent bulb by holding it in his mouth!

But on to bigger and better things. After seeing three shapely legs rising from a cardboard apparatus while rings were tossed to them, you decided to try your luck. Later on in the evening this "Peg-a-Leg" concession had male legs represented as well.

AFTER THIS you stopped only long enough to buy a chanc on five popular records and a record album which was being sold by members of the Cardinal staff. Ken Bork, you learned later, was the lucky winner. Next you bought a chance at a ham, but no luck. Irene Hering took home the bacon. Down to the cafeteria for fifteen minutes of dancing for a quarter.

At last, it was ten o'clock. With a hot dog in one hand and a balloon in the other, you forced yourself into the crowd just in time to see Nancy Nichols receive the portable radio — her prize for being elected Queen of the music carnival! The four other contenders for the honor each received a prize of a compact, a rhinestone bracelet, or ankle bracelets. Then tired but happy you started home, marveling at the success of the carnival.

It truly was a success, financially as well as socially. Each concession was handled by a school organization—half of the profits going to the club and half going to the music department. The money will be used to pay for new choral robes and to finish paying for the band uniforms. Too much credit can not be given to Frederick Schmoyer, head of the music department, for his tireless efforts in working on the carnival. There was a large turnout of both children and adults who were anxious to see the carnival after hearing of the music department's success at the state music contests at Taylorville where seven out of eight first places were won.

FEED, SEED, WEED YOUR LAWN WITH Scotts

Try the easy SCOTTS way—and own a showplace lawn. Feed the grass, kill the weeds in one operation. Sow SCOTTS to fill in the voids left by dying weeds. Do all this yourself in a few minutes with a SCOTTS Spreader.

Scotts LAWN SEED

Finest permanent grasses for lawns In full sun, triple clean, 99.91% weedfree. 1 lb - 95c
5 lbs - $4.65 25 lbs - $21.25.
SCOTTS for Dense Shade at same prices.

LAWN FOOD plus WEED CONTROL

Apply this dry compound with a Spreader. It destroys dandelions, plantain, buckhorn while feeding the grass to thicker growth, richer color. Treat 2500 sq ft - $3.50 11,000 sq ft (¼ acre) only $12.75.

SCOTT Spreaders—Apply Seed, Turf Builder and Lawn Food plus Weed Control evenly, economically. Rubber tired models $9.95, $16.50.

This Month in Your Service BULLETIN

SINCE THE Chicago Railroad Fair (centennial of the first steam locomotive out of Chicago) will be held from mid-July into September on Chicago's lakefront (where the World's Fair was held several years ago), we have examined a few records having to do with the railroad's infancy. Learned that had New York State listened to a gentleman from Hoboken in 1812, credit for the putting-together of tracks and steam power would have gone to the United States instead of England. Learned how Chicago and Northern Illinois' first two railroads used Chicago's first locomotive, same passenger station, and same tracks. Learned how another of our railroads was the first to benefit from the Land Grant, an experiment which greatly stimulated railroad construction in these parts. And the putting-together of our findings and John McKee's sketches has resulted in the first of our two stories on some of our railroads.

SUES FOR INJURIES

Henry C. Becker has sued Florence Jones, executor of the estate of the late B. F. Jones, in the Superior court for $50,000 damages for injuries in an automobile accident April 4, last year. It is charged that the Jones car collided with one in which Becker was riding in Skokie at Simpson street and Skokie highway and injured Becker seriously May 15.

New Smoke Facts

Treasury experts, who recently made a study of total tobacco use, report that cigarettes in 1946 accounted for 77 per cent of the total tobacco used in production. In 1915 cigarettes accounted for only 10 per cent.

Food habits

Doctor Ward's Notebook

A patient who stands out in my memory is a young business man who had come to the clinic complaining of generalized abdominal discomfort with bloating, belching, and nausea. A complete work-up by several specialists (X-rays, blood and urine tests, stomach analysis, etc., etc.) failed to disclose any evidence of organic disease. Even an interview with the psychiatrist was unproductive.

In ten minutes a wise physician who had been in the game for years put his finger on the cause of this patient's illness: the elderly doctor elicited a history of poor food habits. A victim of the tense atmosphere in which this rising young executive lived, he was habitually gulping down hasty, inadequate meals. No wonder he suffered for two hours after bolting down a hamburger, french fries, pickles, ice cream, and a glass of beer in ten minutes flat!

ONE OF THE GREAT AMERICAN BAD HABITS our professor expounded later, is the Inadequate Beakfast—also known as the Skipped Breakfast. That late supper or a big bedtime meal ruins an otherwise healthy appetite for breakfast. And the later you stay up, the less early-morning food appeals. Of course, over-sleeping means coffee and roll grabbed on the run—obviously insufficient fuel to keep the body's furnace stoked with energy until noon.

Another point—the way in which food is prepared and served will make or break an appetite. Palatable food served in an attractive manner is essential for enjoyable eating. Surroundings should be clean, attractive and relaxing. Studies have shown that eating in a noisy, disagreeable room does little to enhance the appetite—may even turn the stomach against food. Experiments using unusual illumination to make milk green or potatoes blue so upset the subjects that they could hardly eat—some even vomited. To a lesser degree, and in the opposite sense, well-chosen color and lighting arrangements are indispensable to the hostess anxious to please her guests.

HOURS FOR MEALS SHOULD BE REGULARLY spaced and of sufficient length to allow leisurely enjoyment of food. Unhurried and thorough mastication will avoid insulting a delicate stomach. Controversies and emotional upsets should be avoided as should frequent interruptions. It is a psychologic and physiologic fact that the digestive processes function poorly under such adverse conditions. Save your arguments and exercise of parental authority for a time when health and a comfortable tummy are not at stake.

Now if that phone would just stop ringing long enough to allow the harried M. D. to eat his porridge in peace . . .

* * *

ARE YOU PLANNING TO FLY? Some precautions are suggested for prospective passengers:

1. Patients with acute upper respiratory infections should avoid flying. A person with chronic sinus infection should use nose drops or a convenient inhaler before descent.
2. Cardiac patients who experience shortness of breath while walking short distances should not fly.
3. Neither should patients with severe anemia.
4. Ditto for tuberculosis patients with pneumothorax.
5. Oxygen should be readily available for asthmatics who might develop an attack.
6. Patients in the last two months of pregnancy should consult their attending physician before flying. Most commercial lines are reluctant about accepting these women as passengers.
7. Mental patients should be accompanied by a medical aide.

It is hoped in the future pressurized cabins will make it possible for all to fly regardless of their physical handicaps.

Lesson in English

By W. L. GORDON

Words often misused

Do not say, "I didn't figure on going to town today." Say, "I didn't intend to go to town today."

Do not say, "He went back on his promise." Say, "He failed to keep his promise."

Do not say, "They had reached the final end of their journey." Omit final.

Do not say, "She never said a word about that." Say, "She did not say a word about that."

Do not say, "He opened up the meeting with a prayer." Omit up.

Do not say, "What was it you wished to ask me?" Since the question has yet to be asked, say, "What is it you wish to ask me?"

Words often mispronounced

Data. Pronounce the first a as in day, not as in at.

Particular. Pronounce par-tik-u-lar, four syllables, and not partik-lar.

Dishevel. Pronounce di-shev-el, i as in it, both e's as in set (second e unstressed), accent second syllable; and not dis-hev-el.

Scion. Pronounce si-up, i as in sigh, accent first syllable.

Jaguar. Pronounce jag-war, first a as in bag, second a as in war, accent first syllable.

Hundred. Pronounce hun-dred, e as in red unstressed, and not hun-dred.

Words often misspelled

Manageable; retain the e following the g. Achievement; observe the ieve. Bankruptcy; observe the tc. Coerce; erce, not erse. Mercenary; ary, not ery. Immigrate (to come into a country). Emigrate (to leave a country.

Word Study

"Use a word three times and it is yours." Let us increase our vocabulary by mastering one word each day. Words for this lesson:

Susceptibility; capability of receiving impressions. "The particular odors which act upon each person's susceptibilites differ."

Acrimony; biting sharpness, as of temper or language. "Ridicule more often settles things more thoroughly and better than acrimony."

—Horace

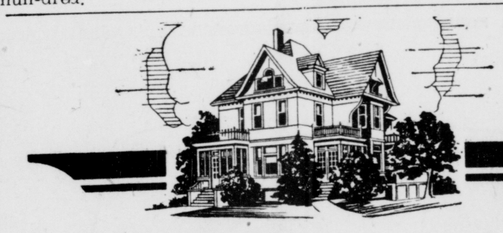

Estimable; worthy of esteem; deserving regard. "If men wish to be held in esteem, they must associate with those only who are estimable."

—La Bruyere

Inadvertence; inattention or an error resulting from it; an oversight. "The mistake was due to inadvertence."

Commend; to mention with approbation; to praise. "How much easier do we find it to commend a good action than to imitate it."

Counteract; to frustrate by contrary agency. "The effect of the narcotic was counteracted by forced exercise."

Offer gold star buttons to kin of war dead

Distribution of a Gold Star Lapel button to the next of kin of war dead was announced recently by the Army, according to Senator Scott W. Lucas.

The Gold Star Lapel button is the nation's memorial to World War II dead, and solace to their bereaved ones.

It will be ready for distribution after June 1, 1948, to the next of kin of men and women of all the Armed Services who died for their country at home and abroad.

Public Law No. 306, enacted by the 80th Congress, authorized this recognition, and it set up appropriate designation of widows, parents, and certain other members of the families of those who died in the service of their country between December 7, 1941, and June 25, 1947, the period established by the legislation.

The Gold Star button consists of a Gold Star on a purple circular background, bordered in gold and surrounded by gold laurel leaves. "United States of America, Act of Congress, 1947" is inscribed on the back of the button, with space left for the engraving of the initials of the recipient.

One Gold Star button will be furnished, without cost, to the widow or widower and to each of the parents of a member of the armed forces who lost his or her life while on active military service between December 7, 1941, and July 25, 1947, both dates inclusive. The term "parents" includes mother, father, stepmother, stepfather, mother through adoption, and father through adoption. Also, one Gold Star button may be obtained, at cost price, by each child, stepchild, brother, sister, half brother, and half sister of a deceased member of the armed forces if the death fell within the dates fixed.

Attention is being called to the period December 7, 1941, through July 25, 1947, both dates inclusive. Through error, some press releases issued by the Army carried the date "August 1" instead of "July 25" and this erroneous information could easily disappoint many relatives who believed themselves to be eligible to receive the button.

Senator Lucas said that relatives of World War II dead should follow these instructions in applying for the Gold Star buttons:

Next of kin of deceased Army and Air Force personnel should submit applications to The Adjutant General, United States Army, Washington 25, D. C. These application forms will be available about June 1, 1948, and may be obtained from any Army or Air Force installation, any nationally recognized veterans organization, or The Adjutant General.

Navy, Coast Guard, and Marine applications should go to the Chief, Bureau of Naval Personnel. Navy Department, Washington, D. C. These applications may be procured from Naval installations or veterans organizations, or from the Bureau of Naval Personnel.

Do not say, "What was it you wished to ask me?" Since the question has yet to be asked, say, "What is it you wish to ask me?"

Words often mispronounced

Data. Pronounce the first a as in day, not as in at.

Particular. Pronounce par-tik-u-lar, four syllables, and not partik-lar.

Dishevel. Pronounce di-shev-el, i as in it, both e's as in set (second e unstressed), accent second syllable; and not dis-hev-el.

Scion. Pronounce si-up, i as in sigh, accent first syllable.

Jaguar. Pronounce jag-war, first a as in bag, second a as in war, accent first syllable.

Hundred. Pronounce hun-dred, e as in red unstressed, and not hun-dred.

Words often misspelled

Manageable; retain the e following the g. Achievement; observe the ieve. Bankruptcy; observe the tc. Coerce; erce, not erse. Mercenary; ary, not ery. Immigrate (to come into a country). Emigrate (to leave a country.

Word Study

"Use a word three times and it is yours." Let us increase our vocabulary by mastering one word each day. Words for this lesson:

Susceptibility; capability of receiving impressions. "The particular odors which act upon each person's susceptibilites differ."

Acrimony; biting sharpness, as of temper or language. "Ridicule more often settles things more thoroughly and better than acrimony."

—Horace

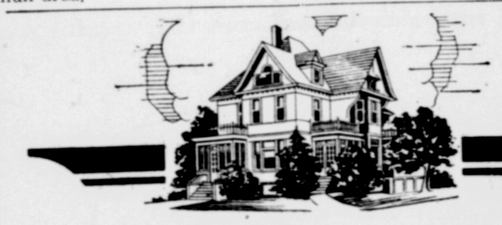

Estimable; worthy of esteem; deserving regard. "If men wish to be held in esteem, they must associate with those only who are estimable."

—La Bruyere

Inadvertence; inattention or an error resulting from it; an oversight. "The mistake was due to inadvertence."

Commend; to mention with approbation; to praise. "How much easier do we find it to commend a good action than to imitate it."

Counteract; to frustrate by contrary agency. "The effect of the narcotic was counteracted by forced exercise."

Offer gold star buttons to kin of war dead

Distribution of a Gold Star Lapel button to the next of kin of war dead was announced recently by the Army, according to Senator Scott W. Lucas.

The Gold Star Lapel button is the nation's memorial to World War II dead, and solace to their bereaved ones.

It will be ready for distribution after June 1, 1948, to the next of kin of men and women of all the Armed Services who died for their country at home and abroad.

Public Law No. 306, enacted by the 80th Congress, authorized this recognition, and it set up appropriate designation of widows, parents, and certain other members of the families of those who died in the service of their country between December 7, 1941, and June 25, 1947, the period established by the legislation.

The Gold Star button consists of a Gold Star on a purple circular background, bordered in gold and surrounded by gold laurel leaves. "United States of America, Act of Congress, 1947" is inscribed on the back of the button, with space left for the engraving of the initials of the recipient.

One Gold Star button will be furnished, without cost, to the widow or widower and to each of the parents of a member of the armed forces who lost his or her life while on active military service between December 7, 1941, and July 25, 1947, both dates inclusive. The term "parents" includes mother, father, stepmother, stepfather, mother through adoption, and father through adoption. Also, one Gold Star button may be obtained, at cost price, by each child, stepchild, brother, sister, half brother, and half sister of a deceased member of the armed forces if the death fell within the dates fixed.

Attention is being called to the period December 7, 1941, through July 25, 1947, both dates inclusive. Through error, some press releases issued by the Army carried the date "August 1" instead of "July 25" and this erroneous information could easily disappoint many relatives who believed themselves to be eligible to receive the button.

Senator Lucas said that relatives of World War II dead should follow these instructions in applying for the Gold Star buttons:

Next of kin of deceased Army and Air Force personnel should submit applications to The Adjutant General, United States Army, Washington 25, D. C. These application forms will be available about June 1, 1948, and may be obtained from any Army or Air Force installation, any nationally recognized veterans organization, or The Adjutant General.

Navy, Coast Guard, and Marine applications should go to the Chief, Bureau of Naval Personnel, Navy Department, Washington, D. C. These applications may be procured from Naval installations or veterans organizations, or from the Bureau of Naval Personnel.

Store Your Fur Coat in a REFRIGERATED VAULT

The furs are flocking to the cool comfort and safety of our storage vault. Here no moths can reach them. Your furs need and deserve this summer protection. The cost is little.
